THE DEMOCRATIC PLATFORM.

Official Text as Reported by the Committee.

Adopted at St. Louis, June 28, 1876.

We, the delegates of the democratic party of the United States, in national convention assembled, do hereby declare the administration of the federal government to be in urgent need of immediate reform; do hereby enjoin upon the nominees of this convention, and of the democratic party in each State, a zealous effort and co-operation to this end, and do hereby appeal to our fellow-citizens of every former political connection to undertake with us this first and most pressing patriotic duty.

THE UNION, THE CONSTITUTION, REPUBLICAN SELF-GOVERNMENT.

For the democracy of the whole country, we do hereby reaffirm our faith in the permanence of the federal union; our devotion to the constitution of the United States, with its amendments universally accepted as the final settlement of the controversies that engendered civil war, and do here record our steadfast confidence in the perpetuity of republican self-government.

THE FIRST CENTURY.

In absolute acquiescence in the will of the majority—the vital principle of republics; in the supremacy of the civil over the military authority, in the total separation of church and state, for the sake alike of civil and religious freedom; in the equality of all citizens before just laws of their own enactment; in the liberty of individual conduct, unvexed by sumptuary laws; in the faithful education of the rising generation, that they may preserve, enjoy and transmit these best conditions of human happiness, and hope we behold the noblest products of a hundred years of changeful history; but while upholding the bond of our union and great charter of these great rights, it behooves a free people to practice also that eternal vigilance which is the price of liberty.

REFORM—CORRUPTION—CENTRALISM.

Reform is necessary to build and establish in the hearts of the whole people the union, eleven years ago happily rescued from the danger of a secession of states but now to be saved from a corrupt centralism, which, after inflicting upon ten States the rapacity of carpet-bag tyrannies, has honey-combed the offices of the federal government itself with incapacity, waste and fraud; infected States and municipalities with the contagion of misrule, and locked fast the prosperity of an industrious people in the paralysis of hard times.

REFORM OF THE CURRENCY—SPECIE PAYMENTS.

Reform is necessary to establish a sound currency, restore the public credit and maintain the national honor. We denounce the failure for all these eleven years to make good the promise of the legal tender notes, which are a changing standard of value in the hands of the people, and the non payment of which is a disregard of the plighted faith of the nation.

We denounce the improvidence which in eleven years of peace has taken from the people, in federal taxes, thirteen times the whole amount of the legal tender notes, and squandered four times this sum in useless expense, without accumulating any reserve for their redemption. We denounce the financial imbecility and immorality of that party which, during eleven years of peace, has made no advance toward redemption; no preparation for resumption, but, instead, has obstructed resumption by wasting our resources and exhausting all our surplus income, and while annually professing to intend a speedy return to specie payment, has annually enacted fresh hindrances thereto—as such a hindrance we denounce the resumption clause of the act of 1875, and we demand its repeal.

We demand a judicious system of preparation, by public economies, by official retrenchment, and by the finances, which shall enable the nation soon to assure the whole world of its perfect ability and its perfect readiness to meet any of its promises at the call of the creditor entitled to payment.

We believe such a system, well devised, and, above all, entrusted to competent hands for its execution, creating at no time an artificial scarcity of currency, and at no time alarming the public mind into a withdrawal of that vast machinery of credit by which 90 per cent. of all our business transactions are performed; a system open to the public and inspiring general confidence, would, from the day of its adoption, bring hesitling on its wings to all our harrassed industries, set in motion the wheels of commerce, manufactures and the mechanical arts, restore employment to labor, and renew in all its national sources the prosperity of the people.

REFORM OF THE TARIFF—FREE TRADE.

Reform is necessary in the sum and mode of federal taxation, to the end that capital may be set free from distrust and labor lightly burdened. We denounce the present tariff levied upon nearly four thousand articles as a master piece of injustice, inequality and false pretense. It yields a swindling, not a yearly rising revenue. It has impoverished many industries to subsidize a few; it prohibits imports that might purchase the products of American labors; it has degraded American commerce from the first to an inferior rank upon the high seas; it has cut down the sales of American manufactures at home and abroad, and depleted the returns of American agriculture, an industry followed by half our people. It costs the people five times more than it produces to the treasury; obstructs the process of production, and wastes the fruits of labor; it promotes fraud, fosters smuggling, enriches dishonest officials and bankrupts honest merchants. We demand that all custom house taxation shall be only for revenue.

