STOVE POLISH!

After forty-five years this celebrated article is still acknowledged to be the best in market. It lasts longer on the stove, requires less labor to produce a brilliant polish, has no smell, is neat and clean to use, and more economical than other kind. It makes a parlor cheerful and a kitchen look neat. No family will be without it after having used it once.

DIXON'S PENCILS!

Dixon's American Graphite Pencils,

FOR OFFICE, DRAWING AND SPECIAL USES.

A New Lead Pencil

Of the finest quality, and all grades, from the softest up.

The peculiarity of these pencils consists in their being uniform and reliable, soft, smooth, very black, holding the point in wear; the mark clear and perfect, but easily removed by the rubber; the lead tenacious, the wood old and soft, the finish perfect; pleasant to use, they are wholly American, and no discriminating person will be without them after a trial.

Explanation of grade stamps (copyrighted) on Dixon's Graphite Polygrade Pencils:

S. "Soft"—For heavy work on soft paper; or for directing parcels; too soft for the pocket or general use. S. M. "Soft Medium."—For general commercial or pocket use; very smooth. M. "Medium."—For the accountant's desk, reporters, backs, and all uses where a smooth, black pencil is wanted that will last well in fine work. H. "Hard."—For architects, civil engineers, draughtsmen, &c.; a very fine, clean line. V. H. "Very hard."—For the finest lines. All these grades yield easily under the rubber.

It must be remembered that different hands require different grades of pencils, the same as they require different pens. The "S. M." will suit some parties for the uses set down for the "M." and the "M." will suit many hands for general use. We find that even Stenographers differ, some requiring a softer pencil than others. The "M." was specially designed for them, and suits the majority, as it does the majority of Accountants in Banks and Offices, but the "S. M." is popular for general use. Samples free.

THE NEW WONDER!

Nature's

HAIR RESTORATIVE

"Ring out the old, ring in the new."

No LAC SULPHUR—no SUGAR of LEAD—no LITHARGE—no NITRATE of SILVER—not a Health nor Hair DESTRUCTIVE.

All other articles called by its name are DYE., and it is well known that they destroy, not restores the hair.

This is the FIRST and ONLY real RESTORATIVE ever discovered.

It is clear as crystal, pure as amber—a delicious wash.

It keeps the hair fresh, moist, soft and tractile.

It restores gray hair to its original color by the simple process of new growth.

It relieves and removes all tendency to headaches which proceed mostly from the same causes, aggravated by pernicious treatment through the prevaling "Restoratives."

Use it straight along, and at 70 you will have the hair you wear at 17 or 20, as its habitual use is a certain preventive, even to extreme age, of falling off, baldness and gray hair.

It is the only dressing not injurious to the hair of children, and promotive of its health and luxuriance. Little shavers should let their mothers or nurses apply it. Older ones should be sure that their barbers have the genuine article.

Infinitessimal animalcule, discernable only with powerful microscope, infest the roots of the human hair and scalp when neglected and unhealthy. The Restorative contains their perfect bane, selected from Nature's store-rooms, which ingredient the Patentee has the sole right to use. It destroys these, removes all impurities, fructifies and fertilizes the scalp—treating only causes.

Its appearance is reasonable testimony, but in its use will be found conclusive proof of all these facts.

Put away every other article called by the name, for none else is true. Renounce all pot-ions, pomades, fats and oils.

"Ring out the false, ring in the true."

The Daily Argus.

(Concluded from Second Page.)

Father Marquette died on the desolate shores of Lake Michigan, in a miserable hut, destitute of any comfort and attended in his last moments only by two rude, but faithful men, who had been his companions from Green Bay. They interred his remains in a shallow grave, marking the spot of his resting place with the emblem of the Catholic Christian.

"And thus," remarks Garneau, "ended the valuable existence of one whose name, too little known to his own age, will be remembered, when hundreds of those which however loudly sounded in the present, will have passed into utter oblivion."

Monuments of brass or marble are erected sometimes to military heroism or eminent civic services, but such monuments are perishable—the eating tooth of time destroys them.

