MOBILIZATION RUMOR DENIED.

Sofia, Bulgaria, Oct. 6.—The report that orders for the mobilization of 100,000 men have been issued was given a semi-official denial here today.

Constantinople, Oct. 6.—The council of ministers held a long session this morning to consider the action of Bulgaria in declaring her independence of Turkey at Tirnovo yesterday. It was decided that it was impossible to accept any proceedings that violated the existing treaties, and that Turkey should address a circular vote to the powers pointing out the necessity of taking measures to enforce respect for the treaty of Berlin.

Replying to a telegram sent to the Turkish government by Prince Ferdinand in which he said that in declaring the independence of Bulgaria he has been compelled to respect the voice of the nation and expressed the hope that friendly relations between the two countries would continue. Turkey says she has invited the powers to confer on the situation and as her rights are guaranteed by the powers she will look to them for their defense.

Ready to Defend Rights.

The Yenal Gazette, the organ of the Grand vizier, says today: "We are ready to defend our rights with all our strength. As the action of Bulgaria is not only directed against us but against all the powers, we should ask the powers to defend their interests and protect the provisions of the treaty of Berlin. According to this same journal, Austria-Hungary has informed the powers of her intention of withdrawing her troops from the Sanjak of Novi-pazar."

PARISIAN VIEW OPTIMISTIC.

Turkey for the Present Will Go No Further Than Formal Protest.

Paris, Oct. 6.—The hope that hostilities may be avoided in the Balkans is growing in Paris. The latest advice received from Constantinople seem to indicate that the port, for the moment, is not disposed to go further than a formal protest against Bulgaria's proclamation of independence.

Foreign Minister Pichon is continuing his conferences here. This morning he talked with M. Iswolsky, the Russian minister of foreign affairs and M. Stanclof, diplomatic agent of Bulgaria, and this afternoon he will confer with the British, Turkish, Italian and Spanish ambassadors.

New Conference Necessary.

France believes in the necessity of a new conference of the signatories of the Berlin treaty for the purpose of clearing up the situation and safeguarding the interests of all the powers concerned.

