OILERS WIN FROM SIOUX CITY, 10 TO 4

Waldbauer Retires in Fifth an dSuccessors Are Batted Hard.

THIRTEEN HITS SECURED

Wuffli and Dilts Lead in Attack With Three Safe Blows Each.

Special to The World.

SIOUX CITY, Iowa, July 15.—Waldbauer strained his back in the fifth inning after allowing but two hits and one run and had to retire. Fletcher and Barnes succeeding to the mound, and the Oilers pounded them for nine runs in the four remaining innings, the Sioux losing 10 to 4.

Shackelford, who started for Tulsa was knocked out in the sixth. Barnes went in and lasted until one was out in the seventh. Salisbury took up the job with two on bases and passed the first man to face him. A snappy double play, Wuffli to Tierney to Slattery, returned the Sioux without a run and they never had another chance.

Tulsa Counts in First.

The Oilers nabbed one run in the first on Wuffli's hit to right, Slattery's sacrifice and Dilts' single. Waldbauer tightened and Tulsa never got a hit or run in the next four innings. With Wuffli up first in the sixth, Waldbauer hurt his back and could not continue. Fletcher passed Wuffli, and he took second on a passed ball. He went to third on Slattery's sacrifice. Dilts grounded out, Moran to Brokaw and Wuffli scored.

The seventh was the big inning for Tulsa. Tierney and O'Brien sizzled. Bayne hit to Fletcher, who forced Tierney at third. Wuffli singled scoring O'Brien and Barnes went to the mound. Slattery doubled and Bayne and Wuffli scored. Dilts singled and Slattery was over. Thomason and Cleveland were easy outs.

Score Three in Eighth.

Davis opened the eighth with a single and stole. Tierney grounded out. O'Brien singled to right, putting Davis over. Salisbury hit to Goodwin who booted and the pitcher was safe. Wuffli hit and O'Brien scored. Slattery skied to Moran. Dilts hit for two bases and Salisbury scored but Wuffli was caught at the plate. Cleveland hit in the ninth, stole and went to third on Goodwin's error and counted on Davis' out.

For the Sioux, Goodwin was passed in the fourth, was sacrificed to second and scored on Meloan's hit. Moran opened the sixth with a double, was sacrificed to third and scored on Defate's two base hit. Meloan singled and Defate counted. Meloan stole second. Robinson's hit scored Meloan. Brokaw doubled but Robinson held third. Elffert and Jones were outs.

M'KEOWN SECURES PROMISE OF ACTION IN CORRELL CASE

World's Washington Bureau, Post Building.

WASHINGTON, July 15.—After a conference of several hours at the state department this afternoon with Ambassador to Mexico Harry P. Fletcher, Congressman Tom D. McKeown acting in behalf of the Oklahoma congressional delegation, stated that he had placed the facts concerning the death of John W. Correll before the department in detail. McKeown also said that he had demanded of the department that the Mexican government be required to immediately bring the prepetrators of the crime to justice and that full reparation be demanded for the family of Correll. Ambassador Fletcher assured the Oklahoma congressman that everything in his power would be done as requested in the case and that all the facts would be laid before President Wilson for action. As McKeown left the state department he told reporters that he is of the opinion that a firm stand will be taken in the near future toward the Carranza government in Mexico. He declined to comment on the reason for this belief. Mrs. Correll, the 65-year-old widow of the slain man, is expected to arrive in Washington within the next few hours and Congressman McKeown expects to have the state department and the president to hear her in person.

"Red" Roche One of St. Louis' Greatest All-Round Athletes

Tulsa baseball fans had little opportunity to get acquainted with "Red" Roche, newest addition to the Oilers, as the following from the St. Louis Globe-Democrat is of interest, especially as it gives Roche's first name, which, however, we will never refer to again:

Cornelius Roche, better known to the sporting world as "Red" Roche, writes from Kansas City that he recently received his honorable discharge from service with Uncle Sam and is now playing first base for the Tulsa (Western league) club. "Red" secured his last service papers on July 3 and on July 5 was playing ball for Tulsa, which proved that Roche lived up to his reputation of "speed king" in doing things.

Roche states that he relieved Joe Slattery, another St. Louisan, at first base for the Oilers, when Joe was put on the hospital list, suffering with a case of boils. Judging from the scores of the late Western league games, Roche has been playing the initial bag a la "Stuffy" McInnis. "Red" is hitting the ball hard, but, unluckily, not to safe territory. However, he was injected into the game without practice, going straight from the United States discharge office into a Tulsa uniform and immediately into the game.

Roche is well known to the angel fans of St. Louis and wishes to be remembered to all of his friends. He is one of the best all-round athletes ever developed in St. Louis, being a star on the gridiron, soccer field and diamond and rated as a fair and square football referee. He is a graduate of Loyola South Side branch of the St. Louis university. While attending that school he was given a tryout with Charlie Dooin's Phillies. He, later, was with the Browns.

No Advance on Wheat.

NEW YORK, July 15.—The United States Grain corporation announced tonight there would be no advance in premium over the guaranteed price of wheat imposed by Julius Barnes, United States wheat director, before August 15, since the movement from the farms does not warrant the increase and the grain corporation has been able to make only small purchases. On that date Mr. Barnes will again review the situation and make an announcement concerning the placing of a premium.

