

With the Oil Men

W. J. Fleisher, who is here from Kentucky, and is among the more active ones in the Okla. district, got his start as a bell boy in Marietta, Ga., where he met all the oil men, including the elder Hocketter, and his friend and partner, C. R. Sheffield. Mr. Fleisher made many friends that it was no trouble for him to get a job on a lease, and it was not long before he was operating on his own. He has a lease on a well in Tulsa, which he is now drilling. He has a lease on a well in Tulsa, which he is now drilling. He has a lease on a well in Tulsa, which he is now drilling.
