

# RICHARDS 61 PINS IN REAR WITH TEN GAMES TO ROLL

## BRIEF BITS OF SPORTS IN ALL FIELDS

In the score of the Rahway-Perth Amboy Y. M. C. A. bowling match published last night, Clarence Hoffman was credited with a 101 score. This should have been 201. The mistake was due to a misprint. Followers of the bowling score are well aware of the fact that the local star does not turn in 101 scores so that the error did not make much difference.

It is probable that Manager Applegate will have other surprises for local fans when he announces the remainder of his lineup for the local representative diamond team.

A good program has been arranged for the firemen's boxing show to be staged in Roosevelt park a week from tomorrow night. A big crowd of local fans will attend.

Once again the Perth Amboy police have organized a baseball team. The team made a good record last season and better results are expected this year.

The Newark Triangles expect to keep their slate clear as far as this locality is concerned. This team twice defeated the Roosevelt Separate and will play the Speedways here Saturday night.

Manager HARRY Applegate's choice for the outfield berths in the local representative baseball team has been the subject of satisfied discussion by the local fans of this locality since the announcement first was made.

The Keystone nine, a newly organized junior team, would like to arrange games with heavy junior teams in this vicinity. A. Gadomski, 711 Parker street, is manager.

Every day the new Y. M. H. A. building is more becoming the topic talked over in athletic circles. Basketball and indoor athletics among the members of this institution will be worked up on a greater scale in the new building and this will aid in boosting athletics generally in the city.

Director Pew of the local Y. M. C. A. is endeavoring to organize an industrial baseball team. Basketball and volley ball leagues have been successfully run off at the local institution this year.

Although big league teams start their regular season today, it will be several weeks before some real dope on the strength of the respective contenders can be judged.

The Roosevelt Separate basketball team may play one or two more games this season. Basketball will go big in the borough next year.

The Arrow Juniors of South Amboy defeated the Royal Star Juniors, 18-3 and the Lyceum Juniors, 13-9.

### YACHT RACING CLUB FORMED

Several Organizations on Raritan Bay Unite to Boom Water Sport

To promote water sports in the vicinity of Raritan Bay several of the leading yacht clubs along the bay shores have formed an organization to be known as the Raritan Bay Yacht Racing Association. Lewis Compton of the local Raritan Yacht Club is president of the association; E. W. Christie of Sewaren is secretary and treasurer.

The present members of the association are the Raritan Yacht Club, the Sewaren Club, the Rahway Club and the Princes Bay Club. It is also expected that the Bentley Club of Totenville and the Keyport organization will join, together with other boat clubs near here.

According to the plans of the association the clubs will hold a series of races for all classes of craft during the coming season, each club acting as host for one event. At the close of the season a trophy will go to the club winning out with the greatest number of points gathered during the contests. Individual prizes for winning boats will also be offered, it is understood.

Each club in the association is represented by two members, Nelson Macan, of the local club, is the second member of the association.

The success of the two races run off by the Raritan Yacht Club last summer showed conclusively that a live boating organization could be formed on the bay and the present association is the result. Boats from the local club also participated in several regattas held by other clubs. All regattas involving power boats will probably be run under the standard rules formulated by the American Powerboat Association. Races, however, will also include events for all classes of water craft and indications point toward an exceedingly active season.

Rev. Wilbert Westcott's Professionals, playing like real "pros" last night won two straight games in the Standard Underground Cable Works team, thus maintaining their standing; the Bankers defeated the Y. M. C. A. team, but were forced to play three games to accomplish it; the Nationals, with only four men in their line-up took two straight from the Lead Works while the Press won two hard fought games from the Atlantic Terra Cotta by means of two points.

The first match of the night brought together the Professionals and Cable Works. The teams seemed to be about evenly matched but Captain Westcott's combination proved steeper and tighter in the pinches. The Cable Works at one time had a substantial lead, but were careless and lost out. The scores were 15-13 and 15-11. Playing with the winners were Rev. Wilbert Westcott, William Westcott, Frank Moss, Nat Goldberger, Ingvald Gronlund, Nat Bartholomew. The losers lined up with Dover, Ryan, Daggenhausen, A. Gardella, J. Gardella, W. Holman, Hollowell.

The next match was the only one in which three games were played before the winner was decided. In this contest the "Y" team, captained by Francis Oliver, but handicapped by the absence of three of their best players, lost two out of three to Capt. Sam Miller's Bankers. The first game went to the "Y" 15-13 but the second was won by the Bankers 15-4. The deciding game was nip and tuck throughout, the final score being 15-11 in favor of the Bankers. The losing team lined up with Capt. Oliver, George Forman, George Forman, George Forman, George Forman.

