

**P&Q****Clothes**

## No Others Even Resemble P&Q Clothes

When the men in Perth Amboy talk 'bout style, they think P&Q. The two go together in the minds of men every bit as much as "Sterling" and silver.

And all because they've learned that P&Q Styles are not seen elsewhere until months after they've been shown in the P&Q Shop.

So, every P&Q Garment for Spring has that latest New York City style touch to it—the same styles that you'll see on Broadway and Fifth Avenue TODAY, not what you saw six months ago.

The minute you look at them, they hit you right square in the eye as being "different." And you never did see such a variety of "different" styles under one roof before. It can't be done.

We don't have to talk "quality" to you men of Perth Amboy. You have learned by this time that P&Q really means Lowest in Price and Highest in Quality—that our wonderful success is due to the "Q" we've always given you—the Quality. And you've learned that we give you such astonishing quality because we not only operate 20 stores on the "low cost-chain-store" system but we sell P&Q Clothes "direct-from-maker-to-wearer", thus eliminating the middle-man and his profit.

Just as sure as the sun is going to set tonight, it's just as sure that you can't get clothes that are as good as these elsewhere for less than \$5 to \$10 more.

## Daniels "Eight"

The Distinguished Car

LOOK for these cars of distinction on the finest boulevards of Long Island, New York and New Jersey. Visit our New York showrooms, where DANIELS open and closed models are on exhibition, a few models ready for immediate delivery.

Bring your wife. She will appreciate whatever of Daniels Distinction is visible to the eye—the radiant charm of color, lines and appointments blend with admirable artistic restraint.

But only your own hand at the wheel, throughout the four seasons, can reveal the underlying distinction that expresses itself in sterling performance and unflinching conquest of all road and weather conditions.

You may carry out your own ideas about body design in our factory in conjunction with our expert body builders, where Mr. Daniels personally inspects every finished Daniels car.

**Beautiful Bust and Shoulders** are possible if you will wear a scientifically constructed Bien Jolie Brassiere.

The dragging weight of an unconfined bust so stretches the supporting muscles that the contour of the figure is spoiled. put the bust back where it belongs, prevent the full bust from having the appearance of sagging, eliminate the danger of dragging muscles and confine the flesh of the shoulder giving a graceful line to the entire upper body.

They are the daintiest and most serviceable garments imaginable—come in all materials and styles: Cross Back, Hook Front, Surplice, Bandeau, etc. Boned with "Waichin," the rustless boning—permitting washing without removal.
