SIMMONS LIVER REGULATOR

ASK the recovered dyspeptic, bilious sufferer, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits, and good appetit they will tell you by taking Simmon's Liver Regulator.

THE CHEAPEST, AND BEST FAMILY MEDICINE IN THE WORLD.

For DYSPEPSIA, CONSTIPATION, Jaudice, Bilous attacks, SICK HEADACHE, Colic, Depression of spirits, SOUR STOMACH, Heart Burn, etc., etc.

This unrivalled Southern Remedy is warranted not to contain a particle of Mercury, or any injurious substance, but is

PURELY VEGETABLE

containing those southern roots and herbs which an all wise providence has placed in countries where Liver Diseases prevail. It will cure all diseases caused by derangement of the liver and bowels.

The symptoms of Liver Complaint are a bitter or bad taste in the mouth; Pain in the back, Sides or Joints, often mistaken for rheumatism; sour stomach, loss of appetite, bowels alternately costive and lax—headache, loss of memory, with a painful sensation of having failed to do something which ought to have been done, debility, low spirits, a thick yellow appearance of the skin and eyes, a dry cough often mistaken for consumption.

Sometimes many of these symptoms attend the disease, at others very few, but the liver, the largest organ in the body, is generally the seat of diseases and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for diseases of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. LEWIS WUNDER, 1736 Master street, Assistant Postmaster, Philadelphia.

"We have tested its virtues, personally, and now that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief; but the Regulator not only relieved but cured us."—ED. TELEGRAPH AND MESSENGER, Macon, Ga.

BAD BREATH

Nothing is so unpleasant, nothing so common as bad breath, and in nearly every case it comes from the Stomach, and can be so easily corrected, if you will take Simmons' Liver Regulator. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your App tite, complexion, and General Health.

SICK HEADACHE

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache. For prompt relief

TAKE SIMMONS' LIVER REGULATOR, OR MEDICINE,

Contains four medical elements, never found in the same happy proportion in any other preparation, viz: a gentle Cathartic a powerful tonic, n unexceptionable alterative and a certain Corrective of all impurities of the body. Such signal success has attended its use that it is now regarded as the

MEXICAN FRA DIAVOLOS.

Their Popularity with All Classes Across the Border, and Especially with the Women—How Mexican Land-Owners Keep Possession of Their Estates.

Col. George Flournoy, of Galveston Tex. who has lived long in Mexico, was in the French army which placed Maximilian on the throne, and understands the Mexican people and their peculiarities very thoroughly, said to a reporter in Washington the other day:

Suppose we take Mexico as a whole, not confining ourselves to the worst classes that infest the border, but including the better elements of the more settled districts. While the spirit of brigandage is not so strong, it is incredible how deep-seated in the prejudices of all the people is the feeling that is right near them, knocking at their doors, trying to encroach on their territory, is a new, progressive, mechanical, commercial race, likely in a few years, if not violently opposed, to change and perhaps destroy the social relations and the peculiar habits which have been growing stronger and stronger in Mexico for centuries. This is really the dominant dread in the hearts of the Mexican people. They don't like the Anglo-Saxon push and enterprise. It interferes with their settled prejudice in favor of standing still, keeping quiet, living along lazily from year to year, and shunning novelties and inventions of every description. Spain is in a trance, and Mexico wants to enjoy the same sort of repose. They believe it is destiny. Now growing out of this antipathy, which you will observe is strong as against improvement from every quarter as well as from the United States, is the curiously unsettled state of society. There is little or none of the home life there we see in this country. During our recent civil war now quickly we went back to the arts of peace! Just because the men composing our armies had homes and children to think of. There was something in our social relations that made it impossible for a man to remain a guerrilla. But in Mexico it is just the reverse. The country is infested with wild young men whose fortunes and character are dispatched, and they turn to robbing diligences and enjoying frolics of small and defenseless towns. Here the sentiment of the people makes an outlaw of a man the moment he turns pirate and stage robber, and communities band against him. But in Mexico this sort of career is enveloped in a Jack Sheppard cloud of romance. It is impossible for the people not to indulge a maudlin sentiment in favor of these dare devil vagabonds who perform such feats of prowess and dexterity. With the women particularly, these Fra Diavolos are extremely popular. Of course such a condition of feeling among even the better classes renders a good state of society out of the question. Their normal condition is disorder. For fifty years they have known nothing else. All bend to the hero of the hour, regardless of right or law, and what is called soldier in Mexico is enlisted with the understanding that his services are due to-morrow to another president if the people change their minds. They owe allegiance to the man in power, no matter how often a change comes.

"Is this general among the people?"

"Among the poorer classes, yes, but not among the people of wealth and large interests. Some time ago I visited in southern Mexico a gentleman of New Orleans who had married a rich Mexican widow. He had become domesticated. He had private soldiers on his vast estates. Maximilian was in power, and order was beginning to reign for the first time in many years. This gentleman said to me that he believed in the empire because it promised good government, but he would oppose it through policy. In explanation to this curious contradiction, he said that they always opposed the party in power, because they knew that for the sake of his own reputation he would do the large landowners any violence, and thus being safe, so far as he was concerned, they must rank themselves against him to avoid being plundered by his enemies. It was a fact I found true all through Mexico (said the colonel), that these large property-owners always came out in hostility to the reigning powers or general principles. It was the instinct of self-preservation. I know it is the same to day, for I have taken pains to inquire."

