The nose is the culminating point of the face—the canopy of the kisser. It is the drunkard's signboard and a nocturnal trumpet. It is a drop valve for sweat, a rooster for flies and a punching bag in a prize fight. It is the toll gate of your smelliest apparatus, and a despoiler of handkerchiefs. The nose is your sneezing apparatus. It is the key window of your face and sometimes gets the lights knocked out of it. It can be used as an automatic skunk detector, and is the royal bumper when you come in contact with the earth—Poniatowski Weekly Spitzbub.

Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills. Plenty of evidence to prove this. H. R. Brucer, 805 First st., Merrill, Wis., says: "I have used Doan's Kidney Pills with good results, and different members of my family have used them when suffering from kidney trouble with the most beneficial effects. They seem to remove the impurities from the system, give one more strength and energy, in act, act as a general tonic. I shall not be without Doan's Kidney Pills in the house, and will recommend them at every opportunity."

Plenty more proof like this from Wausau people. Call at W. W. Albers' drug store and ask what customers report.

A 6088 GOOD TEMPLAR.

In the state of Iowa many old soldiers are buying 6088, the great Northern blood purifier, for rheumatism, catarrh and kidney trouble.

Read this extract from a letter written by Mr. Story Keith, Clinton, Iowa. P. C. T. Independent Order of Good Templars, to George H. Hazard:

"I have not been as free from rheumatism for a long time as at present, and will tell you what has done it—Matt J. Johnson's 6088, made in St. Paul—perhaps you know of them, if so give them my love for they have a dandy remedy for the ills that we boys are subject to. Everyone in our family is taking it, and all are feeling better. My wife has been so lame she could hardly get up from her chair, and my back at times gave me lots of trouble. Now we are all feeling better, and will keep a bottle on hand at all times."

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold by W. W. Albers.