DAILY DOPE

By Larry Daley

The west again showed marked advantage over the east in the second American inter-sectional series just closed, though the margin was not so great as in the first series. The west won 12 and lost seven in the second series, as against 13 victories and two defeats in the first.

Three out of four western clubs took a margin of the second series. Detroit led with four victories in five games. The showing of the Tigers was especially impressive as their victories were registered against the New York Yankees and all were due to timely and hard hitting, with the famous Tiger punch in evidence.

Hopes of the Bostons were dashed by the White Sox. Three out of four games were won by the Gleasons, and even in victory the play of the world's champions was not of championship class. The White Sox batted well in all four games and also showed splendid on the defense. Cicotte won two games of the series.

The Browns played a fast article of ball but by losing to the Mackmen yesterday went into fifth place. Connie's crew won the first and last games of the five-game series. Improvement in the place of the Athletics was evident.

Washington, thanks largely to the effective pitching of the great Walter Johnson, won three of the five-game series with Cleveland. Walter was credited with two victories. The Indians have not played well for the past two weeks and their work against the Griffmen was decidedly not of championship class.

Due to the lowly positions of the St. Louis and Philadelphia Nationals and the comparative mediocre quality of the players involved, there was little discussion over the trade whereby the Phillies acquire Pitcher Lee Meadows and First Baseman Jean Paulette in exchange for Pitchers F. H. Woodward and Elmer Jacobs and Infielder Douglas Baird. It is about a 50-50 deal and both clubs should benefit. In Meadows, the only spectacled player in the big leagues, the Phillies get a pitcher that should be a winner. Paulette, in addition to being a capable first sacker, is a clever utility man.

Jacobs has turned in some well pitched games this season, although he has been ineffective on occasions. Woodward is practically an unknown quantity. Baird, two years ago, was considered one of the most promising young infielders but has failed to play up to expectations. Possibly he will come into his own with the change of spangles.

Al Venn, former boxing promoter of Tulsa is in Wichita trying to make sport a success in that burg. Al is staging a wrestling match between Charlie Devliuk, veteran grappler, and H. Billiard, tonight.

Western league umpires, on the whole, have proved satisfactory this season but Joplin fans have turned thumbs down on Umpires Holmes and Vitler. A. J. Baker, vice-president of the old Western association and later head of that new organization now defunct, and former president of the Joplin club, has written a letter to President Al Tearney denouncing rank decisions by those two indicator holders in a recent series at Joplin with Oklahoma City.

One of the best, if not the best umpires in Tulsa this season was Eckman, who called the plays in the last series with Wichita. Eckman, however, has resigned his place on the staff to enter business at Omaha.

There are letters at The World sport desk for Kid George and Glenn Bartles.

TWO SPECIAL EVENTS IN ROWING REGATTA

Twelve Championship Races to be Contested in National Championship Meet Next Month.

NEW YORK, July 15.—For the first time in the history of the national rowing regatta, two special events have been added to this year's program in order to give soldiers and sailors of the allied nations an opportunity of competing. Twelve regular championship races will be rowed over the Lake Quinsigamand course on August 1 and 2 in the 45th annual regatta of the National Association of Amateur Oarsmen, which this year will be held under the auspices of the Lake Quinsigamand association of Worcester, Mass. Eleven of these will be rowed over a straightaway course of one mile and a quarter and the other will be a one-quarter mile dash for seniors.

On Friday, August 1, the events will be decided in the following order: Intermediate four shell, senior quarter mile dash, intermediate single, senior international four shell association single and intermediate eight. On the following day the order of championship races will be senior double, senior four shell, intermediate double, championship single, senior quadruple and senior eight.

The regatta committee unanimously decided to cater for the soldiers and sailors of any or all of the allied nations by the addition of a single scull, shell race and a four-oared gig event with coxswain. The single scull shell race will be open to those who never won the single scull, shell senior or the single scull national championship. The first prize for this contest, a silver cup, emblematic of the championship of the world, is the gift of Major General John F. O'Ryan, while the second and third men will receive a silver medal and a bronze medal respectively.

President John J. F. Mulcahey of the Atlanta Boat club of New York has donated gold, silver and bronze medals for the winning and placed crews in the four-oared gig open boat race, with coxswain weighing 105 pounds, open to allied soldiers and sailors.

McClain to Present $1,500 Belt to the Negro Heavy Champ

Jack Thompson, crack negro heavyweight who once fought the veteran Sam Langford in a 15-round bout here August 4, will probably never get a crack at the world's heavyweight title because of the color ban, but Jack is one of the leading contenders for the negro championship. Thompson's latest victory was over Willie Meehan, California "fat boy," who holds a decision over the new world's champion. Thompson beat Meehan at San Francisco Monday night.

A belt, emblematic of the colored heavyweight championship, is to be presented by Billy McClain, promoter of the bout August 4, when the best man proves his worth. According to McClain, he will give a diamond studded belt valued at $1,500 to the negro champion. In addition, Billy is planning to build a stadium in Tulsa. As Thompson and Langford are two of the greatest negro heavies in the game the winner of that bout will probably be declared champion. Tentative plans to match old Norfolk and Harry Wills with the winner are being made.

Nicaragua expects to produce 36,000,000 pounds of coffee this year, 5,000,000 pounds more than last year.
