

FARMER AND WOMAN FACE MURDER COUNT

Iowa Couple Accused of Poisoning Woman's Husband to Clear Love Path

Anamosa, Iowa, Feb. 28.—(P)—County Attorney Clifford B. Paul today filed true informations charging first degree murder against Mrs. Hilda Miner and Albert Hartwig, wealthy farmer, in connection with the death of the woman's husband, Edward Miner.

Miner died at his home at Olin last Tuesday from the effects of poison. Hartwig has confessed to furnishing Mrs. Miner with poison although she has not confessed to giving it to her husband. Paul said, however, that Mrs. Miner admitted that she knew capsules found in her home contained poison. An analysis of the capsules revealed that they contained the same type of poison from which Miner died and which Mrs. Miner admits she took in an attempt at suicide, because, she said, "I wanted to be with Ed."

Mrs. Miner yesterday attempted to cast the blame for her husband's death on Hartwig although she at first maintained he committed suicide. She told Paul that the farmer, who is alleged to have paid many attentions to her, was in a position to have placed the poisoned capsules in a box of pills which had been prescribed for Miner by his physician.

MIAMI GROUP BACKS MAGNOLIA'S RULING

British Heavyweight Given Morphia to Enable Sleep, Manager Claims

Miami, Fla., Feb. 28.—(P)—Lou Magnolia's action in declaring Jack Sharkey the winner and refusing to allow Phil Scott's claim of foul in last night's fight was formally upheld today by the Miami boxing commission.

The chairman of the commission, Louis MacReynolds, advised Magnolia that his action was unanimously supported. Jimmy Johnston, Scott's manager, declared his intention of filing a protest. MacReynolds indicated no protest would be entertained.

Scott is said to have suffered so much pain from the blow that it was necessary to administer morphia at five o'clock this morning for him to sleep. Jack Sharkey's manager, Johnny Buckley, lost no time in issuing a statement claiming the world's championship. He said the claim would be filed with the Massachusetts boxing commission. He expressed willingness, however, to have Sharkey fight Max Schmeling in June, with the championship at stake.

FARM RELIEF HEADS WILL HOLD MEETING

Hyde Indicates He Will Not Recommend Closing of Commodity Exchanges

Washington, Feb. 28.—(P)—Secretary Hyde announced today after attending a cabinet meeting that he would accompany Chairman Legge of the farm board and Sam R. McKelvie, board member representing wheat, to Chicago this afternoon, where they will meet with the wheat advisory commodity committee.

The secretary added that the date for the meeting had been set for some time and that its purpose was to discuss the wheat situation generally.

When he returns to Washington, the secretary said, he expects to reply to the Heflin resolution adopted by the senate calling upon him to recommend whatever measures he saw fit in the present wheat and cotton situation even to the extent of temporarily closing the wheat and cotton exchanges. He indicated he would not recommend that they be closed.

CRIMELESS CHICAGO IS COMMITTEE'S CRY

Head of 'Secret Six' Says Million Dollars May Be Spent to Scotch Gangland

Chicago, Feb. 28.—(P)—"Crimeless Chicago in six months" was the slogan today of the secret committee of six.

Col. Robert Isham Randolph, president of the association of commerce, who organized the "secret six" and who is its only known member, promised the association that the anti-crime drive will be unremitting and said the six months estimate was based upon the least length of time in which gangland facts could be obtained, indictments returned and conviction obtained.