No such monument has been raised over the humble grave in which the remains of Marquette repose, nor is it needed.

The remembrance of his apostolic zeal in the work of Christianizing the savage, of his cheerful obedience to the calls of duty, of his devotion to the cause of science, of his toils and sufferings, of his last aspiration, "I know that my Redeemer liveth and that in my flesh I shall see God;" such a remembrance, cherished in the heart of every one who can appreciate true heroism, is the noblest and fittest monument to *Jacques Marquette, the disciple of Loyola, the discoverer of the Mississippi.* Such a monument can never decay.

After the address the duet, "On the Field of Glory," which had a martial ring about it, was sung by Messrs. Cronin and Dierkes, with an infusion of manly spirit that made the blood tingle in the masculine veins.

It was followed by a beautiful trio, "Through the World," sung with taste and skill by Mrs. Karst and Messrs. Cronin and Dierkes.

A lyrical ode to Marquette, written for the occasion, by Prof. McGiveny and adapted to music by Prof. Gilsinn, was then sung with appropriate expression by Mrs. Karst and Messrs. Cronin, Dierkes and Tubbs, and was listened to with much pleasure by the audience.

Among the well-known gentlemen present were Cols. Normile and Geo. Knapp, ex-Gov. Reynolds, Judge Speck, W. H. Stone, M. C., of St. Genevieve, Mo.; Senator Rosier, Wm. H. H. Russell, Dr. P. S. O'Reilley, Dr. Isaiah Forbes, ex-Mayor Geo. McGuire and Mr. Cobb. Mayor Brown expressed his regrets at not being able to attend, owing to important official duties.

Epizootic

Or Horse Distemper.

ASURECURE

Give half an ounce of RENNE'S PAIN-KILLING MAGIC OIL, mixed with two ounces of water, making the horse swallow it. Repeat twice a day, before eating in the morning, and after eating at night. Bathe the throat and neck freely three times a day with Magic Oil, over. Take a pail of water, put in half an ounce of Magic Oil, stir it up, and sponge out the nostrils and mouth three times a day, using fresh water each time. Wash out the manger with Magic oil and water once a day, to disinfect it. Give only a little feed at a time, and give it fresh three times a day, and of such character as to tempt the appetite, such as potatoes, carrots, bran-mash and salt hay. Must be well blanketed, and have plenty of clean bedding.

This remedy is not only a preventive, but a sure cure; only use the Magic Oil freely and persistently. It has been thoroughly tried, and has not failed in a single instance. Its use externally and internally neutralizes the virus, subdues the inflammation, and tones the stomach.

Dr. JOHN BULL'S REMEDIES.

Dr. JOHN BULL'S

GREAT REMEDIES.

Dr. JOHN BULL,

MANUFACTURER AND VENDER OF THE

Celebrated

Smith's Tonic Syrup

FOR THE CURE OF

Ague and Fever,

OR CHILLS AND FEVER.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain of cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S

SARSAPARILLA

Read the following extract of a letter from Mrs. Rivers, wife of Reverend Dr. Rivers, one of the most learned, eloquent, and popular Ministers of the Methodist Episcopal Church, and who is at present stationed at Broadway Church, Louisville, Kentucky.

LOUISVILLE, KY., Oct. 8, 1869.

DR. JOHN BULL—Dear Sir: Many thanks to you for the medicine you have so kindly given me. I have been a great sufferer for years, and had the advice of various physicians. Some pronounced my spine, some my lungs, and some my heart, to be the seat of my disease. I have been burnt, blistered and cupped until I had become disheartened. Several very eminent physicians who examined my spine informed me that I was threatened with paralysis or apoplexy any day, and that nothing but a section would relieve me. I had a perfect horror of that, and was hesitating about having one inserted, when you kindly sent me your Sarsaparilla which I immediately began to take three times a day. I had suffered terribly with a most acute pain in the right side of my head, especially when I would read or write for any length of time, and on raising to my feet I would be perfectly blind for several minutes, and would have to hold to something to prevent falling.

I am most happy to inform you that the pain in my head is entirely relieved; I suffer but seldom with my spine and then not so acutely. My appetite is good; indeed for the first time in my life I enjoy my dinner more than any other meal during the day.

