A Suggestion.

On August 9 and 23 and September 13 and 27 the M. K. & T. railway will sell excursion tickets from St. Louis, Hannibal, Kansas City, Junction City and intermediate points in Missouri and Kansas to points in Indian Territory, Oklahoma and Texas at the extremely low rate of \$15 for the round trip. Tickets good 21 days from date of sale with liberal stop-over privileges.

You have friends in the old states. You want them to visit you, or you want them to come and see what the Southwest is and what it offers. Why not write them and acquaint them with the low rate excursions? If you want literature to send them it will be cheerfully furnished by addressing "KATY," St. Louis.

Taken With Cramps.

Wm. Klemm, a member of the bridge gang working near Littleport, was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicines.—Elkader, Iowa, Argus.

This remedy never fails. Keep it in your home, it may save life. For sale by F. J. Ramsey, Ardmore Drug Co., W. B. Frame.

We sell only the best fruit jars and will appreciate your trade. J. B. Sprague & Co. 15 d&w

Cholera Infantum.
This disease has lost its terrors since Chamberlain's Colic, Cholera and Diarrhoea Remedy came into general use. The uniform success which attends the use of this remedy in all cases of bowel complaints in children has made it a favorite wherever its value has become known. For sale by F. J. Grand 15 Days Clearing Sale!

The Ardmore Dry Goods Co. is now under a new management—a management that believes in doing business and in doing business RIGHT NOW. We don't believe in carrying goods from one season to another—we prefer giving the people the profits. We have therefore decided to inaugurate a general clean up sale on all our summer goods—everything in the house which has a breath of summer about it MUST GO in the next 15 days. And we are going to put prices which will move things, and move them quick. Our buyer is now purchasing Fall Goods and we must have room. There is but one way to make room and that is to MAKE ROOM.

Read These Prices---Come and Examine the Goods

We use no scare-head prices, but every reduction is bonafide. Every reduction holds good for 15 days, provided the goods are not sold out sooner.
