

CLOOTEN'S LIVERY

Now Open and Ready for Business

Having purchased in its entirety the Chas. White Livery, we have moved same to the old Wachter barn at 514 Main, where I am now in a position to cater to your business.

I am going to add a number of new rigs immediately and in many ways endeavor to make for the highest class service. Phone No. 105; hacks day or night; bus meets all trains; feed barn in connection.

Have for sale at barn some horses, including drive and work horses; also one Percheron stallion, which if not sold will be in service.

If you need a rig, call 105 and it will immediately be at your door

MAT CLOOTEN Prop.

Additional Local

UP FROM FARGO.

Representative W. J. Price came up to the Capital City from Fargo Monday night on No. 5. He came up to look after business matters and to watch the progress of the Cowan trial.

HOME FOR EASTER.

Paul Jewell will arrive in the city this evening from St. Paul, where he has been attending St. Thomas College. He will remain at his home here during the Easter vacation.

WENT TO MINNESOTA.

Chief of Police A. F. McDonald departed on No. 6 Tuesday morning for Ada, Minn., where he will look after property interests and attend to other business matters. He will be gone for two or three days.

EN ROUTE TO JAMESTOWN.

Attorney John F. Fayle of McKenry was among the arrivals at the state capital Monday evening. He left on No. 4 Tuesday morning for Steele and Jamestown where he will look after some legal business.

VISITED DAUGHTER.

Mrs. O. D. Wells of Seymour, Wis., departed for her home Tuesday morning on No. 4, after spending several days in the capital city where she had been visiting with her daughter Mrs. B. I. Healy.

HAS PNEUMONIA.

T. W. Griffin, a well known farmer residing ten miles north of the city is very ill with an attack of pneumonia. His daughter, Mrs. H. W. Richholt is

spending a few days at his home to be with him, and a trained nurse has also been employed. His numerous friends in the county wish for him a speedy return to health.

PASSION WEEK SERVICES.

At the Presbyterian church last evening Rev. Robt. H. Myers gave an excellent address the first of a series of Passion Week Talks. The meeting was much appreciated by those present. Mr. A. W. Stuart led the music and sang acceptably, as always. A good meeting is assured tonight. Service begins at 7:45.

ON BIOLOGICAL SURVEY.

M. A. Brannon, dean of the medical school of the state university and professor of biology, arrived in Bismarck Monday evening on No. 5. He is in charge of the state biological survey and came down to attend to business matters in connection with this work. It is stated that he will also go to Dickinson on similar business before returning to Grand Forks.

GAME WARDENS HERE.

The meeting of the game and fish board of control was the inducement for most of the game wardens of the state to assemble in the city Monday night. Among those who came to Bismarck were Olof Björke of Abercrombie, Thomas Griffith of Grand Forks, and S. R. Finley of Harvey. T. D. Casey came down from Grafton to be in attendance at this meeting of the board.

Titles.

Reginald—My father had D. D. put behind his name. Jimmy—Dat's not him. They took me father to de alcoholic ward an' put D. T. behind his name.—Philadelphia Record.

WOULD TEST CATTLE FOR TUBERCULOSIS

DR. GEO. F. REUDIGER ARRIVED AT STATE CAPITAL FROM GRAND FORKS.

Other Cities in the State have been Warranted Pure Milk Supplies and Bismarck Should Follow Suit.

Among the arrivals at the state capital Monday evening on No. 5 was Dr. G. F. Reudiger, director of the public health laboratory at Grand Forks. Dr. Reudiger came to Bismarck to look over the branch public health laboratory at this station and principally to see whether or not all the dairy herds of the city had been tested for tubercular cattle.

While the seven principal dairies which supply milk to the capital city have all taken out a license, there has been no test for tubercular infection in the cattle as yet. This should be done as soon as possible, Dr. Reudiger believes, thus assuring a pure milk supply for Bismarck. Grand Forks has gotten rid of tubercular cattle, Fargo and Minot having a clean milk supply. It is purely and simply a matter of protection for the people. Before the testing is started Mr. Reudiger believes that the city should stand back of it. All tubercular cattle which are found should be disposed of.

This proposition to clean up the dairies applies to all persons who sell milk, even if they sell it only to their neighbors. The milk licenses which are issued by the city milk inspector have been taken out by the seven principal dairy owners, but the small dairymen have not as yet taken out any. It is proposed to put the law into force and such person who sells any milk will be required to take out the necessary license.

