Among the important bills passed, within the last week of the session, were—a of powder exploded, burying 13 houses in the of Monroe county, was held in Woodsfield, bill to increase the pay of the rank and the ruins. Singular to say not a life was June 13, 1854, at which Joseph Morris was file of the army-a bill for carrying into lost, and but few persons injured. The called to the Chair, and Jacon Davis chosen Secoffect the reciprocity treaty recently con-citizens were so much alarmed that some bluded between the United States and minutes elapsed before any one would go Great Britain-and a bill graduating the into the street, and the general impression

have been in market for fifteen years or morning. apwards, as aforessid, and still remaining sold, shall be subject to sale at seventythe United States that shall have been arket for twenty years or upwards, as breesid, and still remaining unsold, shall, aubject to sale at fifty cents per acre; ad all of the lands of the United States at shall have been in market for twentyatill remaining unsold, shall be subject to a large number at twenty-five cents per acre; and all lands of the United States that shall have marches. in market for thirty years or more, chall be subject to sale at twelve-and-a-helf cents per acre. A p

Wheat Orop of the United States. In the year 1852, the Wheat crop of this untry amounted to one hundred and formillions of bushels, of which sixmillions five hundred thousand bushwere exported to foreign countries. The erop of this year, it is supposed, will each one hundred and filty or sixty milens, and it is thought that stimulated by igh prices, the exports may be increased to twenty-five or thirty millions. Although he crops of this, may be much larger than that of any previous year, it does not folch wheat in the country, as there was t year or the year before. The truth is. sen almost completely drained by the ex-

The population of this country is now out twenty six millions, and it is supof bushels of wheat will be required and lood, &co., so that we will not The Times has declared positively that of the name of the party or forty millions of bushels for expectation can only at the large an exportation can only induced by very high prices, and of ment on the heights that command Second the large and shall so fall induced by very high prices, and of ment on the heights that command Second the large and shall so fall induced by very high prices, and of the large and shall so fall induced by very high prices, and of the large and shall so fall induced by very high prices. off se to prevent the exportation of our supplies, the price of wheat must be considerably reduced. That the price will, to some extent, give way we think is to be expected, but that it will go down to the former low prices, can hardly be believed. The domand for wheat in some continue to be very great, must be supplied from the United States and

from the regions bordering on the Baltic and Black Seas. While the present contion of things exist in Europe, the supgreat extent, be cut off, and it is prob that during the year, the war may same such an aspect as to make it necessary to look to this country alone for od, not only for those engaged in the dinary vocations of life, but for the improvements which may be in the field. ce of wheat is most fluctuating and but we think that every thing me to be in favor of at least fair and just compensation for the toil

Pessident Pierce had his hat knockof at the Capitol, on the afternoon of a 5th inst., by a hard boiled egg thrown him by a young man named Jeffurd, of outh Carolina. The young man was accioated, and had a few moments beaken hands with the President and of and to drink with him. He became of the cows has the outer shell of one horn knocked off, and the point of the other sawed off. The occurrence produced some stripe along the back. The heiter is a dark brown with sharp-pointed horns. Any person who will return said cattle to the subscriber, or send him a letter to Woodsfield, stating where they may be saked him to drink with him. He became
