## KELLOGG-HAINES SINGERS TONIGHT

SECOND NUMBER OF THE LECTURE COURSE WILL BE HELD IN THE ARMY OF THE AGRICULTURAL COLLEGE THIS EVENING.

The last musical number scheduled on the Citizens' Lecture course and the second number of the winter's line of entertainment will be presented at the army of the agricultural college this evening when the famous Kellogg-Haines Singing party will present a splendid program.

This organization is a most notable one and should prove highly entertaining to the music lovers of the city. F. B. Davis, cashier of the Farmers' Savings bank of Manson, Ia., and secretary of the Manson Businessmen's Lyceum committee, in remitting for the Kellogg-Haines Singing party, under date of Nov. 4, 1914, writes:

"Enclosed you will find check to pay for the Kellogg-Haines Singing party; and right here I want to tell you, they certainly are the best company that has ever been in this old town. (Manson conducts a \$1,000 course each season.)

"I do not know when our people were ever so enthused over an attraction as they were over these people's entertainment. They just took the house from the start and held it until the last. Everyone said they wished we could have them once or twice more."

"They are sociable and very desirous of helping the local committee make a success. In our judgment too much cannot be said about their attraction."

## ALL RETAILERS GET INVITATIONS

COMMERCIAL CLUB INVITES ALL RETAIL MERCHANTS OF THE CITY TO ATTEND THURSDAY EVENING MEETING AND HEAR F. R. STOCKDALE'S ADDRESS.

The Fargo Commercial club has announced that all the retail merchants are invited and urged to be at the regular meeting of the club on Thursday evening when Frank R. Stockdale will deliver his address on the subject of Keeping Up With Rising Costs.

At this meeting next Thursday evening the usual 50 cent dinner will be served at 6:30 o'clock after which the speaking will take place. The secretary of the club requests that all retailers the urged to be present whether they are members of the club or not and he requests that he be notified of those intending to accept the invitation in order that provision can be made for plates for them.

The address to be given by Mr. Stockdale, who is connected with The System Magazine, will be of especial interest to every retail merchant of the city as it will deal with every phase of the retail business and how it is affected by the rising prices.

Another important address, and one that should prove most interesting, will be delivered by C. F. Merrell on the subject of The War Revenue Taxes. A number of these taxes are now in force and other stamp taxes, especially those on documents of various kinds, will go into effect on Dec. 1.

## FOUND GUILTY OF MINOR OFFENSE

JOHN BEAUMONT, WHO WAS CHARGED IN DISTRICT COURT WITH MAIMING, WAS FOUND GUILTY OF ASSAULT AND BATTERY BY JURY TODAY.

The case of the state against John Beaumont, which was begun in the district court before a jury yesterday afternoon, ended this afternoon shortly after noon when the jury brought in a verdict that Beaumont was guilty of assault and battery.

Beaumont, who with Robert McLellan, was charged with maiming as the result of an attack made upon Andrew Nelson of this city, fares considerably better than McLellan who Saturday pleaded guilty to the charge against him. Beaumont decided to stand trial on the charges.

The case went to the jury this morning shortly before 11 o'clock. This afternoon the court will be occupied with the work of selecting a jury for the trial of the case of the state against Earl Bartholomew, who is charged with grand larceny. It is probable that the hearing will be started this afternoon, although there is little chance of the case going to the jury before some time tomorrow.

Bartholomew is specifically charged with stealing a horse, harness and buggy, valued at several hundred dollars, from Anna Yanda of Hope. According to the information filed Bartholomew is alleged to have taken the outfit from the place of Mrs. Yanda near Hope and driven it to Page where it was traded for a span of mules. Bartholomew was trailed and caught by the officers. It is alleged that the horse is valued at \$250 alone.

Washington, Nov. 17.—Ambassador Page at London cabled a denial of the report that the German military authorities in Belgium were stopping the shipment of food for needy Belgians. The ambassador said there has been no interference and that the German military authorities were giving useful assistance.

Elementary instruction is obligatory in France for children of both sexes between the ages of 6 and 13.

## DOG OWNERS INCENSED BY KILLING OF PETS

Minot, N. D., Nov. 17.—The shepherd dog belonging to John Wernecke, 102 Fifth avenue, and a valuable hunter owned by Mrs. Chet Shields, living on Helyea avenue, were shot by some vicious person yesterday morning. Both of the dogs were seriously wounded, but it is believed that their lives will be saved. Another white dog with brown spots was shot and was picked up while dragging itself through the streets in a pitiable condition. The shooting of the dogs was done by the same person, it is said, and that person was seen in the act. Mr. Wernecke states that he intends to take action in the matter. The dogs appear to have been wounded by a .22-calibre rifle or revolver.

## HAVE DARK HAIR AND LOOK YOUNG

NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Adv.