Dr. Raver, who is director of the branch public health laboratory at this point states that there has already been an improvement of over 100 per cent in the cleanliness of the dairies of the capital city, but even now there is room for some improvement, and Dr. Reudiger will assist him in starting a plan which will assure for Bismarck—"The Chicago of the West," a pure milk supply.

GOVERNMENT SEEKING ADDITIONAL CLERKS

SIX MORE CIVIL SERVICE EXAMINATION ARE ANNOUNCED FOR MAY.

Accounting Clerks are Wanted for the Interstate Commerce Commission and other Good Positions are Open.

The United States civil service commission has announced six more examinations to be held in May and some of them may prove of interest to some of the residents of the capital city.

On May 6 an examination will be held for the position of plumber's helper. There will be no educational test given, the subjects considered being physical ability and training and experience.

There are five examinations scheduled for May 19 and 21.

The principal one of these is that of accounting clerk, in the Bureau of Statistics and Accounts, Interstate commerce commission.

The eligibles obtained from this examination will be classified in three general groups with salaries ranging as follows:

Group A—Examiners, \$2,220 to \$3,000 per annum.
Group B—Examiners, \$1,860 to \$2,100 per annum.
Group C—Clerks, \$1,200 to \$1,620 per annum.

The applicant should indicate the group for which he desires to be examined, but he will be admitted to examination only for the group for which he is, upon a consideration of his statement of experience, shown to be fitted.

An applicant must show that he has had high grade experience in connection with railway or other common-carrier service, preferably in accounting, of at least seven years to be eligible to Group A; five years to Group B; and three years to Group C. Experience with the Interstate Commerce Commission or any of the state commissions engaged in the regulation of the affairs of common carriers will be accepted in lieu of experience in connection with railway or other common carrier service.

There is a vacancy to be filled in the position of library cataloguer (male) in the bureau of statistics, department of commerce and labor. Applicants must have a reading knowledge of French and German and must show that they have had at least one year's training in a library school or experience as a cataloguer or classifier in a public library.

A game-law clerk is wanted for the bureau of biological survey, department of agriculture. Applicants for this position must have a thorough knowledge of stenography and typewriting, and an elementary knowledge of ornithology, mammalogy, and the principles of game protection, including a general knowledge of the game laws of the states in which they are residents.

Another of the tests will be to secure eligibles to fill the position of inspector's assistant in the bureau of animal industry, department of agriculture. Applicants who have had less than three years experience in handling meats or meat-producing animals will not be examined. The duties of this position are to assist both veterinary inspectors and meat inspectors at slaughter houses and packing establishments in connection with

their duties of inspectors of meat and meat-food products.

A scientific assistant, qualified in wood utilization is wanted to fill a position in the Forest Products Laboratory of the forest service, department of agriculture. The position demands an elementary knowledge of the properties, structure and uses of the different species of wood, including those of present importance or of promising value in commerce.

There have also been a number of other examinations announced by the civil service commission at various times and further information may be secured by applying to Harry Larson, secretary of the local board of examiners, at the general delivery window of the Bismarck postoffice, or by writing direct to the United States Civil Service Commission, Washington, D. C.

NEW SALVATION ARMY OFFICIALS APPOINTED

CAPTAIN AND MRS. HALL WILL SPEND YEAR OF REST FOR BENEFIT OF HEALTH

Captain Swanson and Lieutenant Geringer have been appointed to succeed them in Salvation Army Work in Bismarck.

Tuesday afternoon Captain and Mrs. C. P. Hall who have been in charge of the work of the Salvation Army in the Capital City for over a year departed for Almont, N. D., where they will rest for a year on their claim for the benefit of the captain's health. During their stay in the city both Mr. and Mrs. Hall won a host of friends. They have labored faithfully for the cause in which they are interested and during their tour of duty the new Salvation Army Citadel was constructed. In its construction Mr. and Mrs. Hall played a most important part. The building is constructed of cement blocks and Captain Hall himself made almost all of the blocks which were used in the erection of the barracks. The many friends of the departing officers of the Salvation Army wish them a pleasant journey, and a speedy return to good health to the captain.

Wednesday afternoon Capt. Swanson and Lieut. Geringer will arrive in Bismarck to succeed Capt. and Mrs. Hall in the work at this point. They will hold their first meeting Wednesday evening, April 12, at the army Citadel. There will be a rousing welcome meeting at this time and it is urged that every friend of the Salvation Army and the good work which it is doing, will attend this service, to which all are cordially invited, and give them a real and hearty welcome.

