## NASHVILLE UNION.

PROSPECTUS NASHVILLE UNION

THE NAMEYILLE UNION was commenced a few weeks since, for the purpose of opposing the Robel Southern Confederacy, and of advocating the restoration of Pederal authority, without any abatement, over all the States which have attempted to secode. # It holds as friends all who support, and as foca all who oppose the Union of the States. It has no watchword but FREEDOM AND NATIONALITY.

With rebels and traits has no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the Surange Law or rite Lann, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible, a Therefore, whatever stands in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it be

To the people of Tennesine, ever renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perdions Governor and corrupt Legislature, and who have felt so heavily the awful corne of treason and anarchy, we appeal for support. Let the names of rebel office-holders, Vigilance Cammittees, and Minute Men, who have filled our borders with mourning, be gibbetted before the world. Let those ambitious and avaricious men who have plotted our ruln for their own aggrandizement be fastened to the pillory of shame, no matter how high their position in society. Let it be shown how the saif-styled defenders of "Southern Rights" are now leading maranding bands of free-booters and moss-troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridger and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the Southern conspirators, now circulate freely through every neighborhood and our cause will assuredly triumph. Will not loyal men everywhere aid us in the dissemination of facts and the advocacy of Free Government?
