CITY.

OFFICIAL PAPER.

FRESH OYSTERS.—At Wier's restaurant served up in all styles.

Livingston received the blue ribbon and diploma for the Milwaukee Trunks at the Rock Island County Fair.

FOR SALE OR RENT.—A house on Swan street containing seven rooms in good order, by Balch & Frazer.

Jonas Bear's clothing and gent's furnishing store is celebrated for keeping goods and selling at fair prices.

REMOVAL.—Livingston has removed to McDonald's old stand, opposite Kiewit's.

MERCHANT TAILORING.—If you want a fashionable and good fitting suit, try our first cutter, Mr. Ten Eyck.

The Weather.—To-day.

The following shows the temperature at various places to-day, as indicated by thermometer:

CERTIFIED CHECKS ON Rock Island, Davenport or Moline banks will be received at Wadsworth & Parsons's for all accounts due them, and in payment for any goods.

FOUND.—By the police, in Court Square, this morning, the clock (already used for four or five years) with limbs and other trimmings.

A "Home Guard" is talked of to protect our citizens against the outrages of policemen and rid the corporation of rascals.

Inasmuch as the editor of the Union has had experience, both in the "Home Guard" and with rascals, he would be a very proper person to take the lead in the movement.

Pay all Little Bills.

There is one system in a period like the present, that ought to be adopted by every body.

THE QUEEN OF SEWING MACHINES.—The beautiful rooms of the Wilson Sewing Machine Company have become one of the most popular business places in the City.

A Bad Lot.

Here is a list of a bad lot now in the Davenport jail waiting for their just deserts at the October term of the Scott County Court.

FRANKLIN CROSSING, Sept. 24, '73.

DEAR SIR.—I claimed to take up a copy of the Moline Review to-day, and a notice under the head of "Democratic Ticket" the names of the nominees for our Farmers' Anti-Monopoly ticket.

The above appeared in the Weekly Union last week, and in the Daily Union Sunday morning, and is a pretty rebuke of the ungentlemanly treatment of the Farmers' Anti-Monopoly ticket by the Moline Review.

The many young friends of Edward H. Gayer (son of Judge S. G. Gayer) will be glad to know that he has passed a most successful examination at the University of Michigan at Ann Arbor, which institution he has entered as a student for the course. Eddie, as we are accustomed to call him, has been two years in Germany at school and also traveled considerably and intelligently well absent. The Argus was always a friend to the boys, and we are glad to note the good standing of our Rock Island boys. It is a credit to any young man to pass the severe ordeal of an examination at the University of Michigan.

A Better Look.

There seems to be a more hopeful financial feeling in New York and Chicago. The Union National and the Cook County National rounded this morning. The Union National is the bank with which the First National in this city does business and of course that releases their balances so they can be used.

The question is being raised as to the effect of these suspensions. It is held by some that it vitiates their organization and will compel them to wind up, if prosecuted. But we presume no one will be technical if they resume very soon.

The Moline National (Wheelock's bank) has got the "age" of all of them in this country, for that institution never suspended at all.
