Clerks of the market came before the Council Committee on Markets last night reporting that certain men had been granted merchants' licenses, allowing them to do business in the markets without requiring them to rent space from the city, as all dealers in the markets are required to do. The clerks were instructed to notify all such dealers that they would not be allowed to do business within the precincts of the markets unless they conformed to the provisions of the city ordinance as to renting stalls and space. NAT THORNTON WINS OUT OVER R. L. JAMES

Popular Favorite Is Defeated in Three Straight Sets in Old Dominion Tennis Tournament for Hermitage Challenge Cups--Men's Doubles Saturday.

Upsetting all calculations, sending the form players back to the infant class, making the dope artists rewrite their charts, yet pleasing a large and at no time quiet gallery, Nat Thornton, of Atlanta, one-time champion tennis player of the South, yesterday defeated R. L. James of Philadelphia, holder of one leg in the battle for permanent possession of the Hermitage challenge cup, in three straight sets, 6-1, 6-2, 8-6. Not in the eight years of the Old Dominion tennis tournament, now one of the really big tournaments of the country, has there been more excitement than was offered yesterday. James has all along been the popular favorite, and his dashing style of play was calculated to bring Thornton to grief. James played up to form, but it was the old story of methodical, thoughtful and accurate playing against a more brilliant but less resourceful opponent. Thornton literally wore James out, though in the last set the Philadelphia was going strong. The summary follows: The day was ideal, though the sun shone in all his might. Both men were in prime condition, and in anticipation of a bitter contest the gallery gathered early. Though clearly the favorite, there was a general feeling that the Northerner would have to extend himself if he was to win from the Atlantan. However, after the first game, Thornton reversed the order of things and became the favorite. The conclusion justifies the change in front. In the consolation singles Atlanta again came to the front, when Victor Smith won from Davenport, of New York, the score being 6-1, 13-11, 6-3. The mixed doubles went Miss Meredith and Dunn, who won over Miss Powers and Zinn. The men's doubles will be concluded next Saturday. Cups were awarded yesterday to Nat Thornton, winner of the Hermitage challenge cup; Miss Meredith and Mr. Dunn, in the mixed doubles, and Victor Smith, winner of the consolation singles. The summary follows: Men's singles, finals—Nat Thornton beat R. L. James, 6-1, 6-2, 8-6. Men's consolation singles, finals—

Victor Smith beat Davenport, 6-1, 13-11, 6-3. Mixed doubles, semi-finals—Miss Meredith and Dunn beat Miss Hardy and James, 6-4, 6-1. Mixed doubles, finals—Miss Meredith and Dunn beat Miss Powers and Zinn, 6-2, 2-6, 6-4.

WOMAN AVIATOR MEETS HER DEATH

Killed During Practice Flight at Illinois State Fair Grounds.

Springfield, Ill., June 17.—Mrs. Julia Clark, of Denver, an aviator, was killed during a practice flight at the State Fair Grounds this evening. The tip of the wing of a biplane in which she was flying struck the limb of a tree in the centre of the race track inclosure, and the machine was dashed to the ground, turning turtle. Mrs. Clark's skull was crushed. She was rushed to a hospital in an automobile, and died a few minutes afterward. Mrs. Clark was one of the three licensed female aviators in the United States. The body will be sent to Denver.

Commonwealth vs. Westmoreland.

One grand game of baseball is on the taps for this afternoon, when the tappers from the Commonwealth Club will try to take the measure of another contingent from the Westmoreland Club at Broad Street Park, midnight. The players have been training hard, and report that they are in prime condition, ready even to do battle unto death. Seeing as how the game is not open to the hot pool, which is some foreign language for the masses, there can be no kick coming. You must have a card to get by the man on the gate, and you can't get a card unless you happen to be a member of one or both of the clubs battling for supremacy. Yes, society will be on hand, and society will actually indulge in the plebeian, though pleasurable, pastime of rooting. There will be all manner of noises, and the noises will be in evidence during every minute of the play. Yes, verily, some game. Immediately after the game the whole outfit—the same being members—will hike to the Westmoreland for a buffet luncheon.

S.S.S. CURES SKIN DISEASES

The cause of all skin diseases can be traced to some humor or acid in the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Instead it irritates and inflames the delicate fibres and tissues around the pores and glands and produces some of the many forms of skin disease. The itching and stinging so often accompanying skin affections are produced by the deposit from the blood of the acid humors with which it is filled, into the sensitive membranous flesh lying just beneath the outer covering, and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S. S. S. cures Skin Diseases of every character by purifying the blood. It goes down into the circulation and removes the humors or acids which are causing the trouble, builds up the weak, acrid blood, and permanently cures every variety of skin affection. Local applications can only soothe; they never cure because they do not reach the blood. S. S. S. goes right into the circulation, reaches the trouble and cures it by removing the cause. RAIN BREAKS UP TENNIS CONTEST

Tournament for Championship of Virginia Begins at Norfolk.

Norfolk, Va., June 17.—The twelfth annual tennis tournament for the championship of Virginia started on the courts of the Norfolk Country Club this afternoon, but did not go far, as rain interrupted play in the preliminary round. Only two matches were completed, one in the men's singles, and the other in the ladies' singles. Hugh G. Whitehead disposed of W. H. J. Taylor in two straight sets, taking both by the score of 6 to 1. Mrs. J. Saunders Taylor, a strong probability as the winner of the tournament in the ladies' singles, advanced to the first round by disposing of Mrs. Parks, 6 to 1, 6 to 1. James Horner Winston, former singles champion of Virginia, and with H. G. Whitehead, of Norfolk, present champions in the men's doubles, will arrive from Chicago tomorrow to play in the tournament. Misses D. and M. Colston, of England; Miss Suzanna White, who played in the Old Dominion Tournament at Richmond last week, will play here, as will Reuben and M. Meredith, of Richmond, and George Zinn.

PLAYERS MUST LOOK TO FARRELL

Virginia League Probably Will Not Assume Salary List of Lynchburg Club.

Lynchburg, Va., June 17.—The directors of the Lynchburg Baseball Association, at a session to-day lasting nearly two hours, decided to throw the players of the former Lynchburg team on the league and to make no further fight for the retention of the franchise in the Virginia League. Representatives of the citizens' committee named last Thursday night to secure funds to back the team under a new association met with the directors, and it was finally decided that an attempt to hold the franchise would be futile and that time and money would be spent for naught. President Boatwright of the Virginia League, in conformity with the action of the directors, was notified by telegraph this afternoon that the Lynchburg Association holds that its rights have been taken away, and the association was therefore exempt from the payment of salaries due the players since June 1 and would refuse to pay them. The president was notified that the players are here awaiting instructions from him at the expense of the Virginia League. The players of the former Lynchburg team wired President Boatwright desiring to know what to do. He referred them to Secretary Farrell for redress. This is taken as an indication that the league does not intend to assume the salary list of the team nor take title to the players.