If the principle of a new congress is approved, France, in accord with

HOT SHOT FOR BRYAN

Gov. Hughes Scores Commoner in S. D., Speech

PEOPLE CAN'T BE DIVIDED

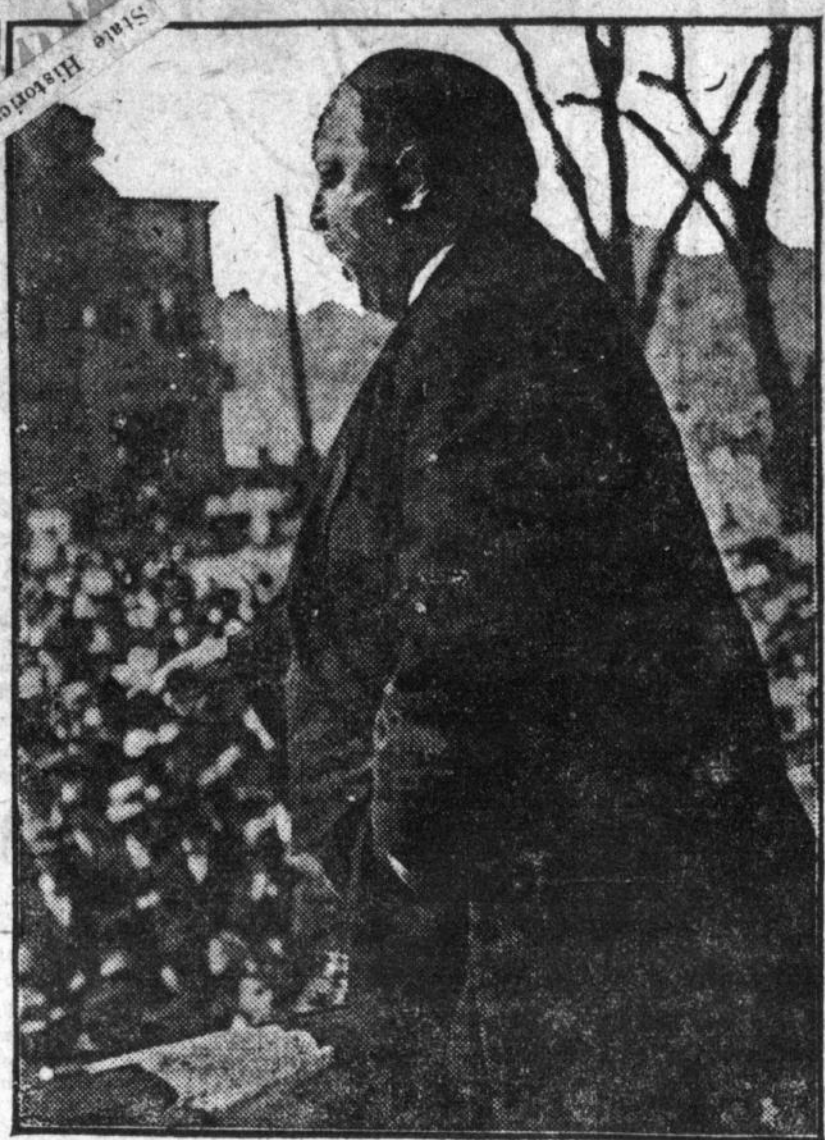

NEW YORK'S EXECUTIVE DECLARES THAT PEOPLE HAVE LEARNED THAT THE SAFETY OF COUNTRY DEMANDED BRYAN'S REPUTATION.

Watertown, S. D., Oct. 6.—Sweeping across South Dakota in his tour of the states of the middle west, Gov. Chas. E. Hughes of New York, speaking here this morning, declared he had become thoroughly westernized.

"An eastern man is lucky when he gets into the west," said Governor Hughes. "I have left my own state to come out here because of my interest in the present campaign."

"This business of electing a president is not a mere matter of fanciful choice. I perceive that many of you are agriculturists, your interests and manufacturers are bound up in this campaign. You cannot divide the people into sections and say you will do this for agriculture, this for labor and that for the banker. We have all got to get up together or we shall all go down together. Twelve years ago we had a little controversy. The question was whether we should enact laws that would dishonor us. Bryan told us then that he was essential to the safety of the country. We found out later that the safety of the country demanded his reputation."

Mob Kills Whole Negro Family; Cause; White Woman Was Cursed

Hinchman, Ky., Oct. 6.—Dave Walker, his 5-year-old daughter and his baby, were killed outright, the mother, who was holding the baby in her arms, was fatally shot, and three other children will die, as a result of a mob's visit to the Walker home.

In addition, the oldest son is missing, and is supposed to have been

burned with the negro cabin, which was fired by the mob. Walker had cursed a white woman and threatened a white man with a pistol. When the mob of fifty men ordered him to come from his house, he replied with a shot. The torch was then applied and as the owners came out, they were shot down.

NEW POET LAUREATE OF MASONIC FRATERNITY

Chicago, Oct. 4.—Ray Hempstead of Arkansas, now a member of Ravenswood lodge, Chicago, last night was crowned poet laureate of the Masonic fraternity, with all the ceremonial proper to the occasion. Mr. Hempstead is the third poet to be thus honored, the first being Robert Burns, the Scotch poet of immortal fame, and the second, the late Robert Morris of New York. In accepting the honor, Mr. Hempstead delivered an original poem, written for the occasion. The honor was conferred by consent of all grand lodges.

HASKELL SHOWS HIS IGNORANCE

DEMOCRATS, UNDER CLEVELAND, NOT REPUBLICANS, APPROVED THE BIG OIL LEASE.

Independence, Kan., Oct. 6.—The Daily Reporter today will publish the following: Gov. Chas. N. Haskell of Oklahoma has demanded of President Roosevelt that the Foster Blanket oil lease of the Osage nation be revoked, holding it to be a republican grant.

Governor Haskell will no doubt be surprised to learn that the original Foster lease, comprising the entire Osage nation, was approved by Secretary Hoke Smith of Georgia under the democratic administration of Grover Cleveland, was questioned until Secretary Hitchcock, republican, characterized it.

ENDS TOUR IN MISSOURI

Taft Delivers Important Address at St. Louis

APPEARS WITH PROPHET

EVERY MINUTE OF THE REPUBLICAN NOMINEE'S TIME IS TAKEN UP—HE WILL PLUNGE INTO GAITIES OF BIG FETE IN ST. LOUIS TONIGHT.

