

THE GRANITE AND BRONZE.

WHAT IS BEING DONE WITH THE STATUE AT THE PEDESTAL.

It is Probable that the First Box will be Opened Next Week—Pickett's Division—Army and Navy Men—Other Items of Interest.

From the Baptist College to the Lee pedestal yesterday the scene presented was a busy one. Workmen were engaged laying cinders on the sidewalks, macadamizing the streets, filling in the mud holes and putting the finishing touches to the pedestal.

At the pedestal, the workmen were engaged in the pedestal, and was being shied in place. It was not an easy job, for the pedestal was heavy and the workmen were pushed under it, and prized up by hand.

It is the intention of Superintendent Cole to mount the whole statue on the pedestal, just as it is to appear on the pedestal, before he moves it up to the top.

It is not probable that the remainder of the Pickett Division will be sent to the monument at Hollywood, where the organization disbanded, and it is not likely that the monument will be erected at that place.
