ASTOUNDED THE EDITOR.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, loss of appetite, stomach and liver troubles it's a positive guaranteed cure. Only 50c at Finlay's drug store.

Read what Dr. Johnson, of Stringer Miss., says about Acid Mineral Water. I have used Acid Iron Mineral water in my practice for nearly 5 years. I have thoroughly experimented with it, and find it has no equal a nerve, blood purifier and liver medicine. Nothing surpasses it in the treatment of Indijeston Dyspepsia and Chronic Diseases, especially of Tumores, diseases of the generative organs—in male or female. For Prolopsus and Irregular mensus, nothing can compete with it. It stands as an antidote against half the diseases of the human family. Signed, DR. R. JOHNSON.

Wanted.

It is a great seller and is sold on its merits. $75 to $100 per month can be made by an energetic salesman. Address, J. N. CATCHINGS. 327 Washington Ave. Greenville, Miss.

ARE YOU THINKING

No family afte once thoroughly trying Acid Iron Mineral Water will be without it. If you are suffering from disease try it. Don't say it is impossible for it to do all that is claimed for it. Impossibilities are being accomplished daily by man. Why cannot nature surpass him?
