Old English of Established Church Get Some Heavy Jolts in Their Traditional Ribs

THE OLD ADAM SHOWS UP

Men Cannot Get Away From Idea That Women Are an Incubator to Immorality

LONDON, June 16.—(By Mail.)—A prominent leader of the old English church... public meeting held the other day... the question whether women should be admitted to the priesthood...

showed a peculiar mind. Heating and cooling of "shame" created a happy to find between relationships in the church if the man and woman in the church if the man and woman were admitted...

After quoting the New Testament to show that the communion of the priesthood was given to men and women alike in the "upper room" of Jerusalem, he continued:

into history. The head of the Church of England has not always been a man. Queen Elizabeth, Queen Anne and Queen Victoria were all supreme heads of the church.

"Not No" shouted many voices. "I am sorry if you don't like it," Mrs. Royden said the protesting element, "but it is so."

as you do music from the old-fashioned needle talking machines.

It's like turning on a musical searchlight when you hear a jeweled

played with the famous Sapphire Hat.

The round polished jewel glides smoothly around the records, does not cut or wear them out. The music flows off, isn't scratched off. No needles to change; records guaranteed to play 1000 times.

Yet the Pathe costs no more than ordinary phonographs.

If you already have a talking machine, you can easily equip it with the famous Sapphire Hat. Come in; let us show you how.

Pathe records have the latest hits—first and best—usually 4 to 6 weeks ahead; the songs that Broadway is whistling and the new dances that are all the craze. New records are now on sale.
