Standers, Walkers, "Gets-It" for Corns

World Has Never Known Its Equal. "What will get rid of my corn?" The answer has been found. There is one corn-remover that you can bank on, that's absolutely certain, that makes any corn

Corn-Pain Is Ended—the Corn Is Doomed! on earth right off like a banana skin—and that's magic. "Gets-It" Tight shoes and dancing shoes when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-remover, not a corn-fooler. You don't have to fool with corns—you peel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a bundle of your toes with tape or bandages? Why putter and still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "gone" as the sun rises. "Gets-It" is the surest, money-back, corn-remover, the only sure way, costs but a trifle and is sold by D. Lawrence & Co., Chicago, Ill.

Sold in Perth Amboy and recommended as the world's best corn remedy by Melching Drug Co., Barnekor & Sons, J. J. Buckley, Adv.

COMING RED CROSS ROLL CALL IN TOTTENVILLE

Mrs. Quimby at Head of the Drive—Captains and Workers Appointed

TOTTENVILLE, Dec. 6.—The Fifth Ward Branch of the Richmond Chapter of the American Red Cross has arranged for the Christmas Roll Call of the Red Cross that is to start December 16 and continue until December 23. Mrs. M. C. Quimby has been placed at the head of the committee here in charge of the work and she has selected her captains for the district.

The team captains are Miss Emma Herrel, Mrs. Blanche Cole, Miss Ines Correll, Mrs. Francis Polan, Miss Katherine Messner and Miss Reischner. The latter two will take care of Richmond Valley and Krescherville that is included in the Tottenville district. These captains are each selecting eight team workers to assist them in the house to house canvass that is to be held during the week of December 16.

Last year the local branch enrolled 900 members and it is the plan of the committee this year to secure 2,000 members. The committee is expecting that every male member of a family will enroll as a member this year. The button this year will answer as a receipt and also pay the dollar membership fee will receive one from the team worker or captain who takes the renewal or new subscription.

The Fifth Ward Branch has played an important part in the world war work during the past year and has turned out much work for the Richmond Chapter of which it is a branch. All boys leaving here for camp were provided with knitted goods and other articles used by them in the trenches in France. Much Belgium relief work has been done and is still being continued, all of which deserves the support of the people of this section of the island in the enrollment of new members for Christmas.

CITY IN DARKNESS

High Voltage Wire Breaks Last Night

At about 10:30 last night this city was shrouded in darkness for about a quarter of an hour as many anxious inquiries were made as to the cause of it. The darkness was due to a short circuit caused by the falling of a grounded high voltage wire in the northern part of the city.

Patrolman Gunkel discovered the wire which was splitting fire and alarming the people in the immediate neighborhood. He sent word to the Public Service station, men were dispatched at once and the trouble was settled in about twenty minutes.

The Board of Aldermen have been looking into the matter of these high voltage wires and were to have them placed in a position that would be less dangerous to the people of the community and action will probably be taken at their next meeting in regard to this matter.

Return of Picture Hat

The picture hat with its soft, becoming roll of broad brim as a frame for charming faces is one direct result of the patriotic vogue for black velvet. This handsome Rodgers model is an excellent example of the picture hat at its best, depending for beauty on simplicity and purity of line and appropriate ornament. The single black wing band close to the high crown of this model adds charm without destroying the hat's outlines.

Theatre News

STRAND.

In his youngster days Wallace Field's dream was to be a soldier of fortune. His chief mental food in those days was furnished by the excellent romances of Richard Harding Davis and other writers dealing with adventures in mythical Central American republics.

But, alas, he entered picture work instead, and not until recently has he had a chance to portray his favorite type of hero. In "Lost Than Kin," which will be shown at the Strand theatre today and tomorrow, he has a chance to revel in Central American atmosphere and intrigue. The part of Lewis Vickers in his latest Paramount starring vehicle, affords him a splendid chance to enact the dare-devil type of hero he admired in his kid days.
