Members of the Keystone Bowling Club are in hopes of practicing tonight at Bloodgood's alleys.

The high school basketball players practiced in Bragg hall yesterday afternoon.

The St. Anthony B. C. is scheduled to hold a business session tonight in its rooms in State street, to elect a new baseball manager in the place of Seigun, who resigned recently. Thomas Walsh will probably be elected. Other baseball matters will be discussed and their recent pinocle tournament will be talked over.

The Puritan A. C., following such a gala affair as they held Wednesday night, should be in a position to resume sporting attractions in the near future. Chess tournaments are scheduled to resume tomorrow night. There will most likely be a meeting of the Puritans Monday night.

The committees from the Lyceum F. C. and the Marion A. C. report that the proposed amateur league plans are rapidly being formulated. If all the clubs do not join that have been notified, communications will be sent to other clubs within a day or two.

It seems very evident that the proposed nine, which Lester J. Underhill had Matthew Roddey proposes to manage, will play on open grounds here the coming season. As yet nothing has been done with Amusement Park.

Members of the Young Men's Club and a few of their friends will practice bowling tonight at Kirby's alleys.

Baseball talk is being heard faintly among fans and players in and about Ford's. The Ford's F. C. will shortly reorganize for the season, with much of the old material, together with some new men.

The youngest class of athletes of the Danish Sociable Athletic Club practiced gymnasium work last night.

Every one of the National men will recognize Eddie Craig as one of the best second basemen that Manager Waters ever had. Smith, another Trentonian was another player recognized to be of the right calibre. He played at third station a few times.

Tomorrow afternoon L. D. Wood, Jr., manager of the Morgan Gun Club, together with Messrs. Bloodgood and Shelve, will go to Matawan to shoot for sweepstakes.

A private bowling match for a \$25 side bet, between Mr. Schmidt and the Kirby bowling aggregation, and W. Swade, of the Amicitia, may be held about the middle of next week, on Bloodgood's alleys. Schmidt has trimmed the Staten Islander in every match except one on Staten Island, and the bowlers are eager to meet on neutral alleys.

Concannon will play next Wednesday again in the state pool contest, with Walmsley.

Tomorrow evening there are scheduled to be two basketball contests among juvenile teams from this city and Totenville. In the first game at 9 o'clock, the South Baptist Brotherhood expects to meet a pick-up team from Totenville. At 10 o'clock, the Knights of the Round Table and the Imperials expect to clash.

The Keystone's lineup for Monday night, when they bowl against the Kirby byites, is expected to be as follows: S. Yates, E. Mallet, A. Simonsen, J. Dolan and B. Golden.

Messrs. Golden and Bloodgood, of the Keystone Bowling Club, are trying to arrange private match games with the Woodbridge A. A. and the Metuchen team. Golden has communicated with the Woodbridge association and a game seems probable. He is now trying to reach the management of the Metuchen outfit.

A pick-up basketball team from this city, composed of Young Raritan baseball twirlers, will play against a team from public school No. 1, in Totenville, tomorrow afternoon.

CONCANNON'S
CHANCES LOOK
MORE CERTAIN

Special to the EVENING NEWS.
Newark, Feb. 5.—In the state championship pool tournament last night, at the Elite pool and billiard academy, Harold Blair, of Morris-town, won from Joseph Ryan, of Jersey City.

Blair, who ranges among the tail-enders in the standing, had an easy time in winning from Ryan, the score being 150 to 94. A feature of the game was the excellent work of both contestants, but Blair's work was exceptionally good.

This tightens Joseph Concannon's grip on first place, and the Amboyan is better assured than ever that he will win first money. When he and Ryan had lost a game it was feared that the Jersey Cityite might overcome Concannon before the finish of the tournament.

In the contest on Wednesday night Walmsley bested Blise by a handsome margin. Tonight Charles Walmsley, of Paterson, will go up against Edward O'Brien, of Somerville.

