

LARGER CROWDS HEAR T. P. GORE

Senator Is Enthusiastic
Over Receptions on
Tour of State.

NO FERRIS DEBATE

23,000 Hear Blind Orator
Challenge Congressman
to Joint Discussion.

"The best and most enthusiastic
meeting I have ever had during the
history of 30 years' political cam-
paigning."

Thus did United States Senator
Thomas P. Gore characterize his
present campaign in the state for re-
nomination to his present office as
the democratic candidate in the Au-
gust primary election. He spent a
few hours in Tulsa yesterday be-
tween trains on his way to the north
part of the district, where he will
campaign the rest of the week.

"During the week ending May 8,"
said the senator, "I delivered 21
speeches and spoke to over 12,000
persons. Last week I rained practi-
cally every day and yet I addressed
3,000 voters. In every speech I
challenged my opponent to a debate
but assure the people that if they
expect to live long enough to hear
such a discussion they will make
Mechum look like a two-year-old."
The senator spoke of his meeting
in Oklahoma City, where he ad-
dressed 2,000 people in the audi-
torium and 2,000 persons were
turned away. He was introduced by
Chief Justice Thomas H. Owen. This
in spite of the fact that the Daily
Oklahoman refused to carry a news
story of his visit or accept any paid
advertising.

At Pawhuska the senator says he
spoke to a good crowd and the meet-
ing at Skiatook last night was one
of the best of the series. The Cher-
okee County Wheat Growers' as-
sociation adopted a resolution of
thanks for the interest he has mani-
fested in the welfare of the farmers.

NEED MEN FOR BOYS' WORK

Y. M. C. A. Will Give Tuition Free
to Those Who Train in Y. Schools.

Free tuition at any of the dis-
trict Y. M. C. A. schools has been
offered by the association to all ex-
service men who wish to take up
boys' work.

Boys' departments have expanded
at a rapid rate in recent months and
more men are needed to care for the
ever increasing memberships and to
properly instruct boys for future ac-
tivities as useful citizens.

DODSON WARNS CALOMEL USERS

It's Mercury! Attacks the
Bones, Salivates and
Makes You Sick.

There's no reason why a person
should take sickening, salivating cal-
omel when a few cents buys a large
bottle of Dodson's Liver Tone—a
perfect substitute for calomel.

It is a pleasant vegetable liquid
which will start your liver just as
surely as calomel, but it doesn't
make you sick and can not salivate.
Children and grown folks can take
Dodson's Liver Tone, because it is
perfectly harmless.

Calomel is a dangerous drug. It is
mercury and attacks your bones.
Take a dose of nasty calomel today
and you will feel weak, sick and nau-
seated tomorrow. Don't lose a day's
work. Take a spoonful of Dodson's
Liver Tone instead and you will wake
up feeling great. No more bilious-
ness, constipation, sluggishness,
headache, coated tongue or sour
stomach. Your druggist says if you
don't find Dodson's Liver Tone acts
better than horrible calomel, your
money is waiting for you.—Adv.

Hurrah! the Dreaded "Final Exam" Called Off at High School

Members of the student body
of Tulsa high school are feeling
better than they have for many a
day, because the faculty has just
announced that no final "exami-
nations" will be given at the close
of this semester.

The semester will close with the
usual six weeks' tests. Seniors
who have to take these six-weeks
"quizzes" will start a week earlier
than the under class members.
No senior with a grade above "B" is
required to take the examina-
tions and most of the members of
the class will qualify.

general secretary of the Tulsa as-
sociation, said yesterday: "It's pleas-
ant, and it gives the leader a tre-
mendous opportunity to understand
the psychology of what might be
called the boy mind."

Complete information may be ob-
tained from A. C. Doering, educa-
tional secretary of the local associa-
tion.

Mrs. Clyde Pool returned Sunday
from a visit to relatives in Los An-
geles, Cal., and en route visited other
