Friend to the Lonely

"To women who are unacquainted so-cially and dare not mix for fear of what cially and dare not mix for fear of what the right kind, and who have interests in common—women who live in boarding houses and furnished rooms: It is a terrible thing to me that these are left to live or die alone, as in the case cited a few days ago, 'lonely, uncared for and sick.' From Life.

May Be Made White

"To E. E., who asked what to do with switches of white hair which have turned there are so many! If I could but reach there are so many! If I could but reach there are so many! If I could but reach there are so many! If I could but reach there are so many! If I could but reach there are so many! If I could but reach there are so many! If I could but reach them, not only those who can help themselves, but others? Can you, will you, give me such addresses, or give mine to them? I will call upon them and seek to bring and it would be worth while to do so, as such hair, over 26 inches in length, is worth from \$65 to \$125 per ounce. Bleached hair it would not pay to bother with. The woman you mention who uses bluing on her own hair should be careful of the A woman physician, who would minis-

on her own hair should be careful of the kind of blue used. WIGMAKER."

Care of Goldfish

"Sometime ago someone asked about goldfish. Perhaps some of the suggestions T make may prove helpful. About every two weeks put the fish into a sait bath. It acts as a tonic. About a teaspoon of sait to a cup of water. Feed the sound in the said to the sick soul and sore heart, as to the ailing body. She will not fall of her reward. We must give it in part by putting her into communication with those over whom her great heart yearns with longing that cannot be uttered. Addresses will go to her as she desires. Members who are cognizant of distress she might alleviate, will please send for her name and location.
