

ARTHUR.

Special Correspondence. Arthur, I. T., Oct. 10.—Ed Williams, a well to do farmer, died and was buried Sunday. On Monday his babe also died. Mrs. Emmons, who has been quite sick, has been removed to Duncan for treatment. Wm Hart of Purdy has moved to Arthur. Tobe McCarley has ginned 243 bales to date this season and the crop is not more than one-fourth gathered. A new store is being built here. It will be conducted by Mr. Baggett. Our people have organized a Union Sunday school with Wm. Harp as president; J. F. Wooten, assistant, and Miss McCarley, secretary. Wm. Tye of Harrisonburg and Miss Lizzie Copeland were married last Sunday by Rev. William Harp. The health of the community is improving. The farmers are unable to secure sufficient hands to pick the cotton crop.

Better than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pill? Our answer is—They are easier and more pleasant to take and their effect is so gentle and agreeable that one hardly realizes that it is produced by a medicine. Then they do not only move the bowels, but improve the appetite and aids the digestion. For sale at 25 cents per bottle by F. J. Ramsey, Ardmore Drug Co., and W. B. Frame.

FOSTER.

Special Correspondence. Foster, I. T., Oct. 10.—We are having splendid weather for gathering crops, and farmers are very busy. Health is very good, with the exception of some chills. Several loads of cotton went to Pauls Valley today. The gin here has put up about 310 bales. The box supper will be given at the school house next Friday night. Mr. McKoy has moved his family to town. Dave Coggins has moved back from Ada, where he moved last year. There will probably be some work for the grand jury. All patrons should be ready. Get their children in school at the opening, October 31st.

EASTMAN.

Special correspondence. Eastman, I. T., Oct. 10.—The weather continues fine and cotton picking is moving along nicely. Eastman happened to bad luck last week when our gin was destroyed by fire. The loss to the owners was considerable, as it was only insured for about 50 per cent. The 8-months-old baby of Mr. and Mrs. Busby died Sunday night. They have the sympathy of this community. Born, to Mr. and Mrs. Oscar Wells, a son. J. L. Sanders has moved into his new residence. Mr. and Mrs. John R. Robertson of Rias, Ala., are visiting the family of Dr. Harrison. W. A. Corgill of Shay was here yesterday on business. Mr. Purdy of Pike was here yesterday.

BROCK.

Special Correspondence. Brock, I. T., Oct. 8.—We have had pleasant weather for the past few days. Crops are now being gathered rapidly. There is quite a good deal of sickness in our neighborhood at present. The little daughter of Mr. and Mrs. Lee Coffey died Thursday at 4:30 o'clock. Mr. and Mrs. Coffey have the sympathy of our entire community in their bereavement. There was preaching here today by Rev. Smith. Services will be held tonight and tomorrow also. Did you know we had one of the best washing machines on the market? NOBLE BROS.
