A Great Flower Garden.

You have heard of old bachelor's whims. There are lots of them on record. But Henry Shaw, of St. Louis, has given practical execution to the most remarkable bachelor's crotchets of the age.

He is a Scotchman, a millionaire, and some seventy-five years old. He has constructed the finest private flower garden in the world. It has 350 acres in it. It has every flower in it, obtainable over the world, that will live in the St. Louis climate.

It is a bewildering paradise of floral beauty. The flowers are numbered by millions. Its cost no one can tell. Shaw himself don't know. It is threaded by walks and adorned with observatories and hot-houses full of the rarest exotics. A force of 100 gardeners is needed to keep it up. Shaw, it is said, spends his entire income from his millions in keeping it up. He began the thing after the war, and for several years he has opened it to the public. Hundreds of thousands of visitors resort to it. It is the chief attraction and curiosity for the strangers in St. Louis to visit. And, strange to say, no police guard it, and no flowers are pilfered. Such is the public's reverence to the man's generous enterprise.

Sore Eyes. Dr. Trask's Magnetic Ointment has performed some almost miraculous cures in this vicinity. It is a universal remedy in use for sore eyes. The Auditor of our county has so much faith in its curative powers in this disease, that he not only recommends it, but offers to forfeit the amount paid for it in each case, if it fails of a cure.

A. G. CUSHING, South Bend, Ind. See advertisement in another column.

Another Common Article of Household Use Superseded. Associated with the earlier recollections of a great many men and women is the bath-brick and emery stone wherewith the knives and forks, and pans and kettles, and other kitchen articles were at stated times "scoured up."

That primitive mode prevails today in thousands of families who have never used Sapolio. But once let Sapolio be used for this purpose and that housewife never wants bath-brick or emery stone any more. Sapolio not only scours off all rust and tarnish, it brightens, bestows a polish as brilliant as new, and does it in one-tenth the time required by any other substance. Sold everywhere. Housekeepers, try it.

Wilhoft's Anti-Periodic or Fever and Ague Tonic. Cure every case of chills and fever. Make sure of a good thing when it is in your reach. Neglect it, and you and your family will suffer.

Wherever Malaria scatters its poison in the air we breathe, there will be chills and fevers and all their ghastly attendants. In such localities, Wilhoft's Tonic is potent and never failing in the cure and prevention of these diseases.

It is prophylactic or preventive as well as curative, and is the real, long sought antidote to malarial poison. It is innocent, speedy and decisive in its action, and leaves no bad effects from its use.

It is a joyful blessing in every family. FARMERS should not fail to examine the patent farm gate for which George W. Brunton, McArthur, is the agent in this and Jackson county. It is the best and cheapest gate ever designed for a farm, costing fifty per cent. less than he old fashioned gate, and is more durable, for it can not sag. Examine it when you are in McArthur.

DR. A. TRASK'S MAGNETIC OINTMENT FOR THE CURE OF INFLAMMATORY DISEASES.

Dr. Trask was engaged for twenty years in a course of experiments upon the medicinal properties and power of vegetable, separate and combined. At the age of seventy years he succeeded in presenting to the world, as the result of his experiments, a combination of Vegetable cases, the power, which in removing the extract, is the power of Vegetable Extracts with the medicinal properties of Magnesia in the form of an Ointment.

Certain, it is, that the remarkable and unprecedented success which has attended its application in the cure of diseases, stamps it as one of the greatest discoveries of the age, and calls for a trial and close investigation of its properties.

It never fails, while there remains sufficient to restore a natural and healthy action to the capillary vessels of the body, and equalize the circulation of the blood, and thus a controlling power is gained over the most malignant forms of disease, which cannot be obtained from any other remedy.

Such is the power of this combination, that it penetrates to every portion of the human frame; every blood vessel, every nerve and ligament is searched out and made amenable to its purifying and healing influence. Hence it cures as readily with internal as external diseases.

Numerous instances are on record where this remedy has restored health, and all remedies failed to produce any effect. Such has frequently been the case in inflammation of the Bowels.

No patient ever used this medicine without being cured of the disease where the Magnetic Ointment can be obtained.

For Inflammatory Rheumatism this Ointment is the most complete remedy prepared. For Rheumatism of the Neck, Sore Throat, Inflammation of the Larynx, and all the affections of the Throat, it is unrivaled.

In ninety-nine cases out of a hundred, it affords relief to the worst cases of Nervous Headache in thirty minutes. For Nervous Diseases this medicine is of immense value.

Affections of the Spine, Rheumatism, Lameness, Ulcerated Sore Throat, Bronchitis, Pleurisy, Croup, Cholera Morbus, Ague, Pain in the Face or Breast, Burns, Scalds, Headache, Salt Rheum, Erysipelas, Inflammation of the Eyes, Sores, etc., will be immediately relieved by the use of Dr. Trask's Magnetic Ointment.