St. Louis, Oct. 6.—Wm. H. Taft arrived here shortly after noon today to finish up his campaigning in Missouri. He became immediately the center of a rapid fire schedule which took up every minute of his time until the late dinner hour, and then he was scheduled to plunge into the gaieties incident to the annual appearance of the Veiled Prophet in this city.

At the Planters hotel for a half hour, Taft shook hands with scores of citizens who took advantage of the public reception.

Then Taft entered a carriage and was driven to the Coliseum, where he delivered a lengthy speech, one of the most important of his campaign.

THIS MAN IS HONEST

Houston, Texas, Oct. 6.—The honesty of a laundress wagon driver enabled Mrs. Bert Dodge, a well-known woman here, to recover \$2,000 in diamonds today, after she had sent them by mistake to the laundry.

Mrs. Dodge used a pillow case as a hiding place for the jewels. She forgot all about them and bundled the pillow case off with the rest of the family wash. The driver discovered the valuables and returned them before the woman had discovered her mistake.

3,000 MINERS RETURN TO WORK

Reg. Lodge, Mont., Oct. 6.—All of the coal mines in this district except the Bear Creek mines, resumed operations yesterday with increased force, about 3,000 men returning to work. Local dissensions have arisen at Bear Creek. The Bear Creek mines furnish most of the coal for commercial use throughout Montana and the shutdown is working a hardship.

TRAIN WAITS FOR THE MILKMAN

FIRST REGULAR PASSENGER TRAIN FROM BUTTE TO CHICAGO OVER MILWAUKEE EXTENSION IS DELAYED.

Butte, Mont., Oct. 6.—The first regular passenger train from Butte to Chicago over the Pacific coast extension of the Chicago, Milwaukee & St. Paul railway, left this city yesterday several minutes late because of a tardy milkman who failed to supply the combination safe and observation car on time. The train waited for the milk vendor. It carried a number of passengers.

BEAUTIFUL MAXINE DANCES LIKE SALOME

DIVORCED WIFE OF NAT GOODWIN WILL DON BEADS IN SENSUOUS MOVEMENT.

New York, Oct. 6.—The spotlight's white glare is playing on lovely Maxine Elliott all night.

Nat Goodwin has divorced her, and she's going to be a Salome. You might suspect that the latter had something to do with the former, but it didn't. The bead dance announcement hadn't been sprung when Mr. Goodwin filed his papers.

