

## The Paris Vogue is Black Velvet Hats

In our millinery department we are showing so many unusually beautiful hats that everybody is talking about them. Our hats, one and all, have unusual distinction and are worth a special visit to see. After seeing them I think you will want to try them on. Many new ones will be shown tomorrow for the first time.

## BIG CONVENTION ENDED MONDAY

ELECTION OF OFFICERS AND BUSINESS MEETINGS HELD THE LAST DAY—W. C. T. U. WORKERS MORE ENTHUSIASTIC THAN EVER AND GIVE GLOWING REPORTS.

The twenty-fourth annual convention of the W. C. T. U. came to a close last evening. Yesterday all business meetings and the election of officers were held. The delegates returned today more enthusiastic than ever and say the convention far exceeded former conventions. The reports for the last three days are as follows:

**Saturday Morning.**  
The first business taken up was the reports from the 9th, 12th, 13th and 14th districts. Some of the things done in these districts were the holding of suffrage meetings, medal contests and a very excellent report was given from 9th district by Rev. Ruth Palmer.

At a meeting in a country church near Pollock 100 men signed a petition to get rid of saloons in Pollock, which is the trading place of these people, although it is in a dry state.

**Saturday Afternoon.**  
Mrs. Lillie B. Bowers, state organizer, gave a most important address on Teaching Sexology.

She advocated teaching the subject in schools just as any other subject is taken up and she gave a clear idea of how this could be done entirely satisfactorily.
