New Clock Department, Basement.

The opening of this Clock Department will be another great feature of this store. We're showcasing here Clocks of every description. Clocks that are worthy, and above all, good time-keepers, guaranteed to last for years to come.

There's an Elgin, a Waltham, a Regulator, and an Arabic from the world-renowned Hours Clock Company. Why pay a foreign's prices? These are as good as any and better than most and should be put equal in price. Always open for inspection.