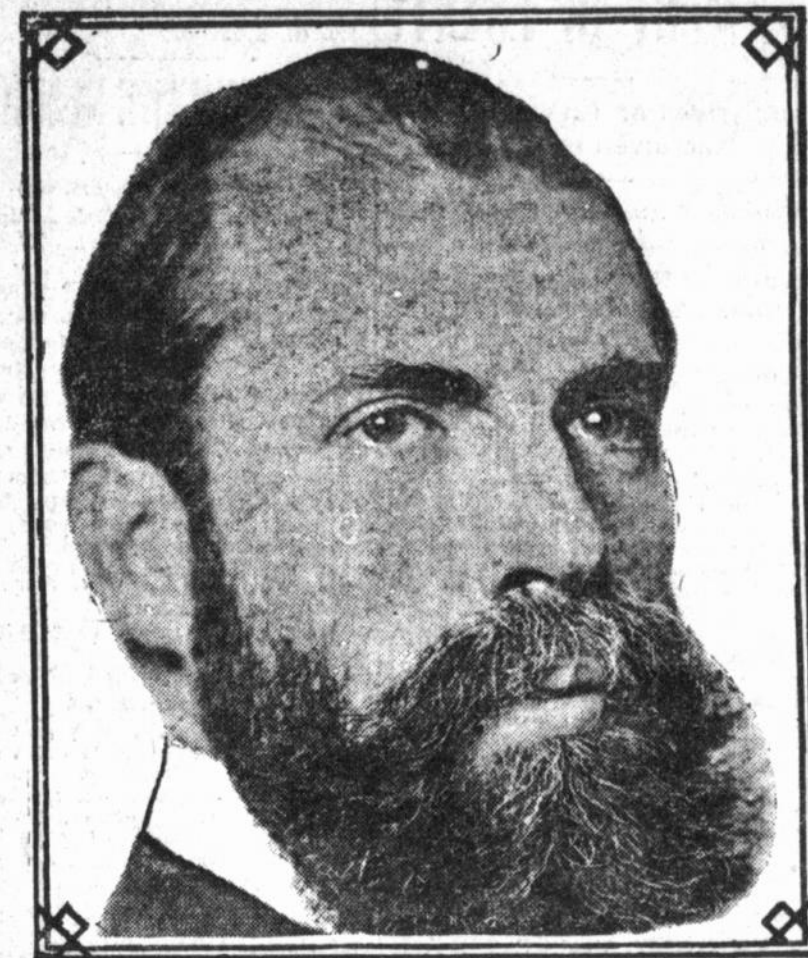

The divorce was granted at Reno, Nev. The ground was desertion. Nat whispered to the judge that Maxine wouldn't live with him. She had turned down his emissaries and refused to answer his letters. Maxine did not contest.

As for this Salome dance of Maxine's, it is going to be introduced in her new play, Myself, Bettina. It's not like the performance given by Eva Tanguay, Lotta Faust, Gertrude Hoffman, Maud Allen and other semi-nude whippers. Miss Elliott will wear not only beads, but considerable veiling. Her dance will be very short.

Mormons all Prebibs.

Salt Lake City, Utah, Oct. 6.—Having heard their president expound the words of wisdom which prohibit the use of all intoxicants by the faithful, 15,000 members of the Church of Jesus Christ of Latter Day Saints yesterday voted unanimous approval of a resolution pledging the entire membership of the church to support prohibition legislation.

Bryan Did Country a Great Service by Being Twice Defeated, Says Hughes

Gov. Charles Evans Hughes, of New York, who addressed a monster republican rally in St. Paul last night.

St. Paul, Oct. 6.—"Mr. Bryan did the country a great service by being twice defeated. Had he been elected twelve years ago he would not be a candidate now, but would have gone down in the disaster of his own fallacies."

In a speech here last night, Gov. Charles E. Hughes of New York thus summed up why he was working for the defeat of the democratic candidate for president. Mr. Bryan's proposed remedies for the correction of national evils, said Governor Hughes, were "impossible, panaceas and curealls." The governor, after speaking at fourteen towns on the tour, which in the next five days is to take him through the middle west states, appeared to be almost free of the throat trouble which threatened his voice. Large crowds, composed in some instances mostly of farmers, greeted him at LaCrosse, Wis., and in Minnesota at Winona, St. Charles, Dodge Center, Mankato and other stops.

Governor Hughes said he once came near not being governor of New York,

because in his youth he had seriously contemplated becoming a Minnesotan. Governor Hughes said in part:

"If you examine Mr. Bryan's remedy for the correction of trust evils, you will find not only that it is not practicable, but that it is chimerical, undemonstrable and weaker under analysis. Mr. Bryan proposes for one thing, that the corporations shall be restricted to manufacture of only 50 per cent of demand of any particular article. What would become of inventions under this system? It would cripple the patent laws, it would restrict inventive genius. We have in the democratic candidate a man whose sincerity I do not question, but the trouble with him is he is always suggesting something that won't work. 'Why do I stand for Taft? Because without pyrotechnics or sensationalism, he has done honestly and sincerely the hard tasks that confronted him. He is sympathetic, well poised and true.'"

Hughes left last night for Watertown, S. D., where he speaks today.

Woman Masquerades as Man for Thirty Years; Secret Is Revealed

New York, Oct. 6.—Mary Johnson, of California, is a prisoner at Ellis Island for violation of the laws of New York, in wearing men's clothes. For fifteen years she has masqueraded in male attire, under the name of "Frank Woodhull," because she felt that as a man she could better earn her living.

The woman, who is well educated and about 50 years old, was a steerage passenger on the liner New York, which arrived here yesterday. When the immigration people were inspected a sharp-eyed looking clerk became sus-

picious of "Frank Woodhull," and called the attention of the inspectors to her. The woman said:

"Gentlemen, I will tell you the truth. I am a woman. At the age of 20, I went to California. I had to support myself. I found life one hard struggle. My appearance and instinct were against my earning a living as a woman. I became so tired of the struggle, handicapped as I was by nature, that I decided to masquerade as a man. I put on a man's clothes, learned to walk, talk and work like a man, and ever since then lived much easier and pleasantly."

