There seems to be more politics in the election of a Methodist bishop than in the making of a presidential nominee. In spite of the fact that there were to be ten new Methodist bishops as against only one standard bearer for each political party.

ELKS' GOAT BUSY.

Three Candidates Initiated into the Mysteries of Elkdom.

Billy of the Elks lodge had a busy time for two or three hours last night having to work three candidates who were initiated into the mysteries and mysteries of the order. Billy was equal to the task imposed on him, having had a rest of two weeks or more and did his work well. D. McCallum, C. S. Riley and C. E. Carter were the three who were not present when the large class went through, but who were on hand last night to see the work of the order.

One of the candidates spoke in the highest terms of his journey across the hot sands, and his shampoo and shave after having completed the journey.

Notice.

On account of the heavy rains that have brought such disaster to the people of this county and to business generally, I deem it best to postpone the trial of all cases set on the criminal docket heretofore appointed to begin on the 15th day of June, 1908. Therefore all persons interested, whether lawyers, witnesses or defendants, will take notice not to appear until further notified.

I respectfully request all storekeepers and postmasters to post this notice in a public place and ask that all others seeing it will spread the information that no criminal trials will be held this month.

No Need of Suffering From Rheumatism.

It is a mistake to allow rheumatism to become chronic, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Pain Balm. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. 25 and 50 cent sizes for sale by E. J. Ramsey and Hoffman Drug Co. wky

Put a Question of Grammar.

The great reporter turned to Editor McKelvey: "Which should I say," he asked hesitatingly. "My boy Henry laid an egg on the table?" "Well," said Editor McKelvey impatiently, "if you want something to crow over, and be's that kind of a hen-perry, let him lay it on the table if he can. Otherwise have him put it there."—Judge.

His Distinction.

A solemn funeral procession, slowly winding its way up the slope from the church to the grave, was interrupted by the old vergor, who pulling his forelock in the usual rustic style, addressed the clergyman, whispering to a confidential manner:

"Please, sir, my brother wishes to speak to yer!"—London Tit-Bits
