A Thriving Young Concern. One of the new concerns in Donaldsonville that is doing a successful business is the Planters' Collar Factory, which began operations recently under the proprietorship of Richard Ayraud. This young manufactory has already established a reputation for well-made goods and reasonable prices that is fast winning for it the patronage of most planters and others of this section who realize the advantage of using on their horses and carriages collars and saddle pads that will not bruise and gall. If you happen to be in need of open bottom or plain moss collars or cart saddle pads we would suggest that you correspond with the Planters' Collar Factory, postoffice box 121, Donaldsonville, La.

The doctor is well known all over the state by the large number of patients he has treated at the eye, ear and throat hospital in New Orleans, and enjoys the acquaintance of many people in Donaldsonville who consulted him on the occasion of his former visit to this town. Since leaving here the doctor has received communications from several parties who are in need of his services requesting him to make another visit to Donaldsonville, and it is at their solicitation that he has decided to return here and remain for two weeks. Dr. Bloom is very reasonable in his charges, earnest in his work and pleasant to meet and know. He will make his office at the Nicholls Hotel.

A merry party of young people enjoyed a delightful hay ride Wednesday night given by Mr. and Mrs. F. B. Lemann in honor of their guests, Misses Elsa Keiffer, of Boston, Muriel Mayer, of Natchez, Stella Seaman, of Cincinnati, and Ray Lemann, of New Orleans. The party assembled at the hospitable Lemann home in Houmas street at 8:30 o'clock and posed for a flashlight photograph taken by the gracious host and hostess, afterward piling in a three-mule plantation cart filled with hay for a jolly ride down the river. Refreshments were served in the dining room of the Lemann residence when the young people returned and the remainder of the evening was enlivened with songs, stories and funny doings. Those who enjoyed the hospitality of Mr. and Mrs. Lemann and had the pleasure of meeting the fair honorees were Misses Rena Terrio, Laurie Cline, Lucille Maurin, Nonie Netter, Martha Maurin, Adeline Netter and Maud Barton, and Walter and Arthur Lemann, B. A SPLENDID TICKET.

Municipal Officers Chosen at a Rousing and Representative Mass-Meeting Thursday Night.

Pursuant to a call issued by Mayor George E. Richard, a large and representative mass-meeting of the voters of Donaldsonville was held at the courthouse Thursday night for the purpose of nominating candidates for municipal offices. Promptly at 8:30 o'clock Mayor Richard called the meeting to order, and after stating briefly the object of the gathering, requested that a permanent chairman be selected. Judge Edmund Maurin nominated E. N. Pugh, and amid great applause Mr. Pugh was selected to preside and escorted to the platform. Upon taking the chair Mr. Pugh made a brief address, advocating the erection of a new and modern schoolhouse, urging the extension of the waterworks and electric light systems, and exhorting the assembled voters to exercise their right of sovereignty in choosing the officers who are to direct the destinies of the town for the next two years. On motion of David Israel, Jr., Edmund Maurin, Jas. Von Lotten, C. C. Weber, G. Donnaud Bentley and A. G. Whidden were elected secretaries of the meeting. C. C. Weber moved that a committee of five be appointed to draw up suitable resolutions, and after the motion had been put and carried the chair named as the committee G. A. Godran, Walter Lemann, Dr. T. H. Hanson, Michael Tobias and C. Kline. A recess was taken in order to give the committee time to prepare its report, and the interregnum was enlivened with catchy music. At the expiration of a few minutes the committee returned and Secretary Walter Lemann read the following resolutions, which were submitted to the meeting and unanimously adopted:

Resolved by the voters of the town of Donaldsonville in mass-meeting assembled, That we firmly believe in the time-honored principle of selecting our municipal officers irrespective of party affiliation and are convinced of the ability of the people of the town to work out their own problems.

Resolved further, That we appreciate to the fullest the work done by the present administration and feel indebted to them for the sacrifices they have made. With pride they can point to the excellent manner in which the finances of the town have been administered and they are desirous of much credit for having so materially reduced the municipal debt. To the Hon. Geo. Richard much praise is due for the efficient manner in which he has guided the administration, and truly of him may be said, "Well done, thou good and faithful servant."

Resolved further, That progress shall be made in the future, and that the best efforts of the candidates this night nominated toward the carrying out of these objects.

Nominations were then declared in order, and on motion of C. C. Weber it was decided to make the selections in the following order: Mayor, councilmen (the voters of each ward to assemble and choose candidates for these offices in any way they desired), treasurer, collector, secretary and chief of police. Michael Tobias secured the floor and in a forceful and eloquent speech presented as a candidate for mayor Charles Maurin, the enterprising and progressive Mississippi street grocer. Mr. Tobias referred to Mr. Maurin's worth and ability and expressed the opinion that no more capable man could be selected to fill the responsible position of chief executive of this wide-awake and growing town. Jas. Von Lotten seconded the nomination of Mr. Maurin, and on motion of C. Kline, seconded by B. J. Vega, the nominations were closed and Mr. Maurin was made the unanimous choice of the meeting. A committee consisting of Geo. H. Richard, Walter Lemann and Louis Dehon were appointed to escort Mr. Maurin to the platform, and as they returned to the courtroom accompanied by the nominee the applause was deafening. After being presented by Mr. Pugh, Mr. Maurin made a short talk, thanking the voters for the honor conferred upon him, indorsing the resolutions previously adopted, pledging his best efforts toward the extension of the waterworks and electric light systems and the erection of a new schoolhouse, and promising to give the town as honest and clean an administration as lay within his power. Mr. Maurin's remarks were received with applause and cheers and it was very apparent that the sentiments he expressed were coincident with those entertained by the assembled voters.