REFORM—ECONOMY IN PUBLIC EXPENSE.

Reform is necessary in the scale of public expense—federal, State and municipal. Our federal taxation has swollen from sixty millions gold, in 1860, to four hundred and fifty millions currency, in 1870. Our aggregate taxation, from one hundred and fifty-four millions gold in 1860, to seven hundred and thirty millions currency in 1870; or, in one decade, from less than five dollars per head to more than eighteen dollars per head. Since the peace the people have paid to their tax-gatherers more than thrice the sum of the national debt, and more than twice that sum for the federal government alone. We demand a vigorous frugality in every department, and from every officer of the government.

REFORM—PUBLIC LANDS TO ACTUAL SETTLERS.

Reform is necessary to put a stop to the profligate waste of the public lands and their diversion from actual settlers by the party in power, which has squandered 200,000,000 acres upon railroads alone, and an amount of more than thrice that aggregate, has disposed of less than a sixth directly to the tillers of the soil.

REFORM—ADOPTED CITIZENS, REJECTED MONGOLS.

Reform is necessary to correct the commission of a republican congress and the errors of our treaties and our diplomacy, which have stripped our fellow-citizens of foreign birth and kindred race, recrossing the Atlantic, of the shield of American citizenship, and have exposed our brethern of the Pacific coast to the incursions of a race not sprung from the same great parent stock, and, in fact, now by law denied citizenship through naturalization, as being neither accustomed to the traditions of a progressive civilization, nor exercised in liberty under equal laws. We denounce the policy which thus discards the liberty-loving German and tolerates the revival of the coolie trade in Mongolian women, imported for immoral purposes, and Mongolian men held to perform servile labor contracts.

THE FALSE SECTARIAN ISSUE—THE FALSE SECTIONAL ISSUE.

Reform is necessary, and can never be effected only by making it the controlling issue of the elections, and lifting it above the two false issues with which the office holding class and the party in power seek to smother it.

First—the false issue with which they would enkindle sectarian strife in respect to the public schools, of which the establishment and support belongs exclusively to the several States, and which the democratic party has cherished from their foundation, and is resolved to maintain, without any partiality or preference for any class, sect or creed, and without contributing from the treasury to any.

Second—The false issue by which they seek to light anew the dying embers of sectional hate between kindred people once unnaturally estranged, but now reunited on one indivisible republic and a common destiny

REFORM—THE CIVIL SERVICE.

Reform is necessary in the civil service; experience proves that efficient, economical conduct of the governmental business is not possible if its civil service be subject to change at every election, be a prize fought for at the ballot box, be a brief reward of party zeal, instead of posts of honor, assigned for proved competency and held for fidelity in the public employ; that the dispensing of patronage should neither be a tax upon the time of all our public men, nor the instrument of their ambition; here, again, professions falsified in the preformance, a test that the party in power can work out no practical or satisfactory reform.

REFORM—CORRUPTION OF HIGH PUBLIC OFFICERS.

Reform is necessary even more in the higher grades of the public service. The president, vice president, judges, senators, representatives and cabinet officers and all others in authority are the people's servants; their offices are not a private perquisite—they are a public trust.

When the annals of this republic show the disgrace and censure of a vice president; a late speaker of the house of representatives marketing his rulings as a presiding officer; three senators profiting secretly by their vote as law-makers; five chairmen of the leading committees of the late house of representatives exposed in jobbery; a late secretary of the treasury forging balances in public accounts; a late attorney general misappropriating public funds; a secretary of the navy enriched or enriching friends by percentages levied off the profits of contractors with his department; an embassador to England censured in a dishonorable speculation; the president's private secretary barely escaping conviction upon trial for guilty complicity in frauds upon the revenue; a secretary of war impeached for high crimes and misdemeanors, the demonstration is complete that the first step in reform must be the people's choice of honest men from another party, lest the disease of one political organization infect the body politic; and lest by making no change of men or parties we can get no change of measures and no real reform.

REFORM—REFORM—REFORM.

