Shave Yourself

With the right tools it is as easy as that you will want to shave every morning. Men who think they cannot shave themselves have probably never tried the right kind of razor or have not learned how to keep a razor in condition.

To those who know how the home shave is as much a pleasure as the morning bath. It takes but a few minutes and a clean, smooth face every morning is a joy to the self-respecting man. If you could shave easily, purchase a

Shumate Razor and a Shumate Honing Strop

The Shumate razor is better adapted to self-shaving than any razor on the market at any price and the strop will keep it in perfect condition. "Course of Home Instructions" with each. Price of Shumate Razor \$1.00. Shumate Honing Strop \$1.00

Blacksmithing.

After months and months of constant work Al Rice of this city has the most modern blacksmith shop in the city. He has in his shop four specialists in different lines of work. Jack Ward, formerly of Chickasha, Texas, has charge of the carriage department and he justly bears the reputation of being the finest workman ever in Ardmore. Mr. Rice, himself, attends to the horse-shoeing and when he turns out a piece of work it cannot be done any better. He is equipped for doing everything in repair work and makes a specialty of horse-shoeing and rubber tire work. He wants to do your carriage and wagon work, your horse-shoeing and general blacksmithing. See the grade of work he turns out before placing an order. His shop is on Broadway, Phone 87.

All pressing needs are carefully answered and the old wrinkles are replaced by the stylish crease and fashionable shape if you entrust your cleaning, pressing and repairing to C. D. Davis.

James E. Johnson, who came in from Muskogee yesterday, stated that the report that a "compromise" had been effected by the tribal governor and the interior department with reference to the approval of the tribal deeds, was erroneous. Mr. Johnson says that the Choctaw legislature will meet at Tushahoma Monday morning when the matter will be fully discussed by the legislature.

Lively interest, expert training and practical equipment enable C. D. Davis to give absolutely satisfactory results in cleaning, pressing and repairing.

A Correction.

In a recent issue of the Ardmoreite it was stated that J. W. Campbell, who was arrested, was charged with obtaining money from a Marlow bank. The bank at Marlow states that Campbell never had any dealings with that institution and that he is not indebted to it. The Ardmoreite gladly makes this correction. The item should have mentioned the Lindsay bank instead of the Marlow bank. There are no new developments in connection with the case. The girl bride of the defendant, it still here. It is understood that her father will come after her.

EVANGELISTIC SERVICES

Still in Progress at the Big Tent on West Main Street.

Dr. Calhoun is preaching a series of very strong sermons and a great interest is manifested by all those who attend. A goodly number of conversions have already resulted and a marked increase in the renewal consecration of the members of the church is manifested. Dr. Calhoun is not sensational but yet deeply in earnest and strongly spiritual in his preaching and methods. People who hear him are compelled to think seriously on the things that pertain to eternal life. Let every Christian arouse and assist with his prayers and attendance in these services.

The big tent meetings will continue for only a few days. Let all come every night and bring a friend.

The orchestra and choir organized by J. L. McKenzie is rendering excellent music at the tent every night. Rev. McKenzie is a leader of excellent ability and a very effective solo singer. Don't fail to hear the splendid preaching and excellent singing at the tent.

Santa Fe to Chickasha.

It is reported on good authority that beginning July 1 the Santa Fe will take over and operate the Rock Island branch line from here to Lindsey, connecting with the Santa Fe line from that city to Pauls Valley.

It is also strongly rumored that the Santa Fe does not intend to stop here but will go on to Woodward, in northwest Oklahoma, and thence to Kiowa, connecting with the main line east and west. This will give Chickasha a third trunk line.
