A Full and Complete Stock of Burial Cashets of every description Orders by Telegraph or Telephone Prompily Fine

Livery, Feed; STABL

TO THE PU Greenville, Miss, October The advent of Railroads has so crippled the Livery

we have decided to embark largely in the SALE OF HORSES AND M for the purpose of facilitating business. Have this day F. HUNT an interest in said business. His popularity this and adjoining countles is such that we confident many friends to at least give us a call before order. We intend to give buyers sound Stock. Should were as sound and it should prove otherwise, it will only in call for a return of purchase money; and it will give by to find us, as we are not here to-day and somewhere

We live here and want your patronage. Mr. Hunt leaves this evening for the Horse Marte. and will return about the 25th inst, with an asserted seand Harness Horses and a few Mules. Parties design gait, color or shape can have their wants supplied win lots. Later in the season will keep our lots full of en

We also carry a full line of Buggies and all kinds

Tais, our new departure, will not interfere with or the Livery and Feed business. Respectfully, HEAD