You kindly sent me four bottles again last night, and I began again this morning, and I hope to be entirely relieved. Please accept my heartfelt thanks and best wishes.

Very truly your most greatful friend,
Mrs. B. C. RIVERS.

My journal abounds with similar letters, all of which I guarantee to be genuine and written by the persons whose name they bear.

Do not suffer yourself to be imposed on. Don't be drawn away after new and doubtful experiments. Don't risk your health by letting novices experiment upon you with their trash.

My Sarsaparilla has stood the test of twenty-five years; it is still the Sarsaparilla of the day, and of the age, towering over all others in popularity and its curative qualities.

Avoid all those who are trying to palm off on you other extracts of Sarsaparilla so-called. Remember it is Dr. John Bull's Sarsaparilla, of Louisville, Ky., that is the old and reliable remedy for impurities of the blood and scrofulous affections. Always bear that in mind.

ANOTHER TESTIMONY.

BENTON BARRACKS, Mo., April 30, 1866.

Dr. John Bull—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago, and taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than anything else. I wish that which is genuine. Please express me half a dozen bottles, and oblige.

CAPT. C. P. JOHNSON,
St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson

Dr. John Bull—Dear Sir: My husband, Dr. C. S. Johnson, was a skilful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhœa and scrofula, for which I gave your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cures effected in some cases of scrofula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover.

Respectfully,
JENNIE JOHNSON

BULL'S

WORM DESTROYER.

EXTRACT FROM A LETTER FROM GEORGIA.

VILLANOW, Walker Co., Ga., June 28.

Dr. John Bull—Dear Sir: I have recently given your Worm Destroyer several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice and have daily use for some article of the kind.

I am, sir, respectfully,
JULIUS P. CLEMENT, M. D.

P. S.—So unqualified and numerous are the testimonials in favor of my Worm Destroyer that news paper space is entirely too small to tell its merits.

It is an infallible remedy for Worms. Try it and be convinced. See my Journal for more full description.

PLOWS AND CULTIVATORS.

THE GENUINE

MOLINE PLOW

These Plows have for the past quarter of a century successfully maintained the reputation of the

BEST PLOW IN USE.

Our list comprises all sizes and every variety of style, suited to the different kinds of work and all qualities and conditions of soil.

Would call attention to the improvements made in our Plows for the coming season. In outline, perfection of shape, finish, EXTREME HARDNESS OF WEARING PARTS, and in steadiness, ease of draft, and turning qualities, their superiority is unquestioned.

☞All genuine Moline Plows bear the above brand. Look to it, and avoid deception;

JOHN DEERE'S

IMPROVED WALKING CULTIVATOR

THE "ADVANCE,"

HAS MANY POINTS OF SUPERIORITY OVER THE MANY CANDIDATES FOR PUBLIC FAVOR.

Its Double Arched Wrought Iron Frame gives greater strength, and enables us to use a single tongue, affording better facility in turning, and less liability to accident.

Its Height of Axle gives greater clearance for tall corn.

Its Whippletrees Lowered to the direct line of draft relieves all downward pressure on the end of tongue.

Its Improved Safety Break relieves the shovels and beams from extraordinary strain when meeting an obstruction.

Its Wrought Iron Coupling gives greater strength and durability to this, the vital point in all Cultivators.

Its Shovels are Adjustable to deep or shallow work, as well as to throw to all either way.

It is essentially a Wrought Iron Machine.

Either Wood or Iron Beams are furnished, according to preference.

These improvements commend themselves to the farming community; and you have only to examine the "ADVANCE" to be convinced of its superiority.

FOR INTERNAL AND EXTERNAL USE.

We challenge the world to produce a remedy which will prove by actual test a more speedy, certain and effectual cure for all Pains of whatever form, external or internal, acute or chronic, deep-seated or otherwise, than

SEVEN SEALS OR GOLDEN WONDER!