QUINLAN BLOCK WILL IMPROVE FIFTH STREET

WORK STARTED ON NEW BUILDING TUESDAY AFTERNOON BY JOHN L. LARSON

Mr. Larson Has Several Business Structures Under Way and Anticipates a Large Business This Summer.

Tuesday afternoon the contracting firm of John L. Larson and Company commenced work on the construction of the handsome new brick business block on the Quinlan property immediately north of the Soo hotel on Fifth street. This new structure when completed will greatly improve the appearance of this street and marks the opening of the building rush of the present season.

The Quinlan block will cost, when completed, over \$10,000. It will be 100 feet long, and will comprise two stories and a basement. The building will be faced with Hebron pressed brick and will have a plate and prism glass front. The first floor will be occupied by a restaurant and there will be suites of rooms in the second floor. The building will be thoroughly modern throughout.

Mr. Larson of John L. Larson & Company was the contractor who built the hotel McKenzie. He moved to Bismarck last August at the time he started work on that building. He was very much pleased with the outlook for a substantial growth of the capital city and decided to make his home here. He is one of the ablest contractors in the business today and he anticipates a heavy building season before the summer is ended.

VISITING IN ST. PAUL.

Mrs. James Casey and son Stanley are spending two or three weeks in St. Paul where they are visiting with relatives and friends.

WANT AGENT AT BENEDICT.

The railroad commission is in receipt of a well signed petition from the residents and business men of Benedict asking that the Soo line be required to keep an agent at that point. The commission is in receipt of many requests of this character since the passage of the law relating to the keeping open of stations when the annual business runs over a certain sum.

PROPOSAL.

Sealed bids will be received by the board of trustees for the completion of the Masonic Temple at Bismarck, North Dakota.

Plans and specifications can be seen at the office of C. T. DeLamere, architect in City National Bank Building. All bids must be left at the office of C. B. Little, chairman, before twelve o'clock noon, April 22, 1911.

The board reserves the right to reject any or all bids.

J. A. GRAHAM, Secretary.

NEW BANK STARTED IN KIDDER COUNTY

THE FARMERS AND MERCHANTS STATE BANK ORGANIZED FOR BUSINESS.

Dawson and Jamestown Business Men Interested in New Kidder County Financial Institution.

The office of the secretary of state yesterday issued a charter to the Farmers and Merchants State Bank of Robinson. Robinson is located in Kidder county and the people who are backing the new financial institution think the town has a good future and there will be room for a banking house of the kind they expect to operate. It is understood that the place will open for business in the very near future.

The names appearing on the papers of incorporation are T. F. Pryse and F. A. Cameron, both of Dawson, and C. R. Weber, of Jamestown. The bank will be capitalized for \$10,000.

SPECIAL TABLE D'HOTE DINNER EASTER MONDAY

NEW DEPARTURE WILL BE INAUGURATED AT BISMARCK'S FAMOUS HOSTELRY

If Enough Reservations Can Be Secured Special Menu Will Be Served From 8 to 10 on Evening of Military Ball.

Mr. Rowan, steward of the Hotel McKenzie, announces that in view of the fact that the annual military ball of Company A will be held Easter Monday and inasmuch as that is the first post-Lenten social event, he will serve a table d'hôte dinner at the cafe of the McKenzie between the hours of 8 and 10, preceding the ball. He has also made arrangements for music for this evening.

The management of the McKenzie intends to inaugurate several new departures gradually as the demand for them on the part of the capital city residents increases. Mr. Rowan is especially well qualified to cater to large social functions and gatherings. The new departure which he plans for Easter Monday cannot be assured unless there are sufficient reservations for tables and the reservation lists will be kept open until Sunday, April 16.

MINSTREL SHOW SEATS TO BE RESERVED MON.

TICKETS ARE NOW BEING SOLD BY THE LADIES OF THE CIVIC LEAGUE.

Plan of Issuing Numbers as Used by Lecture Course Association Will Be Followed.

The plan for the reservation of seats for the Commercial Club Minstrel show to be given for the benefit of the Civic League Park will open at ten o'clock Monday morning, April 17th, at Knowles & Hane's jewelry store. Tickets for the performance are now being sold by the members of the Civic League. To avoid confusion when reserving seats the committee has decided to follow the plan adopted by the lecture course association, that is, at eight o'clock Monday morning to give out numbered slips in the order of arrival of ticket holders. At ten o'clock these numbers will be called consecutively and the reservations made in turn. No one person can reserve more than six seats at this sale. Telephone and mail orders cannot be filled until after those present have made their selections. As the Bijou theatre can seat less than 500 an early choice is advised. Remember therefore that numbers will be given out next Monday morning at 8 o'clock and the plan opened, to number holders only, for reservation at ten o'clock.

