WASHINGTON, June 10. — Major General Ireland, who served in the United States Army during the Spanish-American war, was honored by the city of Tulsa on June 10. The general was the guest of honor at a dinner given by the city's business and professional men.

"We just mopped 'em up"

"Those boys didn't know what retreat meant. And, pep! Say, every mother's son charged as tho' he was the whole American Army. It was the proudest moment of my life."

More than 32,871,000 tins of VELVET Tobacco were sent to the boys in France—enough, if placed end to end, to reach 2340 miles or nearly from New York to West. How much it helped them, their friendly letters testify.

VELVET makes friends easily—because, like true friendship, it has been allowed to ripen naturally. For two years, VELVET ages in wooden hogsheads, and when it comes out it is just right—no kick, no bite, no harshness.

You and VELVET—begin that friendship now.

WHAT IS AMERICA FOR IF NOT FOR AMERICANS?

ARE YOU A CITIZEN OF THESE UNITED STATES? IF NOT, YOU ARE AN UNDESIRABLE.

DOES THIS COUNTRY GIVE YOU A LIVING? THEN BECOME A CITIZEN OR GET OUT.

What would you think of your wife, husband or neighbor, if, every morning they went down the street blindfolded, throwing their money right and left, and, after the bandages were removed, would deny having done so?

There are thousands of people living in Tulsa and vicinity doing this very thing, every day, for the fact that they will continually insist on buying CHEAP PAINTS, which, for a very short time, look good. Then it will start to chalk and peel off, causing you much worry and annoyance. Why not let US help you eliminate this evil? We are experts in the paint line.
