Cancer Cured.

Mr. W. W. Frickett, Smithfield, Ill., writes Sept. 10, 1901: "I had been suffering several years with cancer on my face, which gave me great annoyance and unbearable itching. I was using Ballard's Snow Ointment for a sore leg, and through an accident I rubbed some of the ointment on the cancer, and as it gave me almost instant relief, I decided to continue the use of the ointment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation and it can not be too highly recommended." 25c, 50c and \$1. Per sale by W. B. Frame.

A Weak Stomach.

Cause a weak body and invites disease. Kodol Dyspepsia Cure cures and strengthens the stomach and wards off and overcomes disease. J. B. Taylor, a prominent merchant of Christman, Tex., says: "I could not eat because of a weak stomach. I lost all strength and run down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by Kodol, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health." City Drug Store.

The Easy Pill.

DeWitt's Little Early Risers do not grip nor weaken the system. They cure biliousness, jaundice, constipation and inactive livers by crossing the secretions, moving the bowels gently, yet effectually and giving strength and energy to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organs involved, and if their use is continued for a few days there will be no return of the trouble. City Drug Store.
