Is Hostess At Dancing Party

Miss Ruth Rawlings was hostess last night at the Country Club, entertaining 50 young people at an informal dancing party. Garden flowers arranged in hanging baskets decorated the ball room. At midnight refreshments were served at little round tables in the dining room, made attractive with baskets of yellow flowers.

Niece Honored At Children's Party

Little Miss Marjorie Edson of Moffit, who has been the guest of her aunt Mrs. J. L. Hughes for the last week, returned with her brother, Donald Edson, who came down for her to her home yesterday morning. While here she was the honored guest at a charming party given by Mrs. Hughes. Twenty children were present.

Games, both indoor and outdoor ones, were enjoyed by the children, after which Mrs. Hughes called on each child for a stunt. Although unprepared, nearly every child responded with a song, selection on the piano, or recitation, making a unique impromptu program which closed with the singing of America. Light refreshments were served, the hostess being assisted by Miss Mercedes Pitzer.

Love's dream is shattered again for Peggy Joyce. (You would hardly call it love's young dream any more, would you?) AT THE MOVIES

THE CAPITOL
Nearly every member of the cast in the William Fox production of "The Plunderer," from the story by Roy Norton, has had considerable experience on the stage. Frank Mayo has the leading role and is supported by Evelyn Brent, Tom Santschi, James Mason, Peggy Shaw, Edward Phillips and Dan Mason.

"The Plunderer" comes to the Capitol theatre Friday and Saturday. The story concerns a romance of the western gold mines and is said to be startling in its swiftly moving action. A fight scene between Mayo and Santschi resulted in injury to both performers. Another scene shows the result when a huge dam is dynamited, turning loose upon a little mining town a flood of water.

THE ELTINGE

Why do the wives of the nation groan when their husbands suggest going to see a western picture? Because these productions usually minimize the importance of love interest.

The typical "western" includes only one woman in its cast—who is hence bound to be the heroine at any cost. Introducing her, it then busies itself entirely with the physical exploits of the hero. In the final fade out there is usually a brief embrace—with which the romantic sex must be content.

But it's not, for the ladies—love love! And that's why "The Lightning Rider" with Harry Carey and Virginia Brown Faire showing at the Eltinge theatre today and Saturday will entertain the ladies as well as the men.

This story, without sacrificing any of the heroisms of the classic "western," builds up a romantic complication equal to any provided in a straight drama.

Marvelous horsemanship—thrilling rescues—red blood—popping bullets! It has all these, to be sure, but in addition it has an equally emphasized strain of mystery and romance which will satisfy the most ardent of the feminine theatre-goers. Paths News and a Will Rogers comedy also will be shown.

Girls! Use Lemon To Whiten Skin

The only harmless way to bleach the skin white is to mix the juice of two lemons with three ounces of Orchard White, which any druggist will supply for a few cents. Shake well in a bottle, and you have a whole quarter-pint of the most wonderful skin whitener, softer and beautifier.

Massage this sweetly fragrant lemon bleach into the face, neck, arms and hands. It can not irritate. Famous stage beauties use it to bring that clear youthful skin and rosy-white complexion; also as a freckle, sunburn and tan bleach. You must mix this remarkable lotion yourself.

Breen and Gorman of the Minot Post Veterans of Foreign Wars are in the city conducting a sale of dance tickets including chances on a Ford Touring car to be given away at a Minot dance pavilion August 19th. Representatives of the Bismarck Advertising Club and the Legion interviewed the agents asking that particular care be used that no tickets be sold under the impression that the dance was to be held at the local Wildwood and that the benefit was for the Minot post.

NARROWER SCARFS
Scarfs for fall appear to be a trifle narrower than those for summer, but shawls have lost none of their size or their brilliancy of color and design.

A SUPER-CLAY
A SUPER-CLAY
Brought me beauty and perennial youth

By Edna Wallace Hopper.
I look back on a glorious career. First, as a famous beauty. Then for 35 years a stage star. And now, at a grandmother's age, a beauty still playing a beauty's part.

I owe all that to several factors, but the greatest is a new type clay.

Now I have arranged with druggists and toilet counters to supply it to every woman. I want it to bring to others what it brought to me—untold beauty, decades of added youth.

My White Youth Clay
Old clays were crude and muddy. Mine is white, refined and dainty. Old types had one clay—mine has two. There are eleven ingredients embodying in juice, to bring the maximum result.

I owe this clay to men who have given it many years of scientific study. It is a super-clay, amazing in its quick and lasting benefits. I have seen many plain girls become beauties with one application, I have seen older women seem to drop ten years.

Clay is a beauty essential. No girl can look her best without it, no woman keep her youth. Look at France—where girls are all beauties and women all young. That is largely due to clay.

I have no great interest in urging women to use my particular clay. But I do urge them to use some clay. I have found that mine brings multiplied results, but better the old types than none.

WHOLE FAMILY ENDORSE TANLAC AS BEST TONIC

health as anybody could wish.

"My wife was all broken down in health. But now she weighs 155 pounds, and is strong and well and I am giving Tanlac credit for it. We give Tanlac to the children to tone them up and make them grow, and nobody ever had a healthier set of children than we have."

"Tanalac is certainly the greatest medicine on earth for anyone whose life is wrecked by bad health. We sure do have a great deal to praise Tanlac for at my house."

"I have no great interest in urging women to use my particular clay. But I do urge them to use some clay. I have found that mine brings multiplied results, but better the old types than none."

"After my case had been given up as hopeless and I thought I was beyond redemption a relative put me on Tanlac, and the result is, I gained 20 pounds, and enjoy as good health as anybody could wish."