It will effect a speedy cure in all cases of Headache, Neuralgia, Toothache, Sprains, Cholera Morbus, Diarrhœa, &c., and especially Rheumatism. It cures pain almost instantly, and this is the grand secret of its success, for in hundreds of cases where this preparation has been used it has saved life, after science and skill have been completely baffled, all hope abandoned, and the patients life despaired of. No. 277 & 279 S. Clark St., Cor. Van Buren,

CHICAGO ..... ILLS

It is well known by all readers of this paper that Dr. C. Bigelow is the oldest established physician in Chicago, who has made the treatment of all chronic and sexual diseases a specialty. Science and experience have made Dr. B. the most renowned SPECIALIST of the age, honored by the press, esteemed of the highest medical attainments by all the medical institutes of the day, having devoted TWENTY YEARS OF HIS LIFE in perfecting remedies that will cure, positively the worst cases of CHRONIC AND PRIVATE DISEASES of the GENITO URINARY ORGANS in both sexes, Seminal Weakness, producing Nervousness, Aversion to Society, Impaired vision, Loss of Memory and Manhood, perfectly cured. It is evident that one who confines himself to the study of certain diseases, treating thousands of cases every year, must have greater skill than a physician in a general practice. Read his MEDICAL TREATISE for ladies and gentleman. Sent free to any address in sealed envelope. Consultation free. The finest rooms in the city, with separate parlors for ladies and gentlemen. Call; you see only the doctor. Correspondence Confidential. Address all letters to DR. C. BIGELOW, No. 464 State St. Office hours from 9 A. M. to 8 P. M.; Sundays 2 P. M. to 5.

N. B.—Ladies, send for a descriptive circular of *Pessaric Remedies*, the best prevention of conception known. Sent to any address; enclose stamp.

The following testimonial as to the skill and success of Dr. C. Bigelow was published in this city.

From the Chicago Times Oct. 20, 1864.

DR. CHARLES BIGELOW.—Nearly three years since we welcomed the arrival in our city of Dr. C. Bigelow, one of the very few gentlemen of undoubted ability who have made diseases of the sexual organs a specialty. He is still among us, and during his stay has gained, in an eminent degree, the confidence of the community. He has proven himself to be a thorough master of all that pertains to the structure and pathology of the sexual organs, and well skilled in the means of effecting a radical cure of all kinds of private diseases. In his treatment of spermatorrhaic complaints, he is unequalled, and those troubled with those derangements should at once consult him. Dr. Bigelow is one who may always be relied on. He does not promise a cure for the sake of a fee. His rooms are centrally located at No. 464 South State street, and are admirably fitted for the convenience of patients.

Saws.

Boynton's Lightning Saws.

Not One Failed in 20,000

Two men cut a 12 inch log by hand with this saw, in EIGHT SECONDS, on Sept. 1, 1869, at Philadelphia, in the presence of Major Gen. Meade and numerous other distinguished men.

These are the only saws in operation that are equivalent to the front Cutting and Clearing of a Hand Saw BOTH ways, viz: going and coming. The slant edges between the points do not cut, the vertical face of each M cutting, and the slant following, and vice versa, as drawn back and forth. All Teeth are cutters. All Teeth are Clearers. As it costs five hundred or more dollars for the labor that wears out any saw, a saving of one-fifth by speed and ease of an improved saw saves the cost of a dozen. The length, strength, stiffness, and durability of these teeth are obvious. Note also speed, ease, simplicity and clearness.

SPEED.—If two points are dressed to cut in line, vertical or advancing cuts are more effective than retreating edges of old V cutters used by all other saws.

EASE. It is easier to plow a groove in timber than to crush one out.

SIMPLICITY.—All points are the same length and cut their way. We do not now recommend thick raking and close teeth, as they require much shortening and re-adjustment.

CLEARANCE.—Cutting by projecting faces, these M teeth clear like a plow, simultaneously.

These saws are universally conceded to surpass in speed, in ease, and simplicity. If any one questions it, let him accept my $500 challenge (towards expenses of a public contest), and have the matter settled. New enlarged dust-spaced Saws for sale by the Hardware Trade of America. Agents wanted where the Hardware Trade do not sell the genuine saw. Infringers prosecuted. A