All these abuses, wrongs and crimes, the product of sixteen years of the ascendancy of the republican party, create a necessity for reform, confessed by republicans themselves, but their reformers are voted down in convention and displaced from the cabinet; the party's mass of honest voters is powerless to resist the eighty thousand officeholders, its leaders and guides.

Reform can only be had by a peaceful, civic revolution. We demand a change of administration, a change of party, that we may have a change of measures and of men.

CENTAUR LINIMENTS.

The Quickest, Surest and Cheapest Remedies.

Physicians recommend, and Farriers declare that no such remedies have ever before been in use. Words are cheap, but the proprietors of these articles will present trial bottles to medical men, gratis, as a guarantee of what they say.

THE CENTAUR LINIMENT, WHITE WRAPPER, will cure Rheumatism, Neuralgia, Lumbago, Sciatica, Caked Breasts, Sore Nipples, Frosted Feet, Chilblains, Swellings, Sprains, and any ordinary

FLESH, BONE OR MUSCLE AILMENT

We make no pretense that this article will cure cancer, restore lost bones, or give health to a whisky soaked carcass, but it will always reduce inflammation and allay pain.

It will extract the poison of bites and stings, and heal burns or scalds WITHOUT A SCAR. Palsy, Weak Back, Caked Breasts, Earache, Toothache, Itch and Cutaneous Eruptions readily yield to its treatment.

Henry Black, of Ada, Hardin Co., O., says: "My wife has had rheumatism for five years—no rest, no sleep—could scarcely walk across the floor. She is now completely cured by the use of Centaur Liniment. We all feel thankful to you, and recommend your wonderful medicine to all our friends."

James Hurd, of Zanesville, Ohio, says: "The Centaur Liniment cured my Neuralgia."

Alfred Tush, of Newark, writes: "Send me one dozen bottles by express. The Liniment has saved my leg. I want to distribute it, &c."

The sale of this Liniment is increasing rapidly.

The Yellow Centaur Liniment

is for the tough skin, flesh and muscles of

HORSES, MULES AND ANIMALS.

We have never yet seen a case of Spavin, Sweeny, Ring-Bone, Wind-Gall, Scratches, or Poll-Evil, which this Liniment would not speedily benefit, and we never saw but a few cases which it would not cure. IT WILL CURE when anything can. It is folly to spend $20 for a Farrier, when one dollar's worth of Centaur Liniment will do better. The following is a sample of the testimony produced:

W. P. Hopkins, Postmaster, Piqua, O., says: "Centaur Liniment can't be beat. It cures every time."

YELVERTON, O., March 2, 1874.

"The Centaur Liniments are the best selling medicines we have ever had. The demand is very great for it, and we cannot afford to be without it.

"P. H. HISEY & SON."

JEFFERSON, Mo., Nov. 10, 1873.

"Some time ago I was shipping horses to St. Louis. I got one badly crippled in the car. With great difficulty I got him to the stable. The stable keeper gave me a bottle of your Centaur Liniment, which I used with such success that in two days the horse was active and nearly well. I have been a veterinary surgeon for thirty years, but your Liniment beats anything I have ever used.

"A. J. MCCARTY Veterinary Surgeon."

For a postage stamp we will mail a Centaur Almanac, containing hundreds of certificates, from every State in the Union. These Liniments are now sold by all dealers in the country.

Castoria.

Dr. Samuel Pitcher, of Hyannis, Mass., experimented in his private practice, for twenty years, to produce a combination that would have the properties of CASTOR OIL, without its unpleasant taste and griping effect.

His preparation was sent for, near and far, till finally he gave it the name of Castoria, and put it up for sale. It is very wonderful in its effects, particularly with the disordered stomachs and bowels of children. It ASSIMILATES THE FOOD, cures sour stomach and wind colic, regulates the bowels, Expels Worms, and may be relied upon in croup.

As a pleasant, effective, and perfectly safe Cathartic remedy, it is superior to Castor Oil, Cordials and Syrups. It does not contain alcohol, and is adapted to any age.

By regulating the stomach and bowels of cross and sickly children, they become good-natured and healthy. They can enjoy sleep, and mothers have rest. The Castoria is put up at the Laboratory of J. B. Rose & Co., 46 Dey Street, New York. may 25-w-13t