CARTERET A. C. GETS
TOGETHER FOR SEASON

Special to the EVENING NEWS.

Roosevelt, Feb. 5.—The Carteret A. C., a fast amateur baseball aggregation, has organized for the season here and would like to book games with amateur or lightweight semi-professional nines. Games to be played on opponents grounds.

The team was organized a few nights ago and Daniel Belafsky was chosen as manager, to whom all communications should be addressed at Chrome, N. J. J. W. Waldman is captain of the team and E. Coughlin is treasurer.

The Carteret A. C. is a strong and fast young nine, which exhibited good playing abilities last season which they plan to improve upon this year.

PICTURES OF OLYMPIC
GAMES IN DEMAND

The demand for Spalding's Official Athletic Almanac for 1939, edited by James E. Sullivan, United States Commissioner to the Olympic Games of 1936, necessitated a second edition of the book within a week of its publication. The scenes at the Olympic Games have attracted a great deal of attention, sixty or more pages of the Almanac being devoted to that portion alone. Some of the most interesting are those depicting Dorando's heroic attempt to finish the Marathon. The photographs explain clearly why it was necessary for the American Committee to protest the decision of the judges and referees in awarding the race to Dorando.

The first photo shows Dorando receiving attention from British Olympic officials, Perry, the groundsman, being strongly in evidence. Another one shows poor Dorando being supported by two officials, Messrs. Andrews and Bulger. The third picture shows him being led around the track by Mr. Andrews, the clerk of the course, and closely attended by two other British Olympic officials. In the next photograph Dorando is seen stretched on the track receiving attention from Dr. Bulger and another British official, while Mr. Andrews stands on guard. The next picture shows Dorando lying on the track, being attended by Dr. Bulger, with British officials, including Secretary Fisher, who was one of those who awarded the race to Dorando, although he had received assistance. On page 130 of the book is the most interesting picture of the Dorando series. Dorando has collapsed eighty yards from the finish. Dr. Bulger is examining his heart, another British official is shown in the act of giving him medical attention, while Mr. Davidson, who had just entered the arena, is anxiously looking toward the gate with Mr. Andrews. To those who were at the Olympic Games the anxiety of the two officials is easily explained—at that particular moment John J. Hayes, the American winner, was entering the arena. The sequel is shown in the next photograph; Dorando being carried across the line by J. M. Andrews, clerk of the course of the Marathon race.

Notwithstanding the fact that these scenes were witnessed by all the British Olympic officials, they nevertheless gave the race to Dorando and forced the American Committee to enter a protest, which should not have been necessary.

On page 134 Hayes is shown finishing the Marathon race; this photograph was taken when he was at least sixty yards from the finish and shows that Hayes was running very well indeed for a man who has gone the full Marathon distance and proves conclusively that he did not require the slightest help to finish the race.

Spalding's Athletic Almanac is for sale by all newsdealers, or will be sent post paid for 10 cents by the publisher, the American Sports Publishing Company, 21 Warren street, New York.

KEYPORT FIVE
IS DEFEATED
BY BIG SCORE

The basketball team composed of young men who are planning a branch of the Y. M. C. A. here, took the men's team of the Century A. C., of Keyport, into camp last night by a score of 59 to 16.

At the end of the first half the score was 24 to 10. Schmidt started with a basket and then secured two more within five minutes of play.

The match took place in Bragg hall, where a fair-sized audience gathered. Through a misunderstanding the game had been advertised to be with the ladies' team of the Century A. C. The teams lined up as follows:

Perth Amboy Century A. C.
Hottel, Brennan Walton
Booz Maurer
Schmidt Brown
Wight Rogers, Andersen
Hanson, Crowell Cheamy, McDonald

Score: Field goals, Brown, 3; Maurer, 2; Rogers, 1; Booz, 4; Hottel, 4; Wight, 2; Hanson, 1; Schmidt, 6. Goals from fouls, Brown, 4; Schmidt, 5. Referee, Mr. Williamson; time of halves, twenty minutes.
