Dr. Blanson.—Some time has clapsed since I gave a cer-tificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach samples to the worst kind of special whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

This is to certify, that I had suffered for many years with Dyspensia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bhelsoc's Alterative Compound, which outed me assually, and I recommend it because of the same happy effect upon others of my acquaint ance.

HUSSEVILLE, Ala., March 3, 1852. Dr. Bastson —Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great dad from Dyspepois and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about na well as I ever did.

R. R. R.—NO PAIN KILLER.

To Kill Pain we must paralyse the nerves, or in other words produce a poley of the part to which the pain belief is applied.

Pain is an unnatura sensation, arising from an injury or disease, which, being transmitted along the nerves to the brain, gives an uneary perception to the mind.

Remedies recommended to Kill Pain, or Park Killers, are either producers of Paralysis, or they are not what they are recommended for. If the sufferer of pain is to undergo a suspension of vitality, or if the unfortunate arm or leg, or if the part of the body suffering the tortores of pain, is to suffer an attack of paralysis, we think the the remedy must suffer an attack of paralysis, we think the the remedy most be worse than the disease. And, if Para is to be Ailled, then the nerves that transmitted this sensation, and the then the nerves that transmitted this sensation, and the senses that perceive its impleasantness, must be killed also. If, on the other hand, it is not a "sens killer," it is a missioner, and not what its advectisement claims for it.

Radway's Rendy Relief does not kita pain, but it a blues its paroxyisms and relieves the sufferer from all painful and uneasy sensations. Radway's kendy Relief is quick in its action—it instantly relieves, and immediately after sets about removing the cause of the pain, it section and cover, it relieves and removes the troubling cause, and house the low it influees.

R. R. R. Its Two Actions. - The primary action R. R. H. A. H. T. T. WO Actions. — The primary action of Raciway's Ready Relief is, to allay the effects of any painful comes that the human system may be visited with.

Its secondary action is, to remove the cause itself; this is will immediately accomplish, for it is so powerful in action so quick and effectual, that the moment it is applied or taken the painful paroxyisms are relieved, and the unsound parts made whole, strong, healthy and vigorous.

External Pains—Rheumathsm—Radway's Ready Relief modified externally to the narts where the pain is felt.

External Pains—Rheumatism.—Radway's Ready Relicf applied externally to the parts where the pain is felt, will instantly allow the partsy issue, scatter the cause, or the congressed deposits, which cause the pain, and, in a few monusants the sufficient will be quite easy. If the attack is recent a few applications will care it.

If Chronice, Radway's Removating Resolvent, used in connection with the Ready Relief, is certain to cure Rheumatism in its meet aggravated forms, whether Syphilitic Scialce—nervous, muscular or inflamatory for wooderful cases of Rheumatism, cared by R. R. R. Romedies, see Radway's family Friend for the month of March, 1855—a capy will be sent to all who wish it, free of charge, by aldressing Radway's love, New York City.)

Pains around the Liver, Kidneys and Heart are relieved, and the unmatural tritations instantly subdued by a simple application of R. R. Relief.

Sick Heast Ache.—R. R. R. will ru all cases cure this distressing complaint. Its ant and properties when taken into the stomach, will neutralize the acid, and make the tomach clean, and the breath sweet.
Its counter-critant efficacy, will produce a reaction when applied to meliend, and arrigorate and enliven, and refresh Internal Pains, -Diarrhes, Dysentery, Cholers or

Cholera Morbus.

The unnatural and violent irritations that afflict the system while it is under the influence of these manabes, will, in a rooment, vicid to the southing and pain-relieving efficacy of nament, vient to the soothing and pain-renewing efficacy of the B. R. Richef. It alias i critation, it arrests spasmodic action, it neutralizes the poisonous minima that causes these painful and weakening discharges, it onlivens and invigor-ates with warmth and strength the cold, cramped, and shrivelled limbs and joints, and restores each member and shrivelled limbs and joints, and restores each member and organ of the body to a localitatial and vigorous condition.

Kadway's Ready Relief, and each of the R. R. R. Remadies, are made from the active properties of medicines. Nothing inert or inactive enters their composition, so that the system is not charged with worthless and inset matter. In conclusion we would remind the reaser that Sadway's Ready Robel, relieces the sufferer from pain (not kills,) and entres or removes all unnatural ranges of Rheumatic, Neuralgie and Nervous or painful character.