NELSON CO. CASE GOES UP HIGHER

SUPREME COURT OF STATE TO DECIDE ELECTION CONTEST FOR TREASURERSHIP

Grand Forks, N. D., Oct. 6.—The election contest case which was decided by Judge Templeton a few days ago, being the case of Nels Elvick of Lakota, against Harry Groves, contesting the nomination at the primary election to the office of county treasurer of Nelson county has been appealed by the plaintiff to the supreme court.

When the returns were completed the election resulted in favor of Groves by one vote, the canvassing board also found a victory for Groves by one vote, but in so doing there was a number of ballots thrown out. The matter was argued before Judge Templeton and the ballots from one complete township in Nelson county were given the victory, were not counted, because the judge of election failed to sign the ballots.

When the decision was rendered by Judge Templeton a few weeks ago, Groves was given the majority by something over thirty votes and this decision which gives him the nomination to the office of county treasurer of Nelson county has been appealed from by Elvick through his attorney Fred Kelly of Lakota. Attorney Rex of Grand Forks represents the defendant.

FIERCE STORM THAT RAGED IN MANILA HARBOR COVERED A WIDE AREA.

Manila, Oct. 5.—Restored communication with the northern part of the island of Luzon disclosed the facts that the typhoon which raged in this harbor last Sunday extended over a wide area and did considerable damage.

The artillery barracks at Stozenburg were destroyed by the storm and the troops are now camping in tents. The cavalry barracks were also badly damaged and the total loss at the post is estimated at \$36,000.

The schooners Lucia and Soledad were wrecked on the coast of Mindora during the storm on Sept. 27 and all passengers and crew of the Soledad but one were drowned. Capt. J. C. Heinschken and nine members of the crew of the Lucia were also drowned. SUICIDE IN ORDER TO PROVIDE FOR FAMILY

East St. Louis, Ill., Oct. 6.—To prevent his wife and eight children from becoming impoverished by his own illness, August Figi cut the arteries in his wrists and died this morning in the Henrietta hospital here.

Almost the last thing he said to his wife was: "It is no use wasting what little money we have in doctors' bills and medicine for me. The children need it for winter clothes."

Figi was 49 years old. He worked in a paint factory grinding lead. This poisoned him and brought on a wasting disease.

JOHNSON MAKES A HIT

Big Demonstration Marks Cass County Tour

IS A MAN OF THE PEOPLE

MAPLETON, HARWOOD, ARGUSVILLE AND OTHER TOWNS WELCOME THE G. O. P. SPELL-BINDERS ON SECOND DAY OF TOUR—HUNTER, TONIGHT.

Argusville, N. D., Oct. 6.—The second day of the tour of the republican candidates through Cass county again demonstrated beyond all doubt that the county will return an overwhelming majority for the republican national and state tickets on Nov. 3 next.

C. A. Johnson, candidate for governor, nor made great headway in this section of the county and he will receive the solid republican vote and also the votes of many democrats. That the country people will remain with the republican party is being clearly manifested by the large and enthusiastic receptions that greet the candidates at every stop.

Mapleton turned out en masse this morning to give the republican state and county officers a royal welcome. Senator McCumber, C. A. Johnson, L. B. Hanna and Attorney A. W. Fowler addressed a large gathering. Rev. Johnstone presided over the meeting.

Good Crowd at Harwood.

Harwood was the second stop made and although the party was a little late in reaching this town, a good crowd of people were out to meet them and hear the issues of the campaign discussed from a republican standpoint.

From Harwood the candidates were taken to Argusville where dinner was served. A large number of people, including many farmers, had gathered here to assure the nominees of the republican party that they were going to vote the ticket straight.

McCumber on Trusts.

The party reached Gardner about 1 o'clock, where a crowd of 200 people enthusiastically greeted them. Senator McCumber delivered the principal address, discussing the trust question in its various phases. The senator was interrupted many times by applause. Attorney Fowler, Senator Gilbert of Cass county, L. B. Hanna and C. A. Johnson also spoke. Clark Moore of Gardner presided at the meeting.

When the nominees arrived at Grandin they found a good sized assemblage awaiting them and the rally here was a big success. The big meeting of the day will be held at Hunter tonight.
