CEDAR RAPIDS, Oct. 30.—The fearful accident by which J. B. Warkins. Supernonered about three miles west of this ent's car was in the rear of the Pacific ex is no deception in bottles as they hold one-half more than those sold for the same size. That they are in every particular like his celebrated Cream Baking Powder, fust as represented.

eat s car was in the rear of the Pacine express from the west due here at five o'clock. In it were Albert Keep, President, James Howe, General Manager, Marvin Hughitt, General Superintendent, Chief Engineer Johnson, W. Ferry, Director, and Hon. Horace Williams, on a tour of inspection of the resident of the Pacine expression of the P the road. At the point of the accident the engine broke down, and a brakema slid down the track, striking a blaze light all the way. Just before the col sion the engineer jumped and escapes. The fireman staid on the engine, and nar rowly escaped death. When the engin the contains no quinine which splits the struck the express train it wrecked itself head and stops the ears.

But its combination is simple containing only a few innocent drugs that any child or Pulman's and the Directors cars, the iror railing striking him just above the hip and cutting his left leg nearly off below the trunk and forcing out the bowels. He lived twenty minutes, and was conscious almost to the last, in the greatest agony. He asked aid and to be gotten out of the Hickory, w cord.
