

HEALDTON.

Special Correspondence.

Healdton, I. T., Nov. 21.—We have had a real taste of winter during the past week, putting a stop to cotton picking, and it is hard to say what result it will have upon the unopened cotton.

W. R. Ingram went to Tishomingo this week.

Miss Gussie Chase is in Ardmore. Mrs. Clint Grant was called to Loco today by the illness of her daughter, Mrs. R. F. Hamilton.

Mrs. Laura Couch is here from Checotah visiting her parents, Mr. and Mrs. Nicholas.

The Greenville school house, two miles north, was burned Friday night. A young son is reported at the home of Ed Lofton.

Dr. Teague and J. H. Watson visited at Ardmore Thursday.

There is no stock water in this section and the stockmen are worried. The cattle are eating acorns and it is the general opinion that this will cause many of them to die. They appear to be in bad condition already.

Hog killing is the order of the day in this section.

Constipation.

Health is absolutely impossible if constipation is present. Many serious cases of liver and kidney complaint have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P. M., Bronson, Okla., writes, Feb. 12, 1902, "Having tried Herbine, I find it a fine medicine for constipation." 50c bottle at W. B. Frame's.

BOWLES.

Special Correspondence.

Bowles, I. T., Nov. 22.—We are having some very cold weather at present. This cold weather has done up the cotton for the year.

We are glad to say that the health in this part of the country is very good.

R. A. Dittman and John Fussell have returned from Coalgate, where they went last night on business.

G. B. Bowles is suffering from a sore hand.

T. W. Norris and family were in Marietta Friday.

John Faust made a business trip to Gainesville Friday night.

Best Liniment on Earth.

Henry D. Baldwin, Supt. city water works, Shullsburg, Wis., writes: "I have tried many kinds of liniment, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 75c, 50c and 25c at W. B. Frame's.

There are a great many people who go through life like the cat which is no sooner than it wants out, and no sooner out than it wants in.
