## THE CITY

### MISS BROWN MARRIED.

Mr. and Mrs. Wm. H. Brown, of 10324 Longwood Boulevard, Chicago, have issued invitations for the marriage ceremony of their daughter, Freda Ethel, to Mr. Charles Roy Kindt on Wednesday evening, June 22. The young couple will be at home at Moline, Ill., after September 1. Miss Freda will be remembered as the charming daughter of Mr. and Mrs. Brown, Mr. Brown being at the head of the well known real estate firm of Wm. H. Brown & Co., Devils Lake.

### CHILDREN'S SERVICE.

There will be a special service for the benefit of children at the German Evangelical church this morning at 10:45, this being the Sunday when the children receive their annual rewards for faithful Sunday school attendance. Everybody, young and old, are cordially invited to this service.

### VISIT IN MINNESOTA.

Mrs. Joseph Hare left yesterday for St. Paul for a visit. On her return she expects to stop at St. Joseph, Minnesota, and bring the children home from St. Benedict academy.

### MRS. SHORTRIDGE ILL.

Friends of Mrs. E. C. D. Shortridge, now a doctor of osteopathy at Devils Lake, will regret to learn of her serious illness at Devils Lake. The Devils Lake Journal says her condition re-

mains about the same and her friends anxiously await a turn for the better. Mrs. Shortridge is well remembered by old time residents of the city, when she was here as mistress of the executive mansion, when E. C. D. Shortridge was governor. She was a kindly and delightful lady and it is hoped she may recover from her present illness soon.

### DIED OF WHOOPING COUGH.

The ten week old son of Mr. and Mrs. Louis H. Carufel died early Saturday morning from whooping cough. If the baby had been a little older he would have been able to have withstood the ravages of the disease but as it was the frail young body was too weak to combat against illness and death was the inevitable result. Private funeral services will be held from the family residence at 2 o'clock on Sunday afternoon, and interment will be made in Fairview cemetery.

### PLEASANT LAUNCH TRIP.

Wilbur E. Reeves came down from Washburn in a launch Friday evening. The party had a pleasant trip, although they were all badly sunburned. Mr. Reeves will work in Bismarck during the summer months.

### PURITAN GRAPE JUICE

There is being sold throughout the state by many dealers Puritan grape juice. The producers of this product have not registered this grape juice under the beverage law of North Dakota, therefore the selling of the same is in violation of the law of this state.

The Paw Paw Grape Juice Co. of

Paw Paw, Mich., state that they do not intend to register their product, and say, "We are not selling a case of goods in North Dakota."

Dealers will, therefore, take notice that further handling of this product in the state will be deemed as sufficient reason for entering complaint to the state's attorney in the county where these products are sold.

E. F. LADD,  
Commissioner.

### THREE NEW AUTOS.

Lahr Brothers received three new Parry automobiles Saturday for distribution at this point. One of the cars have already been disposed of, one going to Dr. F. E. Bunting of Mandan, and the other to Charles Anderson of Wilton. A buyer is also in sight for the third machine. The new garage is nearly completed and may be ready for occupancy by the latter part of next week. The firm hopes to sell many more autos in this locality before the season ends.

### HOME FOR VACATION.

Clement and Joseph B. Busch, sons of C. J. Busch, who have been attending St. Thomas college at Merriam Park, arrived home on number seven Saturday to spend their summer vacation.

### HAS A FINE CAR.

It was the good fortune of the desk man of the Tribune to get a ride in the new "Petrel" automobile for which Chris. Henzler has secured the agency, yesterday afternoon. The machine is 35 horse power and is the new friction drive make. It attacks hills and sandy roads in a manner which shows the car has the power, and the ease with which it is handled also speaks well for the makers. The car is not the largest in the country but is of sufficient weight to make it an easy rider. Mr. Henzler has many prospects of sales for this car as it is a moderate priced auto and he expects to place a large number of them this season.

## Enthusiastic

We have sold several Caloric Fireless Cook Stoves this spring and every purchaser is **Enthusiastic**. One lady, rather skeptical at first, is so enthusiastic that she has arranged with us to ship one to a daughter at Wapeton, N. D., and one to a relative in Nebraska. You would not imagine so much enthusiasm over anything, but just visit our **Furniture Department**, ask for a **Caloric Demonstration**. Let us tell you the why and wherefor of this enthusiasm.

You can cook anything in a **Caloric** more economically, with better results, than the old-fashioned way. No trouble, no worry, no loss of time, and practically no cost for fuel.

We sell each and every **Caloric** under a positive guarantee. Your money back if not absolutely satisfactory.

Remember, you can save enough fuel this summer to pay for a **Caloric**.

Prices Range From

**\$9.00**

Upward
