OWES HIS LIFE TO A NEIGHBOR'S  
KINDNESS.  
Mr. D. P. Daugherty, well known  
throughout Mercer and Sumner  
counties, W. Va., most likely owes  
his life to the kindness of a neigh-  
bor. He was almost hopelessly af-  
flicted with diarrhoea; was attended  
by two physicians who gave him  
little, if any, relief, when a neighbor  
learning of his serious condition,  
brought him a bottle of Chamber-  
lain's Colic, Cholera and Diarrhoea  
Remedy, which cured him in less  
than twenty-four hours. For sale

## BANNER SALVE

the most healing salve in the world.

## ROBBED THE U. S. POST OFFICE.

George Thompson alias Sonnie  
Cotton, a negro boy about 16 years  
old, was arrested on Wednesday  
afternoon, September 9, while at-  
tempting to break in the post office  
through a rear window. Postmaster  
Rosemond had been missing small  
change from his money drawer and  
determined to catch the thief. Pol-  
iceman Scott was locked up on the  
inside of the office, while Assistant  
Postmaster Gordon acted as outside  
sentinel, and pretty soon the thief  
was in Mr. Gordon's clutches. The  
negro was arrested while attempt-  
ing to break in the window. It  
seems that Thompson had been suc-  
cessful in entering and robbing the  
office twice before he was caught.  
He was tried before U. S. Commis-  
sioner Frank Nash and held in a  
bond of \$500 for his appearance at  
next term of U. S. Court at Greens-  
boro, and failing to give it he was  
committed to jail. Thompson has  
recently served a term on the county  
roads for stealing peanuts.

system of all bile without producing  
unpleasant effects. They do not  
gripe, sicken or weaken, but give  
tone and strength to the tissues and  
organs involved. W. H. Howell  
of Houston, Tex., says "No better  
pill can be used than Little Early  
Risers for constipation, sick head-  
ache," etc. Sold by W. A. Hayes,
