**IMPORTANT ANNOUNCEMENT
MADE TO SMOKERS**

High Quality of San Felice Cigars
Maintained. Now Sell at 5c
Straight.

Owing to the greatly increased cost
of quality tobaccos, in fact, every-
thing pertaining to high grade cigars,
the makers of the San Felice cigar,
the Deisel-Wemmer Company, have
advanced the selling price to the
Jobbers and Dealers, and henceforth
this cigar will positively be sold to
the consumer at 5 cents straight in-
stead of six for a quarter as previous-
ly.

The SAN FELICE is national in its
scope and character, having justly at-
tained this eminence through its un-
excelled excellence. To maintain this
unequaled standard of quality, the
advance in question is absolutely un-
avoidable. The generous support of
all men using quality cigars is earn-
estly desired.

A Laxative For Babies; Good For Everybody

Dr. Caldwell's Syrup Pepsin a Safe
and Efficient Family Remedy.

Every member of the family is
more or less subject to constipation
and every home should always be sup-
plied with a dependable remedy to
promptly relieve this condition. When-
ever the bowels become clogged and
the natural process of elimination
thereby disturbed, the entire system
is affected, and readily subject to at-
tack by disease. Constipation is a
condition that should never be neg-
lected.

Mrs. E. R. Gilbert of Milbro, Va.,
says that Dr. Caldwell's Syrup Pepsin
is a splendid laxative for children be-
cause they like its pleasant taste, and
it acts so easily and naturally, with-
out griping or strain, and she finds it
equally effective for the rest of the
family.

Dr. Caldwell's Syrup Pepsin is a
combination of simple laxative herbs
with pepsin that contains no opiate
or narcotic drug. It is mild and gen-
tle in its action, and does not cause
pain or discomfort. Druggists every-
where sell this excellent remedy for
fifty cents a bottle.

To avoid imitations and ineffective

substitutes be sure you get Dr. Cald-
well's Syrup Pepsin. See that a fac-
simile of Dr. Caldwell's signature and
his portrait appear on the yellow car-
ton in which the bottle is packed. A
trial bottle, free of charge, can be ob-
tained by writing to Dr. W. B. Cald-
well, 455 Washington St., Monticello,
Illinois.

Mad Belgian Raises Riot On East Side

A mad Belgian, fresh from the old
country, and burning with his wrongs,
ran amuck at the Soo station Mon-
day afternoon and precipitated a riot
on the east side. The Belgian, seven
years old, weighing 1,900 pounds, and
valued at \$1,200, came in with a car-
load of other stallions from the W. B.
Otto Co. of Charlotte, Mich., who es-
tablished sales stables here several
months ago. The trip had got on this
particular beast's nerves, and when
taken from the car he charged the
men who held him in tow, chased
them up a convenient pole, offered to
give fight to anyone else interested,
and then departed from thence. On
his way eastward he took exceptions
to the complexion of a German dray
team and routed them.

In the midst of the excitement,
someone called in M. J. O'Connor and
his trusty rifle, with a request that he
shoot the mad stallion. The target
was tempting, but the directions did
not come from the animal's owner,
and O'Connor demurred. Dr. MacKay,
the Mandan veterinarian, was also
elicted in the effort to cow the
horse, which finally was subdued and
corralled in a barn on the east side.
Dr. MacKay diagnosed the Belgian's
trouble as travel sickness, and a cen-
sus revealed no real damage done.

WESTERN VAUDEVILLE ROAD SHOW MAKES HIT

Unusually High Class Program
Given at Auditorium Last
Evening

One of the very best programs ever
offered in Bismarck was presented at
the Auditorium last evening by the
Western Vaudeville road show No. 1.
There were six big acts in addition
to a feature picture, and the large
audience was liberal with its ap-
plause throughout the lively evening.
The Hughes Sisters and Leyden, a
trio consisting of a vocalist, harpist
and violinist, were among the hits of
the evening. The Bonamar Arabs
proved a real sensation, as billed, and
the four other acts were of excep-
tionally high class.

FORT CLARK PIONEER DIES IN ST. ALEXIUS

Andrew Johnson, Aged 71, Passes
Away in Bismarck—Highly
Respected Citizen

Andrew Johnson, aged 71, one of the
oldest and best known residents of
the Fort Clark district, died Tuesday
morning in St. Alexius hospital,
where he had been for sometime un-
dergoing treatment.

Mr. Johnson was one of the pioneer
settlers of that section and was one
of the progressive men of his com-
munity. In his death Fort Clark loses
one of its most highly respected citi-
zens. The widow and one daughter,
Miss Josephine, at home, survive.

The body was taken yesterday to
Fort Clark, where funeral services
and interment will be made.

COAL FAMINE EXPECTED IN GREATER NEW YORK

New York, Oct. 31.—Coincident
with the unprecedented increase in
the price of domestic coal to \$12.50
a ton, here today, retail merchants
notified the public that only conser-
vation of the supply and limitation of
delivery of one ton to a customer
would avert a famine.

