This is the Greatest
Sale of High-Grade Suits
 for Men and Young Men
 ever attempted in Tulsa

Including our entire stocks and late arrivals of 800 all-wool three-piece Suits in Spring styles only

Strictly Hand-Tailored by

The House of Kuppenheimer and Our Tailors at Fashion Park

Possibly the largest single clothing order ever given by a Tulsa store was placed last fall by the Curtis Brown Company. Unavoidable manufacturing conditions have had their effect on delaying shipments that should have been sold during the past sixty days. Instead of that these clothes—nearly 800 suits—have just reached us!

Our policy has always been to sell merchandise in the season for which it is bought. Regardless of higher clothing prices for fall and possibly, scarcities of better clothing, the Curtis Brown store will place on special sale these late arrival suits, together with our entire stocks of 3-piece all-wool suits, starting this morning.
