COMPANY A DRILL.

There will be a regular meeting and drill of Company A at the armory this evening at eight o'clock. A full attendance is ordered, as the equipment must be in shape for the annual inspection which will occur one week from tomorrow.

ENJOYABLE PARTY.

The members of St. Elmo lodge No. 4 Knights of Pythias of Bismarck and their families, as well as several visiting knights, enjoyed a very pleasant time at a dancing party which was given by them at the Pythian hall Wednesday evening. Music for the occasion was furnished by Sellen's orchestra. All who were in attendance report a very delightful time.

\$2,479 DAY'S BUSINESS.

Fifteen Proofs Were Received at United States Land Office Wednesday.

Wednesday was a busy day at the United States land office at Jamestown, the total receipts for the day being \$2,479. During the day there were fifteen final proofs received and three persons filed on claims. Those who filed their applications for homestead entries were Joseph Miller of Ashley, Rasmus Tuntland of Shields and Thomas J. Dallen of Expansion. There was one proof taken by the local clerks, commutation proof being made by Harry A. Day of Hebron. The other fourteen were received from out of town for entry on the records of this office.

RAILROAD RUMORS.

"There is good reason for hurrying the work on the north line," says the Mandan Pioneer. "Already there is talk of the Milwaukee extending north into the Knife River country, and as the Northern Pacific has the Knife River branch surveyed, and practically secured right of way west from Stanton, it is probable that one of the first moves made by the company will be to complete the line to Stanton and start the work of grading the Knife River branch west through Manning. This will really open up a better freight producing country than the strip south from Cannon Ball, which as yet is unopened reservation country."

"A lively scramble is looked for for domination in this country northwest of Mandan in Oliver, Mercer, Dunn and McKenzie counties. Besides the Northern Pacific and the Milwaukee, it is said the Soo has well laid plans formed for extensions through to Montana. A short time ago a report was published that the Soo officials had purchased 80,000 acres in Dunn county, and it is learned that the records show the transfer of some very large tracts."

AN UP-TO-DATE DRUGGIST says it is surprising how many old-fashioned remedies are being used, which goes to show that it is hard to improve some of our grandmothers' old, time-tried remedies. For instance, for keeping the hair dark, sort and glossy, nothing equaling our grandmothers' "sage tea" has ever been discovered. Although, by the addition of sulphur and other ingredients, this old-fashioned brew has been made more effective as a scalp tonic and color restorer.

Nowadays when our hair comes out or gets faded or gray instead of going to the garden or garret for herbs and making the "tea" ourselves, we simply go to the nearest drug store and ask for a bottle of Wyeth's Sage and Sulphur Hair Remedy.

Druggists are authorized to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by all druggists.

BISMARCK DEFEATED THE JAMESTOWN CUBS

LOCAL BASKET BALL TEAM WON CONTEST BY SCORE OF 48 TO 29.

Visiting Team Were Very Much Lighter Than Home Boys and Result was Never in Doubt.

Wednesday night at the armory the Company A team of Bismarck won the basketball game from the Jamestown Cubs by a score of 48 to 29. The result after the first few minutes of play was never in doubt. The visitors played a good game but were considerably outclassed by the local aggregation, especially in weight, as the capital city team average at least fifteen pounds heavier per man.

There were some good plays made by each team as well as some poor ones. Both teams were weak on covering and guarding, but there were some phenomenal field baskets thrown during the contest.

The Jamestown team defeated Steele Tuesday evening by a score of 36 to 27. From here they go to Mandan. They had a game scheduled at Washburn, but the schools of that town are closed on account of scarlet fever and they have been obliged to cancel that match.

The score in detail for the game Wednesday night follows:

Bismarck.
Belk, Jr., 22.
Albertson, Jr., 18.
Treacy, C., 2.
Vander, C., 2.
Hogue, Jr., 2.
Lewis, Jr., 2.
Total, 48.

Jamestown.

Taylor, Jr., 8.
Wilson, C., 5.

BISMARCK BUSINESS MEN GOING TO MOTT

CAPITAL CITY WILL BE REPRESENTED AT OPENING OF HOTEL BROWN.

President Welch of Commercial Club and President Williams of City Commission to Represent City.

Friday, March 24, will witness the grand opening of the new Hotel Brown at Mott, and the Commercial Club of the White City has joined hands with the management of the hotel to make the event one that will be long remembered in the annals of the Missouri Slope.

Invitations have been sent out to many commercial clubs throughout the state and there will be representatives present from every section of North Dakota.

