Chamberlain's Cough Remedy

This is not only one of the best and most efficient medicines for coughs, colds, croup and whooping cough, but is also pleasant to take, which is important when a medicine must be given to young children. Chamberlain's Cough Remedy has been in use for many years and has met with much favor, wherever its good qualities have become known. Many mothers have given it their unqualified endorsement. Wm. Scruby, Chillicothe, Mo., writes, "I have raised three children, have in the house." Chamberlain's Cough Remedy and found it to be the best for coughs, colds and croup. It is pleasant to take. Both adults and children like it. My wife and I have always felt safe from croup with it in the house." Chamberlan's Cough Remedy contains no opium or other

The canteen is located in a beautiful old house opening on a stone paved court at the front, and upon what was once a beautiful garden, with a fountain and a pool behind. The house has been wrecked by shell fire, and its exterior has been ravaged by the Huns. When the Y. M. C. A. moved in, it was uninhabitable because of the rubbish and filth piled high in every room by the vandals. So the first job was housecleaning. The lower story was cleaned out. The lower story was cleaned out The big salon with its fireplace was thoroughly cleaned. A piano was lifted from a camion and put in one corner. Wooden tables and chairs were unpacked and put in place so

that the soldiers might have a place to sit and write on the paper that was put out lavishly for their use. The adjoining room was fitted with a makeshift counter for the canteen and supplies were toted in and packed about where they would be handy. There were cases of biscuits, chocoate, cigarettes, chewing tobacco, gum safety razor blades, shaving crean and toilette soap. There was smok ing tobacco and handkerchiefs and that experience had shown the boys would want.

The other room was cleaned out for blanket rolls.

It was all done hastily, at high speed. Men who had been prominent speed. Men who had been proliment ministers back home scrubbed floors. A banker hoisted huge cases out of the depths of a truck.