### RATAJZAK CHALLENGES HUNGARIAN QUINTET

Ted Ratajzak, manager of the E. B. B. basketball team, writes that he cannot remember a defeat suffered by his team at the hands of the Hungarian Catholic Club quintet a report of which was published in connection with the latter team's record in yesterday's News. Manager Ratajzak claims that he was unsuccessful in booking a game with the Hungarians on the Y. M. C. A. or Hungarian court, but that his quintet is ready at the present time to play the H. C. C. five on a neutral court.

### BICYCLE SEASON OPENS IN NEWARK THIS SUNDAY

Sunday will mark the opening of the bicycle season at the velodrome in Newark. Frank Kramer, the American champion and Arthur Oliver, will ride a match race against Raymond Eaton and Orlando Flani. The race will be decided in one mile heats the best two out of three.

### BASEBALL FOR ROOSEVELT

The Harmony Club baseball team of Roosevelt did not open up last Sunday because of wet grounds, but Manager Jerome Jacobowitz expects to celebrate the diamond season opening in the borough this Sunday. The attraction for this week has not been announced, but a strong team will be secured.

Last Sunday afternoon the River-sides of this city were scheduled to play the Harmony nine, and it is likely that this combination will be booked for a game at a later date.

The Roosevelt Separate basketball team, of which Jerome Jacobowitz also is manager, is scheduled to play the Newark Y. M. H. A. quintet this Sunday night and it is probable that one game will be played after that.

### JENKINS LEADS IN BIG MATCH

Gained Advantage on Opponent in First Four Games Last Night

Bill Jenkins had a sixty-one point lead on Howard Richards in the city bowling championship match after the completion of the first ten games of the set which were rolled on Bohnsack's alleys last night. The last ten games will be rolled on the Arbonne alleys tomorrow night.

The American Smelting & Refining company bowler got the jump on his opponent in the early games last night. Jenkins gained a sixteen point advantage in the first game and added twenty-five pins to his lead in the second game. Richards finished thirty-two pins behind his opponent in the third game, and in the fourth game Jenkins won out by forty-seven pins.

The Elks' state team captain won the fifth game by thirty-one pins and the sixth game by one pin. Jenkins staged a comeback in the seventh game and won out by twenty-three pins. The eighth game went to Richards by twenty-five pins and the ninth, by five pins. Richards also copped the tenth game, this one by an eighteen pin advantage.

Each man won five games and the match would be even if total games were counted, but the fact that total pins count, means that Jenkins has a sixty-one point lead over his opponent.

If Jenkins wins this match, Gus Pappas will roll him a twenty game match on Bohnsack's alleys. Pappas is one of the most consistent bowlers on Bohnsack's alleys.

The scores rolled last night: Richards 199 159 173 181 189 195 167 222 174 219-1828 Jenkins 215 184 205 178 158 194 120 195 169 201-1859

Cartridge at 7:30 o'clock; Bakelite vs. Fry Docks at 7:45; Atlantic Terra Cotta vs. Professionals at 8 o'clock; Cable Works vs. "Y" at 8:15.

### Game is Cancelled

KBASBEY, April 12:—The Landing Baseball Club, against whom the Keasbey Field Club was to open the season this Sunday, has cancelled the game and the local team is therefore without a game. Manager Schuster can be reached by calling Perth Amboy 74-R and is desirous of booking some fast senior team.

### AL LORENZO, ELIZABETH BACKSTOP, SIGNED BY AMBOY

Lorenzo is the fourth member of the representative Amboy team to be signed by the new local baseball leaders. Monday night it was announced that Mickey Loser, Jim Tomer and Bill Durilla would perform in the outer gardens for Applegate's team.

Manager Applegate is moulding together a fast infield and an announcement to be made in a few days will probably include the infield members, a utility infielder and outfielder, and the boxmen. The outfield and catching positions are well taken care of, and if the remainder of the positions are filled in as capable a manner, the local fans can rest assured that this city will have a worthy representative aggregation.

While no definite statement has been forthcoming regarding the booking for the opening date, a week from this Sunday, Manager Applegate promises real attractions for the entire season. Following the award of the lease to Applegate and Poulsen, they announced that Perth Amboy would be represented by a strong team so that the strongest teams could be brought to this city to furnish opposition.

A practice of the Amboy team will be held next Sunday morning.

Edgar Mallet's five-man bowling team moved up a couple of notches in the Y. M. C. A. bowling league last night as the result of winning two out of three games from Frank Comings' leading quintet.
