CONSUMPTION.

This remedy is offered to the community with the confidence we feel in an article which seldom falls to realize the happiest effects that can be desired. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons, publicly known, who have been restored from alarming and even despered.

Operates entirely different from all other than the ments, heretofore presented to the wind, having its specific effect upon the deliberation of the remaining and strength, and the wind its power to destroy all character of proming the present of the ments, heretofore presented to the m able charter obtained from the Legislature, is cures, that almost every section of the country now in a prosperous condition, and ready to abounds in persons, publicly known, who have 1. Subscribers who do not give express notice to the contrary, are considered as wishing once tried its superiority over every other med-icine of its kind, is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affec-

ions of the pulmonary organs, which are incilent to our climate.

Nothing has called louder for the earnest enquiry of medical men, than the alarming prevalence and fatality of consumptive complaints, nor has any one class of diseases had more of their investigations and care. But as tions of the pulmonary organs, which are inciplaints, nor has any one class of diseases had more of their investigations and care. But as yet no adequate remedy has been provided, on which the public could depend for protection from attacks upon the respiratory organs, until the introduction of the CHERRY PECTORAL. This article is the product of a long, laborious, and THE undersigned is now receiving a fresh supply of DRY GOODS, direct from the East, suited to the season, which he offers for sale at prices which cannot fail to please purchasers. Call and examine for yourselves.

The confidence to be placed in what men of every class and station certify it has done for them. If we can trust our own senses, when we see dangerous affections of the throat and lungs yield to it, if we can depend on the assurance of intelligent Physicians, who make it their business to know,—in short, if there is any reliance upon anything, then is it irrefutably and the Chest, and all Diseases of the Throat and Lungs, than the testimony of any number of witnesses. Try it and you will need no further evidence. It does not profess to cure Consumption in its last stage, but it will cure if taken in time, and used freely, and other precaptions taken to say number of witnesses. Try it and you will need no further evidence.

R. CHASE.

All persons indebted to the subscience of intelligent Physicians, who make it their business to know,—in short, if there is any reliance upon anything, then is it irrefutably any number of witnesses. Try it and you will need no further evidence.

It does not profess to cure Consumption in its last stage, but it will cure if taken in time, and used freely, and other precaptions taken to assist nature—such as diet, proper exercise, and the Throat and Lungs, than the Chest, and the Chest, and the community with such a remedy. Of this last statement the American people are now them-selves and Lungs, than the Chest, and Lungs, than the Chest, and the providence.

It does not profess to cure Consumption in its last statement the American people are now them-selves and Lungs, than the Chest, and Lungs, then the Chest, and Lungs, then the community with such a remedy. Of this last statement the American people are now them-selves and Lungs, then the Chest, and Lungs, then the community with such a remedy. Of this last, and the community with such a remedy. Of this last, and the counts as I need money at this time; on all accounts standing over six months, interest will be charged.

P. CAWLFIELD.

All should know it, for health can be priced to no one. Not only should it be circulated here, but every where, not only in this country, but in all countries. How faithful we have acted on this conviction, is shown in the fact that already this article has made the circles of the giobe. The sun never sets on its limits. No cure Dyspepsis, Stok Hezdache, Jaundice, Affections of the Kidneys, and discases of the continent is without it, and but few peoples. Although not in so general use in other sations.

Although not in so general use in other sations. Bleod—cure Costiveness, &c. They cleanse the Stomach and Bowels, operate specifically.

Hembold's Genuine Preparations at BARESVILLE. On the lot are convenient out buildings, a fine lot of choice and rare fruit trees, doing some good in the world, as well as the satisfaction of believing that much has been the compound Finia Extract Bucks. For diseases of the Bladder and Kidneys Seeret Diseases, Strictures. Weakness, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to decoive the young, those not acquainted with their tricks. You cannot be too careful in the selection of a ranged in these cases. F you have contracted the terrible dis

remedy in these cases. The Fluid Extract Buchn has been pronounced by eminent physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it anhibites every Mainly for the purpose of arresting the cuils of Spurious and Worthless Nostrums;
Also, for supplying the Community with reliable Remedies wherever a Competent Physician cannot or will not be employed. This Institution has purchased from Dr. JOHN R. ROWAND, his celebrated
