PERSONALS

Mr. and Mrs. Fred Meloy of Saver were visitors at Eagle River yesterday.

Victor DeLaescilles and J. B. Cabanis were at Eagle River from Phelps and Long lake Saturday.

Mr. and Mrs. Carl Shattuck and children of Sparta are visiting the former's brother John and family in the village.

C. M. Lewis returned to Eagle River the first of the week from attending the Democratic convention at New York City.

I. L. Jordan, Mr. and Mrs. Kettle and Miss Tiny Kimmele, all of Ladysmith, arrived yesterday for a visit at the Menefee home in Eagle River.

Thos Foley left Sunday for Canada, near Montreal, where he will take up farm work with a brother and other relatives who operate the old home farm.

Mrs. Wm. Kiss and children arrived in Eagle River Saturday for a visit at the home of her mother Mrs. F. G. McIntyre and with other relatives in the village. Her home is in Milwaukee.

Mrs. H. Lorenzen and son drove up yesterday from Chicago and will spend the next two months at the Lorenzen home on Cranberry lake. Mr. L. will arrive this week for his vacation.

Mr. and Mrs. Chris Hermanson are entertaining the former's mother, Mrs. Hermanson and Dan Christensen, who arrived last Thursday for a visit at the Hermanson home at Otter rapids west of the village.

J. E. Ekelund, father to Mrs. Peter Hedeon of Conover and S. J. Vernsten, and uncle, both of Chicago, are visiting at the Hedeon home. They together with Mr. and Mrs. Hedeon were Eagle River visitors Saturday.

Mr. and Mrs. Fred Hagen and son Bobby, together with Mrs. H. M. Meyer, left Saturday night for their Chicago homes. For the past two months they have been visiting in Eagle River and at cottages on Joyce lake northwest of Conover.

Wm. Schlect and daughter of Minocqua were at Eagle River the first of the week. "Billy" S. knows Eagle River from some thirty years back and met with several of his old friends of lumbering days when this country was a real man's country.

Mr. and Mrs. G. C. Parks and Arthur Simmons of Racine, after a week's visit at the home of Mr. and Mrs. Robert Simmons on Big Bass lake east of town, returned Saturday to their homes. Arthur is night wire chief for the Wisconsin Telephone company at Racine.

Mr. and Mrs. G. C. Williams, former residents of State Line near Pickerel lake, are at their old home for a short vacation, arriving last week from Minneapolis. The Williams family are now residents of that city, but still have

a longing for their summer home in the North Woods. They spent Monday in Eagle River.

Thomas Jackson and daughter Miss Mary M. Jackson arrived Monday afternoon from Chicago for an outing at the Jackson cottages on Otter lake. They were met at Monico by Dr. and Mrs. C. E. Brooks of Madison who are spending a vacation on Otter. Miss Jackson is connected with the Santa Fe railroad and has charge of the advertising department of that corporation. She with the Brooks will spend several weeks here.

Walter Norlander is here from Chicago for a vacation period. Walter has been in Chicago for several years and still retains his liking for the Big Woods region. During the Outdoor show in Chicago last May he was a regular visitor in order to secure northern Wisconsin atmosphere—something only to be had where outdoor people congregate especially when they are old-time friends. He will finish his two weeks outing the latter part of this week.

Help the Children.
July 17th will be Tag Day in county for needy children. Give 'till it hurts.

Ceylon is very nearly the size of Ireland. It is a separate political entity, possessing its own constitution, legislative council, and governor. It is expected that the total value of its merchandise trade for 1923 will be upward of \$20,000,000.

The discoverer of the possibilities of gas for illuminating purposes was Phillippe L. Lebon, a French engineer of the revolutionary era, who was murdered in 1804, presumably by burglars who had entered his house at Versailles.

See the Real Indians.
Under auspices of the American Legion, real Indians will hold a big Pow Wow and all Indian dances shown and explained. Fair Grounds, Eagle River, Wednesday and Thursday July 23-4; afternoons at 2:30, evenings at 7:30.

The central incinerator of the city of London, England, is to be harnessed to a power station which will generate electricity for the lighting system and the running of tube railway and surface cars.

Probably the most curious restaurant in the world is in Buenos Aires. The equipment consists of one large pot about a yard in diameter, and one large fork with which the customers, for the sum of five cents, are allowed a chance of fishing out a chunk of meat.

The honorary secretary of the British War Graves Department says that the original wooden crosses from the war graves of France and Flanders can be claimed at the cemeteries by relatives of the fallen men, when permanent headstones are erected.
