**TO THE VOTERS OF BURLEIGH COUNTY**  
I am not a candidate for the office of County Superintendent of Schools, and I have never intended to be such. The votes received by me at the primaries were, of course, unsolicited; and while I feel grateful to my friends, there are many reasons why I cannot consent to be a candidate. I was not aware that my name was on the official ballot until the notice of the County Auditor appeared in the Tribune a few days ago.

Respectfully,  
LAURA BELLE WARD.
