Kemper county, has been rewarded by receiving an appointment as clerk in the treasury department at

It is said the Teanessee legislature is going to introduce the Moffet whisky bell punch to raise money to pay off the public debt. It would be wise in our legislature to pass a similar law. There's millions in it.

WE learn that Gen. Lowry and Judge Mayers Jost heavily by the failure of the Brandon bank; in fact | regard to the retrenchment policy of that they are almost ruined. They have turned over all their property to meet the responsibilities of the institution and save the creditors.

THE Vicksburg Commercial is now called by many of our exchanges the "best paper in the State," and we believe they are about correct. There is certainly a journal of our acquaintance.

Mr. Hayes has given out word that he will receive no presents on the occasion of the silver wedding inst .- [N. O. Times.

Probably he feared the ninemight be run in on him.

WE see by some of our exchanges that Hon. C. E. Hooker has been spending a few days at home with his friends. We hope he will not forget to assist in getting us out of the log seizures in this section when he returns to Washington. We, of this part of the State, greatly need the aid of wise and judicious con дтезчшев.

An orange tree in the Azores in which were exported in perfect condition to England .- [N. Y. Sun.

We will venture the assertion that the man who wrote the above was so full of Christmas "fixins" that he could not tell an orange from a railroad bridge, and that he imagined oranges grew on trees as large as white oaks, and that the fruit was the size of huckleberries.

who took an active part in the presidential campaign and the during his term.

GEN. N. B. FORBEST, who died

and only needs transcribing to be ready for the printer.

THE Mobile Register has laid unde its old material and donned a beautiful new dress, which makes it look as young as a girl of eighteen The Register is a staunch and true defender of democratic principles and an ably edited paper, and should be well supported.

one of the most hope ul signs of the times" that Senators Conkling and have been employed in the lumber can furnish.

A great deal has been said through the State press of late in while we are fully aware of the popularity of this side of the question, still we feel that retrenchment might be carried a little too far in our zenl to carry on the affairs of the commonwealth in an economical

We do not believe the people's money should be wantonly squanfreshness and vim in the get up of dered by those who have the power the Commercial not found in any to legislate, neither do we think that the great and growing State of Mississippi should be fettered and hampered in the many public im soil.

FIELD JOTTINGS BY INNOCENT.

OCEAN SPRINGS, Jan. 1, 1878. RESULTS OF LOG SEIZURES.

The new year has dawned upon us and gladly it is welcomed by THE cry of "fraud" is now being many. How many good resolutions shricked by prominent republicans are to-day made that will be carried off? It is a question that three hundred and sixty-five days can electoral conspiracy. We should only answer. Does the new year not wonder if Mr. Hayes is becom- drive from our portion of the coast ing a little nervous, and is begin that dark and threatening cloud ning to believe that a man who that so tyrannically hangs, like the fraudulently usurps the presidential sword of Damocles, over our com- friend Mr. Vancleave, having been chair will have a tough time of it munity? If it does not the result accepted, the petitions are circuwill be fearful. How few of our lating from house to house-some people know the circumstances of signing immediately, others hesiour laboring class. Make no diss tating, and some wishing to be not long since at Memphis, in his tinction as to condition, for we are neutral, have refused. Now who's tween Mason C. Cummings, esq. will requested that his body be in- all human, children of the same to gain?