The capital city will be among the cities to be represented, and the local commercial club has designated President George Welch of the organization and General E. A. Williams, president of the Bismarck City Commission as the delegates from the state capital. It is also expected that there will be a number of other business men of the capital city go down to attend the function which promises to be a brilliant affair.

The banquet, which will mark the opening, will be held at 9:00 p. m. and promises to be something very exceptional. Covers will be laid for about two hundred, and extra help and additional silverware has been secured for the occasion. An orchestra has been engaged to furnish music for the event, and there will be cut flowers galore. The banquet will be under the personal supervision of Mr. Washburn, the steward, who is also one of the proprietors, and he is determined that nothing will be left undone which will tend to make the affair a notable success.

Following the banquet, there will be a large number of after dinner speeches, and toasts responded to. Among the speakers will be President Williams of the Bismarck city commission.

There will be other prominent men in attendance from all parts of the state who will also deliver addresses. The guests will leave Mott Saturday morning and will arrive at the state capital Saturday evening.

Supreme Court

The State of North Dakota, respondent, vs. Friedrich Brandner, appellant.

1. Chapter 5 of the code of criminal procedure of the year 1905, commonly known as the Bastardy Act, does not violate section 61 of our state constitution. Said act is quasi criminal in its procedure and is germane to the title of said code.

2. While bastardy proceedings are quasi criminal in their nature the trial of the action under section 9453 Revised Codes of 1905, is governed by the rules of civil trials, and the state has the burden of proving its allegations by a fair preponderance of the evidence only. Instructions requiring a stronger degree of proof were properly refused. Instructions given examined and found correct.

3. Trial courts are vested with wide discretion in ruling upon the admission of leading questions. The complainant was eighteen years of age without education, who gave her testimony through an interpreter; she was being examined about acts of illicit intercourse and the birth of a bastard child born to her three weeks prior to the trial. Under those circumstances the trial court properly allowed the state to ask leading questions.

4. The jury are not bound to believe or disbelieve the entire evidence of any witness. It is their duty to examine all of the evidence offered and to arrive at the truth regarding the matter in dispute. Evidence examined and found to sustain the verdict of the jury.

5. A new trial will not be granted upon the grounds of newly discovered evidence when such evidence is merely cumulative.

Syllabus by the Court.
Appeal from the judgment of the district court of McIntosh county, Allen, J.

Defendant was adjudged to be the father of a bastard child and appeals. Affirmed.

Wolfe & Schneller and H. P. Remington, for appellant.

G. M. Gannon and W. S. Lauder for respondent.

Opinion of the court by Burke, J., all concurring, except Morgan, C. J., not participating.

All members and their friends of the Homesteaders' lodge should not forget the card party at Baker's hall Friday evening, March 24. The entertainment committee promises you a splendid time.

CATARRRH IS SURELY A DANGEROUS DISEASE

Thousands of people allow catarrh to slowly undermine the whole system until a serious disease develops—sometimes consumption.

People who have catarrh should use every effort to get rid of it, but should above all, adopt a sensible method.

Stomach dosing, sprays and douches won't cure catarrh because it is a germ disease, and the germs must be destroyed before the disease can be conquered.

HYOMEI is the one sensible cure for catarrh because it reaches every fold, crevice and nook in the mucous membrane and gets where the germs are. You breathe HYOMEI and as it passes over the inflamed membrane its soothing influence heals the soreness and destroys the germs.

A complete HYOMEI outfit costs \$1.00. This consists of a bottle of HYOMEI and a hard rubber inhaler. Pour a few drops of HYOMEI into the inhaler and breathe it a few minutes each day, that's all you have to do. It is guaranteed by Lenhart Drug Co., and druggists everywhere to cure catarrh, coughs, colds and sore throat or money back. Extra bottle of HYOMEI costs 50 cents. Free trial sample on request, from Booth's Hyomei Co., Buffalo, N. Y.

"THE OLD HOMESTEAD" SATURDAY.

It is a pleasure to announce that Denman Thompson's quaint chronicle of rustic life in the New Hampshire fields and valleys, "The Old Homestead," is booked to appear here. The twenty-four years of life that this remarkable play has had is a striking tribute to its power to please a large class of theatregoers, who find in its homely sentiment flashes of wit, lovable characters, and meadow-tinted atmosphere, a refreshing change from the glare and tinsel of the spectacular. The cast and scenic embellishment in the coming engagement are promised to be of the same high order of excellence which Mr. Thompson has always provided. The special musical features, the quartet and the grand choir in the Grace Church scene, are said to be as effective as in previous years. At the Bijou theatre Saturday night.