ANNUAL DISPLAY OF HOSKINS FLORAL CO.

WEALTH OF FLORAL BEAUTY ON EXHIBITION HAS NEVER BEEN SURPASSED.

Four Large Dray Loads of Plants, both Flowering and Decorative, Brought to Down Town Store From Greenhouses.

The Hoskins Floral Company has on exhibition in its down town store in the Tribune block one of the most magnificent displays of Easter plants both flowering and decorative, that has ever been seen in the Northwest, from the Twin Cities to the Pacific Coast. The display is attracting unusual attention and it would be worth the while of every resident of the state capital to see it, especially if they are interested in procuring some handsome floral decorations for their homes on Easter and during Holy week.

Since the lily is distinctly the Easter flower almost the entire front of the store is devoted to a great display of these plants whose snow white petals are emblematic of the purity that should be characteristic of all Christians, and the gradual unfolding of whose blossom is preaching a mute sermon of the "new life" which is

emphasized especially at this anniversary of the Resurrection.

However, the Hoskins Floral Company has raised other flowers than the Easter lily which may be used effectively for decorative purposes. There are azaleas ranging in color from white to a glorious red. The spiraea diffuse their sweet perfume and near them are clustered a wealth of hydrangeas, roses, lilacs, rhododendrons, primroses, cyclamens, and other flowers. There are also cut flowers galore. Some of the handsomest offerings in the cut flowers are the tulips which are now in full bloom, and there are hundreds of carnations, roses and other blossoms.

There were four large dray loads of the flowers taken to the down town store from the company's green houses, and as one looks over the display he cannot help but marvel that such handsome flowers and so many of them can be grown in Bismarck. Capital city residents are proud of the Hoskins Floral Company, which has the largest and most up to date green houses and the best facilities for raising flowers of any floral company in the entire Northwest.

PAID FIRE DEPARTMENT ORDINANCE HELD OVER

CITIZENS ON SOUTH SIDE WANT TO TAP GOVERNMENT WATER MAINS.

Votes in Recent City Election Were Canvassed and Results Found Same as Stated in Tribune.

A number of firemen of the city were present at the meeting of the city commission last evening regarding the passage of the proposed ordinance creating a partial paid fire department here in place of the present volunteer fire department. Toward the close of the evening Mr. Marquett brought up the ordinance for its second reading and offered a number of amendments. H. L. Reade, Geo. Fortune and Harry Thompson asked that the commission postpone further consideration of the ordinance until the firemen could have more time in which to talk it over, that while they were all in favor of the paid department they thought that there might be some particulars in which the ordinance could be improved and at the same time it might be that the ordinance as proposed was probably all right but they wanted a little more time to go into its details. This was satisfactory to all the commissioners and on motion of Mr. Lucas the matter was put over till next Monday. After which Mr. Marquett stated to the firemen present that he would call a meeting of the department for Wednesday evening at 8 o'clock to consider the ordinance.

The city attorney stated that he could give no opinion as yet as to the proper procedure to take to create the proposed improvement district as he could not find a copy of the law passed by the last legislature authorizing the creation of these districts.

A petition from property owners living on south 10th, 11th and 12th streets asking the Commission to take the necessary steps to have the government allow citizens to tap its water main running to the military post and when this was granted to extend the water mains on those streets was presented. The matter was referred to Commissioner Lucas who will see what can be done.

The commission canvassed the vote of the election last Tuesday and found it had resulted as follows:

For members of the board of city commissioners:
Henry Tatley, 510 votes.
Edw. G. Patterson, 425 votes.
S. S. Clifford, 302 votes.
A. F. Marquett, 47 votes.
W. E. Lahr, 44 votes.
N. A. Freeberg, 11 votes.
J. C. Pollock, 43 votes.

For Police Magistrate:
W. S. Caselman, 314 votes.
E. S. Pierce, 285 votes.
Frank Scott, 83 votes.
For City Justice of the Peace:
H. W. Richholt, 52 votes.
John Williams, 38 votes.
Wm. O'Hara, 18 votes.
Scattering, 83 votes.

After allowing a big bunch of bills the meeting adjourned to next Monday evening.

ADDITIONAL PERSONAL.

Frank Carney of Belfield was looking after business interests in the capital city Tuesday morning.

S. E. Harold came down from Ryder Monday evening on a short business trip.

E. A. Lillibridge was among the arrivals in the capital city from the western section of the state.