Following Mr. Maurin's address and a selection by the band, the voters of the first, second and third wards were called together to select the candidates for councilmen from their respective wards. In the first ward G. A. Godran offered the names of James Fortier and W. A. Dill and Lucien Acosta nominated James Von Lotten. A lively and interesting parliamentary fight followed on the method of selecting the candidates, it being finally decided to vote by ballot for two of the three aspirants. Walter Lemann and Capt. S. A. Poche were appointed to conduct the balloting, and the result of the vote was as follows: Von Lotten 26, Dill 20, Fortier 17. Messrs. Von Lotten and Dill were declared the nominees. In the second ward David Israel, Jr., was nominated by Edmund Maurin, B. J. Vega offering a second, and Michael Tobias was nominated by Mr. Vega, Wm. A. Terrio seconding the nomination. Dr. J. L. Webre placed in nomination J. J. Leche, and on a division Messrs. Israel and Tobias were selected with only one opposing vote. Jno. F. Terrio nominated J. E. Blum and W. D. Park as councilmen from the third ward, and on motion of Wm. Pforsheimer, unanimously seconded, the nominations were closed and Messrs. Blum and Park were elected by acclamation.

For the offices of treasurer, collector, secretary and chief of police, the present incumbents, Jos. N. Gisclard, Henry A. Terrio, R. Henderson and D. Variati, were unanimously nominated to succeed themselves. Mr. Gis-

clard was placed in nomination by Geo. Richard, Mr. Terrio by B. J. Vega, Mr. Henderson by Walter Lemann, and Mr. Variati by Caleb Weber. The applause following the selection of Mr. Variati for chief of police was particularly hearty and enthusiastic.

On motion of Walter Lemann, the chairman was authorized to appoint a committee of seven, to consist of two representatives from each ward and the chairman of the meeting, whose duty it shall be to fill any vacancies that may occur in the ticket prior to the election and to attend to filing the nomination papers of the candidates. Mr. Lemann also moved that the ticket be designated as the "People's Ticket," with "Progress" for a motto and a school building for an emblem. The motion was enthusiastically applauded and adopted, after which the meeting adjourned.

The full ticket nominated is as follows:

For Mayor—Charles Maurin.
Councilmen—First ward, Jas. Von Lotten and W. A. Dill; second ward, David Israel, Jr., and Michael Tobias; third ward, J. E. Blum and W. D. Park.

Treasurer—Jos. N. Gisclard.
Collector—Henry A. Terrio.
Secretary—R. Henderson.
Chief of Police—D. Variati.

In conformity with the motion offered by Mr. Lemann, Chairman Pugh has appointed the following committee: E. N. Pugh, chairman; Walter Lemann, A. S. Poche, Dr. T. H. Hanson, Louis Dehon, Geo. H. Richard and Dr. S. V. Vega.

The Chief inadvertently omitted last week to make mention of the visit of Mrs. L. G. Norton, of Kenesaw, Neb., who was the guest of Mr. and Mrs. E. A. Thibodaux from Saturday, March 11, to the following Wednesday. Mrs. Norton went from here to New Orleans, where she will spend a month on a visit to relatives and friends. She is a charming woman and an accomplished conversationalist, and made many friends during her brief stay in Donaldsonville who cherish the hope that she will pay this section another visit in the near future. Mrs. Norton enjoys the distinction of being president of the Kenesaw Exchange Bank.

The Colonel's Waterloo. Colonel John M. Fulle, of Housa Grove, Tex., nearly met his Waterloo from liver and kidney trouble. In a recent letter, he says: "I was nearly dead of these complaints, and, although I tried my family doctor, he did me no good; so I got a bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold and guaranteed to cure dyspepsia, biliousness and kidney disease, by J. J. Leche and F. L. Trepanier, druggists, at 50¢ a bottle.

A Card to the Public!

To Whom It May Concern: Some months ago the residence of Mrs. M. Werner in this town was painted with Hammar Paint, for which J. Rumsey Duke is the sole agent and which is sold under a positive guarantee by the manufacturers that it will last five years. Because of the mixing with it of some foreign substance, probably by the painter, or for some other unknown reason, the paint which was put on one side of the house became mildewed. This condition, of which the Hammar Paint Company was informed, has not suited them and they have had taken the entire dimensions of the exterior of the building and are now repainting it. They are thus absolutely demonstrating, in no questionable way, that their guarantee is made in genuine spirit and can be unquestionably relied upon.
