White sugar at New York Store, 47 lbs. for \$1. Families buying in large quantities will be sold lower.

General Items. —Dan Rice, Monday. —Tom Winter is in Cincinnati.

—Mr. Rube Yocum is in the city. —Ninety-eight in the shade yesterday.

—Are you going to the mayor's picnic? —Mr. F. S. Kent is back from St. Louis.

—The police courts were very dull yesterday. —Col. Taylor came home yesterday afternoon.

—The Rev. Dillon-Lee is expected home today. —Mr. Fred Korymeyer is able to be up and out again.

—Mr. James Bell of Utah, was in the city yesterday. —Mrs. Charles Kyle is in Paducah visiting relatives.

—Why is it that we have no more band concerts? —Mr. J. A. Berry, of Springfield, is a guest at the St. Charles.

—The Cairo washboard factory is doing a rousing big business. —The county commissioners will meet on Monday next, September 3d.

—Who will be the next superintendent of schools is an important question. —Twed Parker has gone to Fulton, Ky., to go into the milling business.

—Dr. Wardner suggests that everybody disinfect their premises with copers. —A very much needed new pair of steps have been put up in front of the court house.

—Rube Yocum, son of Alderman George Yocum, is lying very ill at his home. —Ex-Governor John Dougherty, of Jonesboro, the newly elected judge, is in the city.

—The next regular monthly meeting of the city council will be held next Tuesday night. —Hawkins, Humm, Hely and Yost, all candidates for the county clerkship, were at Hodges park on Tuesday, and each is confident that he "got his work in."

—The canvass is becoming interesting. It is said that beside the four gentlemen who have announced, there are still five more who will come out and "make" the race for this office.

—Mr. Mike Sheehan, who since his return from college at Cape Girardeau, has been connected with Mr. Mike Howley in the real estate business, left Cairo a few days ago for Dallas, Texas, where he has accepted a position in a leading business house. Mike was one of the most promising young men in this city, and we hope will meet with success in his new home.

—Mr. B. McMill, an old and experienced barber, has taken charge of the shop on Eighth street, formerly occupied by Mr. Lampert. Mr. McMill is a white man and an excellent barber, and will endeavor to give his customers as good work as can be had at any other shop in Cairo. He solicits a share of the patronage of our citizens.

—We know of three Wade Hampton's, Wade Hampton, governor of South Carolina, Wade Hampton, the colored lecturer, and Wade Hampton, porter at the St. Charles Hotel. The two former gentlemen are celebrated in their profession, but neither of them, we dare say, are more celebrated as orators, than is our Wade as a caterer.

—Gentlemen who desire to practice their horses should seek some other course than Washington avenue. The people along that thoroughfare are becoming heartily tired of having it made a race course of, and sooner or later some of the persons who are in the habit of making it such will be asked to step up to the captain's office and liquidate.

—The alarm of fire sounded yesterday morning was caused by the burning of a small house at the corner of Twenty-second and Division streets, owned by Mr. Ed. Jones. The fire companies were promptly to answer the call, and though the flames had gained considerable headway, were not long in doing the work of extinguishing them. The damage to the property was considerable—perhaps, \$300.

—The young men who have the management of the party to come off on the steamer Golden City to-night, request us to state that as the boat's officers have concluded not to begin receiving freight until next week, the boat will remain where she now lies, just opposite Tenth street. They also ask us to urge everybody who has an invitation to attend in the party as it will be the affair of the season. Of course it will. They all are.

—Says the Paducah News of one of our Cairo girls: "Miss Lou, Christianman, bookkeeper of the Novelty Iron store at Paducah, who has been in our city the past week visiting the family of Mr. Marion Morgan, has returned to Cairo. She is an accomplished lady, and will be greatly missed by our admirers." Why don't Paducah send us a few of her girls, and give us a chance to say something nice about them?

—The steamer Golden City will be the scene of a gay affair this evening. By invitation of the officers of the boat, a party will be given on board of her. A large number of invitations have been sent out, every one of which should be honored, for such a treat as those who attend will get is not enjoyed more than once in a life time. The young men who are managing the affair understand what is required of them to make it a success, and will leave nothing undone that will add to the pleasure of the occasion. Harry Obrien's excellent string band will furnish music for the occasion.

—The people of Hodges park are quite confident that their bright star is now in the ascendant. The big sale of town lots was a great success. There was a very large crowd of people in attendance, and all the lots offered, numbering one hundred, were disposed of. The prices paid by the purchasers ranged from five to forty dollars. Everybody in attendance at the sale was treated to a grand barbecue dinner, free of charge, and the day's proceedings were wound up at night by a dance. Although there were many people present from all sections of Southern Illinois, more than two-thirds of the lots sold were bought by Cairo people.

Hams Ham! Best brands of hams at the New York Store, for 12c per lb. and each ham warranted.

Notice. I hereby notify saloon-keepers, and all others to refrain from giving my husband, James Powers, any intoxicating drinks. Any who disregard this warning will be prosecuted to the full extent of the law. (3) MRS. JAMES POWERS.

Save Money. Buy your dry goods, boots and shoes and in fact all other goods you need, where they are sold the cheapest, at the (St.) New York Store.

Hyponochondriasis. Is a sad affliction to suffer from. It attacks all stations and conditions of life. There is a constant dread of impending dangers, the D. monies word of imaginary evil is suspended over, a morbid sensitiveness of the thoughts and actions of others, etc. This disease generally arises from an affection of the liver, stomach, urinary organs, etc., and can be successfully combated, by the aid of rest and light diet, and the use of a remedy which will restore new force, promote secretions and excretions, and give tone to the whole system. Such a health restoring remedy has been found in the Home Stomach Bitters.

River News. There is no rise reported in the rivers anywhere except at Dubuque, where a 1 1/2 inch swell is reported from heavy local rains. The weather is clear and extremely hot and business is growing alarmingly dull. So little freight has arrived during the past few hours that Capt. Hepler has concluded not to load for New Orleans at present, and the Golden City will therefore rest at the bank and undergo further repairs.

The Chamber of Commerce of Pittsburgh on Monday evening passed the following resolution in reference to Captain Lewis' river improvement scheme: Resolved, That this chamber earnestly solicits the co-operation of all other kindred organizations in the valley of the Mississippi in the call for a convention to meet in St. Louis, early in October, to take measures to secure the improvement and permanence of the navigation of our great rivers.

The resolution passed, and the secretary was instructed to notify the bodies designated of the action taken. The Commonwealth will be at the wharfbank to-day for New Orleans. The Vint Shinkle will no doubt arrive to-day from the Ohio.

Office of Lighthouse Inspector, Fifth District, St. Louis, Mo., Aug. 17, 1877.—On last inspection of lighthouse tender Alce, the following is a summary of work done between New Orleans and St. Louis: Thirty-one new lights established; twelve discontinued; thirty-three moved to suit changes of the channel; between Cairo and St. Louis the changes and new lights located on the up trip of the tender, as below: Eliza Point light moved up one mile.