"How can we settle these matters? By occupation?"

"No, indeed. We might war for years and not accomplish anything in the way of reforming this sentiment of unrest and hostility to change. Gen. Scott conquered Mexico, but an army of occupation would have found the country a second Spain in the Peninsular war. We don't want the country; we can't change the people and make them as we are, so why fight? In several generations we might so far, by peaceful methods, infuse some commercial spirit into them that they would be courteous neighbors and, possibly, valuable ones. But the problem is very perplexing. In my opinion, Diaz will simply commit political suicide if he undertakes to form or carry on any alliance with this country which compromises his countrymen's tastes for depredation. Juarez never dared do this. You remember that Gen. Trevino resigned when ordered to co-operate with Gen. Ord in working against the Mexicans and he is the most popular man in southern Mexico. Our government will find that Diaz cannot command his officers in this matter, let Senor Zamacora and Diaz be ever so sincere in their professions and proposals to our government. At present, in my opinion, it is the first and highest duty of our government to repel the irresponsible cattle-thieves on the border, and when that has been done effectually, we can consider some more civilized means of introducing the people of Mexico to mutually profitable trade relations."

WASHINE

A new and wonderful invention for washing. Washes like magic; better than soap for washing anything; washes in one-third of the time; washes in hard or soft, hot or cold water; the only preparation ever invented that will prevent woolens from shrinking; worth four times its price for washing woolens alone.

Mrs. Henry Ward Beecher

recommends it to all housekeepers, says: "They will rejoice both for economy's sake and the safety of their clothing, and that it can no more injure clothing or hands than common warm water."

WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousand cases of those diseases peculiar to woman. I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observation. As a close observer, I have, while witnessing its positive results in the few special diseases incident to the separate organism of woman, singled it out as **the climax or crowning gem of my medical career.** On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will, at all times and under all circumstances, act kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses it for any of the ailments for which I recommend it, that I offer and sell it under A **POSITIVE GUARANTEE.** If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had I not the most perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly miraculous cures in thousands of cases, **I feel warranted and perfectly safe in risking both my reputation and my money on its merits.**

The following are among those diseases in which my **Favorite Prescription** has worked cures, as if by magic, and with a certainty never before attained by any medicine: Leucorrhœa, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Propœus, or falling of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription works cures—**the marvel of the world.** This medicine I do not extol as a cure-all, but it admirably fulfills **a singleness of purpose,** being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

Those who desire further information on these subjects can obtain it in THE PEOPLE'S COMMON SENSE MEDICAL ADVISER, a book of over 900 pages, sent, post-paid, on receipt of $1.50. It treats minutely of those diseases peculiar to Females, and gives much valuable advice in regard to the management of those affections.

Are not advertized as "cure-alls," but are specifics in the diseases for which they are recommended.

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior cannot supercede a superior article. By reason of superior merit, Dr. Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousand more. No business could grow to such gigantic proportions and rest upon any other basis than that of merit.

Golden Medical Discovery

By reason of its alterative properties, cures diseases of the Blood and Skin, as Scrofula, or King's Evil; Tumors; Ulcers, or Old Sores; Blotches; Pimples; and Eruptions. By virtue of its Pectoral properties, it cures Bronchial, Throat and Lung Affections; Incipient Consumption; Lingering Coughs; and Chronic Laryngitis. Its Cholagogue properties render it an unequaled remedy for Biliousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appetite and Dyspepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are scrofulous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness." In many cases of "Liver Complaint," only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.

Pleasant
Purgative
Pellets.

Purely Vegetable. No Cure Required while Using them.

The "Little Giant" Cathartic, or MULTUM IN PARVO PHYSIC, scarcely larger than mustard seeds, and are sugar-coated. They remove the necessity of taking the great, crude, drastic, sickening pills, heretofore so much in use.

As a remedy for Headache, Dizziness, Rush of Blood to the Head, Tightness about the Chest, Bad Taste in the Mouth, Eructations from the Stomach, Bilious Attacks, Jaundice, Pain in the Kidneys, Highly-Colored Urine, and Internal Fever, Dr. Pierce's Pleasant Purgative Pellets are unsurpassed. Furthermore, I would say that their action is universal, not a gland escaping their sensitive impress. Age does not impair the properties of these Pellets. They are sugar-coated and inclosed in glass bottles, their virtues thereby being preserved unimpaired for any length of time, so that they are always fresh and reliable. This is not the case with those pills which are put up in cheap wooden or pasteboard boxes. The daily use of two Pellets has cured the most obstinate cases of Scrofula, Tetter, Salt-rheum, Erysipelas, Boils, Blotches, Pimples, Sore Eyes, and Eruptions. They are, however, recommended to be taken in connection with the Golden Medical Discovery, in order to secure the best results.