The soaring prices are due, retail-
ers and wholesalers agreed, to the
enormous demands of manufacturing
plants, which are working either full
time, overtime, or double time, the
shortage of unskilled labor at the
mines, the freight car shortage, the
premature consumption of the reserve
stock and the utilization of domestic
coal for manufacturing purposes.

FAMOUS SLOUGH OF DESPOND IS THING OF PAST

The famous McKenzie slough, for
many an autoist a real "Slough of
Despond," soon is to lose its terrors.
At the monthly meeting of the coun-
ty commission today it is probable
that steps will be taken to hasten the
erection of the bridge which will com-
plete the fill through this dismal
swamp. Under the direction of a fed-
eral road expert, two miles of model
highway have been built through the
slough. The embankment runs as
high as six feet, and the elevation is
thought sufficient to guard against
any normal spring floods. The sur-
face is graveled, and what was once
the worst piece of road on the Red
Trail has now become one of the best
sections of the Great National Parks
Transcontinental highway.

Aged Woman Hit By Car At Crossing

Mrs. Thomas Cunningham, who
makes her home with her daughter,
Mrs. Frank Ryan, at Fourth and
Thayer, was struck by the fender of
a passing automobile last evening
while crossing Eighth street near
Broadway. The accident occurred
about 7:30, when it was quite dark.
Mrs. Cunningham did not see nor
hear the approaching car. The fender
struck her a severe blow on one hip,
throwing her to the ground. The car
did not stop.

The injured woman was carried in-
to the home of Mrs. Ella Jager, 309
Eighth street, and Dr. Roan was sum-
moned. An examination disclosed no
broken bones, and Dr. Roan conveyed
Mrs. Cunningham to her daughter's
home, where she was resting easily
last night. Mrs. Cunningham is 73
years old.

RECOMMENDS CHANGE IN TOLL COLLECTION FOR PANAMA CANAL

New York, Oct. 31.—Changes in the
system of collecting tolls for the use
of the Panama canal were proposed
by Gen. George W. Goethals, former
governor of the Canal Zone, in an
address before the Traffic Club of
New York. While the tolls are based,
at present, on the net registered ton-
nage of vessels, he said he believed
they should be based on the earnings
capacity of ships.

Under the system now in vogue,
Gen. Goethals declared, American
shipping is paying a heavier tax than
British. He explained that British
ship owners have rigged their vessels
so they can carry considerable deck
loads which are not included in the
net registered tonnage.

General Goethals declared the canal
should be run as a great business en-
terprise, free from politics. He said
he hoped to see big warehouses erected
to handle the South American busi-
ness.

PROGRESSIVES COMMENT THE "ACHIEVEMENTS" OF PRESIDENT WILSON

New York, Oct. 31.—Sixteen of the

committee of the first Progressive
party convention, which framed the
platform on which Theodore Roose-
velt was nominated in 1912 for the
presidency, endorsed a statement is-
sued here tonight by the Democratic
national committee commending the
"legislative achievement of President
Wilson." Eleven of the number signed
the statement, which also urged
the re-election of the president.

AMBASSADOR GERARD IS PAID GLOWING TRIBUTE

London, Oct. 31.—Lord Robert Ce-
cil, minister of war trade, announcing
in the house of commons today the
transfer of the responsibility for mat-
ters relating to British prisoners in
enemy countries from himself to Lord
Newton, under secretary for foreign
affairs, took occasion to express "in
the strongest language at my com-
mand, the deep debt of gratitude,
which, in my judgment, this country
owes to Ambassador Gerard in secur-
ing better conditions for British pris-
oners."

NON-PARTISAN PRECINCT CAUCUSES HELD TUESDAY

Precinct caucuses were held by the
Non-Partisan leagues throughout the
county yesterday. Word was passed
that the league's big fight is on the
supreme court, and the "We'll Stick"
slogan was again endorsed. The
league leaders in Burleigh county and
elsewhere will exert every effort dur-
ing the ensuing six days to line up
the organization for the league candi-
dates for the supreme court and for
state treasurer. There is no other
fight so far as this county is con-
cerned, in which the league professes
an interest.

A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for
Treatment Without Bene-
fit. Finally Made Well by
Lydia E. Pinkham's Veg-
etable Compound.

Englewood, Ill.—"While going
through the Change of Life I suffered
with headaches, nerv-
ousness, flashes of
heat, and I suffered
so much I did not
know what I was
doing at times. I
spent \$1900 on doc-
tors and not one did
me any good. One
day a lady called at
my house and said
she had been as sick
as I was at one time,
and Lydia E. Pink-
ham's Vegetable Com-
pound made her well, so I took it and
now I am just as well as I ever was. I
cannot understand why women don't
see how much pain and suffering they
would escape by taking your medicine.
I cannot praise it enough for it saved
my life and kept me from the Insane
Hospital."—Mrs. E. Sheldon, 5557 S.
Halsted St., Englewood, Ill.

Physicians undoubtedly did their best,
fiddled with this case steadily and could
do no more, but often the most scientific
treatment is surpassed by the medicinal
properties of the good old fashioned
roots and herbs contained in Lydia E.
Pinkham's Vegetable Compound.

If any complication exists it
pays to write the Lydia E. Pink-
