## WILL ARMORE GET THE NEXT U. C. V. REUNION?

JOHN H. MORGAN CAMP AND THE NEW VETS HOME WILL SURELY CARRY THE DAY.

The members of John H. Morgan camp left at 11:15 this morning in a body and enjoying a special car for their use, for the big reunion that will be held at Chickasha on the 25th, 26th and 27th of this week.

This will be one of the most memorable reunions of the state in Confederate circles and the local camp left in order to have plenty of them to spare housing for Armore for the next reunion, which they are determined to have here, and when Armore sets her mind on a thing it's got to come.

In addition to badges of red, white and blue and other ornamental and suggestive devices for carrying the convention for Armore they were also delegated by the mayor and commissioners of the city and by the Commercial Club to present to the old vets the following very appropriate invitation:

To the United Confederate Veterans Association, Oklahoma, to the Officers and Members Assembled:

The Armore Commercial Club takes pleasure in joining the mayor and city commissioners of the city of Armore in extending an invitation to your association to hold its annual reunion in 1910 in this city and can assure you a warm welcome right from the hearts of the people. There are two reasons particularly why you should choose Armore for your next meeting place: It is the most distinctly southern in sentiment and characteristics of any of the cities of Oklahoma having nothing but the kindest of feelings for the Confederate soldier and extending to them an open handed hospitality. Your soldiers home committee has also just decided in favor of the location of the Confederate Soldiers Home in Armore and it is fitting that the comrades should meet the ones who are making their home in the new institution at this time, as it is contemplated to have all the buildings completed and well occupied before the reunion next year. Again, I wish to say on behalf of the Commercial Club that you will be extended a warm greeting here and our officers and members will stay in their power to make your stay in the city enjoyable.

Very sincerely yours, H. G. SPAULDING, Secretary.

Among those who went were: W. R. Wood, W. T. Simmons, W. P. Goodson, D. M. Rumph, M. J. Lee, T. C. Martin, J. L. Galt, H. Sutherland, W. E. Gilmer, Sidney Suggs, J. F. McClatchey.

Among a number of ladies who went were also the sponsors, Miss Nellie Hard for the Chickasaw brigade, and Miss Mary Rumph, for the local camp, attended by their maids of honors.

A big crowd was at the depot to see them off and as the train left the depot the strains of "Dixie Land" could be heard coming through the car windows.

PICKUPS HERE AND THERE.

Mrs. Jim Smith returned yesterday afternoon from Durward, where she was called on account of the illness of her sister, Mrs. Frank Ramsey. Mrs. Ramsey was a victim of consumption and died while Mrs. Smith was with her. She leaves two children, one five years and the other three years of age. Mr. Ramsey is one of the best known farmers in Carter county and is held in high regard by all who know him. Mrs. Ramsey at the time of her death had just entered her 25th year.

Among the visitors to the city is W. R. Ingram of Healdton. He says cotton in his portion of the county will make one-fourth of a bale to the acre. He believes Armore will get ten thousand bales of cotton this year. He has traveled over every portion of the county and knows the crop situation as well or better than anyone else.

U. T. Rexroat, who was in the city yesterday from Kellor, says his farm will make one-half a bale of cotton to the acre and a portion of their arm will make more than that. Corn is not more than a half crop.

T. A. Gordon and his son, John Gordon, were in the city today from Healdton. They say their portion of the county will make about a half crop and this applies to both corn and cotton.

The Crime of Idleness.

Idleness means trouble for any one. It's the same with a lazy liver. It causes constipation, headache, jaundice, sallow complexion, pimples and blotches, loss of appetite, nausea, but Dr. King's New Life Pills soon banish liver trouble and build up your health. 25c at Armore Pharmacy.

## THE ORACLE SAID IT WOULD NEVER STOP

AND IT HAS GONE ON INCREASING ALL THE TIME—YOU CAN'T STOP IT.

When the first locomotive train made its appearance in the city of the Chickasaw nation the Indian fairs were filled with wonderment. At one station the sense of humor of the engineer asserted itself.

"Watch out, I'm going to hurt around," said he, and the crowd scattered in every direction.

One old fellow, who was a kind of an oracle in the community, looked at the locomotive in astonishment. "They'll never start it," he said.

But the engine started and was disappearing down the track at a great speed.

"They'll never stop her," said the oracle.

The changes in business are as wonderful as those in transportation.

Many people can remember the time when a daily newspaper was a "luxury" which only a few enjoyed. Now there is in almost every city ONE paper which "nearly everybody reads."

The merchants first saw the opportunity which such papers offered of telling the whole community about their bargains.

Then the people themselves saw the chance to use the same paper for selling their furniture, their property, their live stock, etc., through the little "Want" Ads.

It is the paper which reaches nearly ALL the substantial homes which in each city is the best want medium, as well as the merchants' medium. In Armore the Armoreite is that paper.

When you have anything to sell or trade, from a sewing machine to a vacant lot, write a little Armoreite "Want" ad. You can telephone your want ad to 5 or 538, the Armoreite, if it is not convenient to call at the Armoreite office, Broadway and Washington.

## BLUES BREAK EVEN WITH THE CHICAGO CROWD

FANS SAW ONE OF THE BEST GAMES OF SEASON—THE LITTLE INDIAN BATTERY.

"We have one Blues, but, oh, the Indian Battery."

The few who went to Lakeland park yesterday afternoon to see the Blues defeated by the Chicago Outlaws, were badly disappointed, but the way the Blues won the game handsomely from their old enemies made the most of the fans jump for joy.

As had been announced Sunday, some new players were expected to operate on the Blues staff, and they arrived yesterday in time to have the game called at five o'clock. When two little fullblood Indian boys got up in front of the grand stand to warm up, every one picked them for the new battery, and not a few were the unfavorable comments and jokes, but when those two boys, for they are hardly more than boys, got busy with the Outlaws, the grand stand began to fill up and take notice.

The first three innings were played in just ten minutes, and it was like playing ten pins to see the way those Outlaws went down before the speedy curvies of Anderson, while his back stop, Davis, worked with the usual stoicism of his tribe, but it was good work, Anderson, who is quick in action, during the game whirled in his box and put three men out on second, a record for the home grounds. The rest of the bunch gave good support and only in the last inning were the outlaws able to get more than one run, piling up three, while the Blues already had seven. The Outlaws got off bad with only five struck out to Anderson's eight. Armore laced nine men on first by error.

Anderson was tapped up for several at that looked like good ones, but they seldom went outside the diamond.

The official score:
